He Was Some Kind of a Man Roderick McGillis, 2011-04-08 He Was Some Kind of a Man Masculinities in the B Western explores the construction and representation of masculinity in low budget western movies made from the 1930s to the early 1950s These films contained some of the mid twentieth century s most familiar names especially for youngsters cowboys such as Roy Rogers Hopalong Cassidy and Red Ryder The first serious study of a body of films that was central to the youth of two generations He Was Some Kind of a Man combines the author s childhood fascination with this genre with an interdisciplinary scholarly exploration of the films influence on modern views of masculinity McGillis argues that the masculinity offered by these films is less one dimensional than it is plural perhaps contrary to expectations Their deeply conservative values are edged with transgressive desire and they construct a male figure who does not fit into binary categories such as insider outsider or masculine feminine Particularly relevant is the author s discussion of George W Bush as a cowboy and how his aspirations to cowboy ideals continue to shape American policy This engagingly written book will appeal to the general reader interested in film westerns and contemporary culture as well as to scholars in film studies gender studies children s literature and auto biography

Driscoll, 2008-12-30 Reflections Of A B Movie Junkie is a tribute to the old B Movies of the Saturday Matinees of yesteryear Actually it is more of a homage to them or at least 6 genres of those film types that were so prevalent back in primarily the 40 s and 50 s Their research and discussion however in some instances dates all the way back to the beginning of the talkies of motion picture content and can extend in the other direction into the early 70s These 6 genres include the popular B Western The Comedy Teams The Jungle Adventures Sci Fi Fantasy Horror and the Serial or Chapter Plays so popular with the week end Matinee crowds back then These film types filled up our Saturday afternoons and evenings with exciting adventure curious wonder spine tingling horror and non stop action Often filmed on a shoe string budget and in a limited time frame many of these classics came to be looked upon by many fans as being so truly bad that they were good in a bad

sort of way They are thus categorized reviewed and discussed for the most part in a lovingly personal style especially when compared to the film types we are subjected to in today s market They had their place in film history and that time is long since gone But for some of us they have never been equaled which for others may indeed be a good thing **The Strong, Silent Type** Buck Rainey,2024-10-18 Many of the stars of silent westerns were young horse wranglers who left the open fields to make extra money bulldogging steers and chasing Indians around arenas in traveling Wild West shows They made their way to Hollywood when the popularity of the Wild West shows began to decline found work acting in action packed silent westerns and became idols for early moviegoers everywhere More than 100 of those cowboys who starred in silent westerns between 1903 and 1930 are highlighted in this work Among those included are Art Acord Broncho Billy Anderson Harry Carey Fred Cody Bob Custer Jack Daugherty William Desmond William Duncan Dustin Farnum William Farnum Hoot Gibson Neal Hart William S Hart Jack Holt Jack Hoxie Buck Jones J Warren Kerrigan George Larkin Leo Maloney Ken Maynard Tim McCoy Tom Mix Pete Morrison Jack Mower Jack Perrin William Russell Bob Steele Fred Thompson Tom Tyler and Wally Wales to name just a few Biographical information and a complete filmography are provided for each actor Richly illustrated with more than 300 movie stills **The Columbia Checklist** Len D.
