from point A to point B Of course driving from point A to point B that s pretty much what people do in L A But then one day a mishap occurs a breakdown of sorts on Santa Monica Boulevard Soon the media takes notice and overnight Mr Madden is transformed into a pioneering cultural figure as his A to B thing goes viral and becomes the defining issue of our time Questions are asked solutions offered and blame assigned as therapists academics police and lawyers all get involved Safe to say no one escapes unscathed in this caustic irreverent and hilarious social satire Pierre Schlag is University Distinguished Professor and Byron R White Professor of Law at the University of Colorado He lives in the foothills of Boulder with his wife the author Elisabeth Hyde His three children have grown up and escaped relatively unharmed **Only Americans Burn in Hell** Jarett Kobek,2019-04-11 Brilliantly funny the best satire of our contemporary nightmare that you will ever see and very possibly the last Alan Moore It s 2019 and America is ruled over by a billionaire reality TV star Its media is owned by a transnational class of the shameless and the depraved And its people have been silently robbed of their wealth their dignity and their democracy In this brave new world going to see a superhero movie counts as activism and arguing with the other serfs on social media is political engagement BUT EVERYTHING S FINE as long as you never ever ask yourself who makes money from the ticket sales and the ratings or who owns Twitter It s 2019 and Jarett Kobek has done the only thing a dissident American novelist can do in those circumstances he s joined the party and written fantasy novel about an immortal fairy queen and a shadowy billionaire philanthropist sheikh called Dennis Hilarious provocative and unmissable **Only Americans Burn in Hell** is the only novel for our certifiably insane times The Great American Boogaloo Paul Flower,2022

Insurrection Resurrection James R. Keena,2001-05-01 Man is born free yet is everywhere in chains How did this happen Insurrection Resurrection provides an answer In this dark satire founding father Thomas Jefferson mysteriously appears in modern America to incite a second American Revolution out of revulsion for contemporary politics It s a tale of Alice in Wonderland surrealism Catch 22 farce and Atlas Shrugged philosophical controversy The antagonist is a tyrannical politician known only as the Head Honcho He controls the puppet strings of the U S government with the guile of Nixon the subterfuge of J Edgar Hoover the scandal of Clinton and the mystery of the X Files Smoking Man He s a ruthless power mongering juggernaut who continuously pursues reelection with animalistic Neanderthal fervor He believes in government of the politicians for the politicians and by the politicians He spews out innocuous slogans unkeepable promises contradictory positions and pompous deceit He s embroiled in a ceaseless witch hunt for a mysterious rebel known only as the Insurrectionist who is actually the resurrected Jefferson The protagonist is Freeman a career bureaucrat who plods along as the Head Honcho s public relations stooge Apathy and purposelessness haunt him He unwittingly becomes associated with Jefferson who gradually enlightens him about the absurdity of today s politics Through the unique perspective of the resurrected Jefferson it becomes apparent that the current American government is as corrupt and oppressive as the British monarchy we revolted against two centuries ago Astonished by the opulent lifestyles of American politicians the enormity of

the federal government and its utter disdain for ordinary taxpayers Jefferson organizes tax revolts exposes corrupt politicians and recruits citizen militias The Head Honcho counters with propaganda censorship murder and war to divert attention from his malfeasance and a comic series of governmental malfunctions Blood begins to flow in a crimson river all around him His behavior exemplifies a government run amok as he violates civil rights and turns the bureaucracy into an engine of surveillance to hunt down the Insurrectionist His surreptitious cover ups obstructions of justice and deceptions lead to a constitutional crisis and a public tidal wave of revulsion He creates a new state religion called Ismism a generic philosophy with zero principles all of which are politically correct This gives him lots of room to maneuver while avoiding clashes with facts To stave off mounting rebellions the Honcho enacts the Insurrection Act which gives him wartime powers to apprehend and prosecute suspected rebels The Act exemplifies the unadulterated goal of all governments which is self preservation at any cost to individual liberty Still the Insurrectionist eludes him Freeman becomes aware through his friend Jefferson that the American experiment has edged day by day month by month year by year away from its original premise and now threatens the American people with a bureaucratic leviathan more imposing and intrusive than all previous examples put forth by history It becomes clear that when government makes peaceful revolution impossible violent revolution is inevitable Utterly despondent the Honcho reminisces about days gone by when kings were kings serfs were serfs and everyone politely stayed in their place He travels back in time to England in 1775 where he becomes the tyrant King George to try to prevent the original American Revolution from happening in order to make America a more hospitable place for tyrants in subsequent centuries Unfortunately there s so much inertia behind the American drive for independence from British bureaucratic oppression that he s powerless to stop the revolution America s violent revolt creates humanity s first separation of church and state and establishes h
