savage phenomena are not especially full the account not undertaking to exhibit a complete view of the department The second part of the treatise undertakes to supply a substitute for the nihilistic doctrine this is that the idea of God as to use the writer s words a primal eternal being author of all things the father and friend of man the invisible omniscient guardian of morality belongs to the lowest savages who reverence this supreme deity without idol worship or sacrifice as immutable impeccable all seeing benevolent and lovable To establish a doctrine so widely different from received opinion one would expect to find an elaborate examination of savage morality in its higher aspect but the scope of inquiry is limited the most important part of the examination being concerned with Australians as examples of the lowest intelligence and with their mysteries *The Law Journal Reports* Henry D. Congress. House. Committee on Education and Labor. Subcommittee on Postsecondary Education, 1984 **Court of Appeals: New York: 488**, *The Mystic Rose* Alfred Ernest Crawley, 1927 **Revival: The Mystic Rose (1960)** Ernest Crawley, 2018-05-08 All study of the origins of social institutions must be based on what ethnology can tell us of the

psychology of the lower races and on the primitive conceptions of human relations which are thus established It is only in early modes of thought that we can find the explanation of ceremonies and systems which originated in primitive society and if ceremony and system are the concrete forms in which human relations are expressed an examination ethnological and psychological of human relations is indispensable for enquiry into human institutions
