Sarah's Children:

Jephthah's Daughter, Sarah's Son Maria E. Doerfler, 2020-01-02 Late antiquity was a perilous time for children who were often the first victims of economic crisis war and disease They had a one in three chance of dying before their first birthday with as many as half dying before age ten Christian writers accordingly sought to speak to the experience of bereavement and to provide cultural scripts for parents who had lost a child These late ancient writers turned to characters like Eve and Sarah Job and Jephthah as models for grieving and for confronting or submitting to the divine Jephthah's Daughter Sarah's Son traces the stories these writers crafted and the ways in which they shaped the lived experience of familial bereavement in ancient Christianity A compelling social history that conveys the emotional lives of people in the late ancient world Jephthah's Daughter Sarah's Son is a powerful portrait of mourning that extends beyond antiquity to the present day **The Jezebel Syndrome** Daniel Klender, 2021-03-30 *The Jezebel Syndrome* by Daniel Klender

Sarah's Honeymoon Joe "Bondi" Beach, 2016-03-29 I met Sarah on her honeymoon We swam together we walked together we talked together I helped her see what I think she already knew Hot coffee and perfect croissants helped A woman who swims nude at dawn is a treasure everyone knows that I wasn't going to push her but I made sure she knew I would be there when and if she needed my help She did and I was *Sarah's Long Walk* Stephen Kendrick, Paul Kendrick, 2004 The never before told story of the African American child who started the fight for desegregation in America's public schools In 1847 on windswept Beacon Hill in Boston a five year old girl named Sarah Roberts was forced to walk past five white schools to attend the poor and densely crowded black school Incensed that his daughter had been turned away at each white school her father Benjamin sued the city of Boston on her behalf He turned to twenty four year old Robert Morris the first black attorney ever to win a jury case in America Together with young Brahmin lawyer Charles Sumner this legal team forged a powerful argument against school desegregation that has reverberated down through American history in a direct legal line to *Brown v Board of Education* When the Massachusetts Supreme Judicial Court ruled against Sarah Roberts Chief Justice Shaw created the concept of separate but equal an idea that affected every aspect of American life until it was overturned one hundred years later by Thurgood Marshall Today few have heard of the Roberts case or of the three thousand free blacks in Boston who fought valiantly and successfully long before the civil rights movement of the 1960s to integrate schools theaters and railway cars to legalize interracial marriage and to form the first black army regiment Now Stephen Kendrick and Paul Kendrick tell the inspiring story of the remarkable activist community of which Sarah and her family were a part bringing to light the human side of this crucial struggle Sarah's Long Walk recovers stories of black and white Boston of Beacon Hill in the nineteenth century and of all the concerned citizens both white and black who participated in the early struggles for equal rights The result is a rich historical tapestry a fascinating story of the courage and conviction of ordinary people who achieved extraordinary things *The J.M.
