L. M. Groube, Mark Bowden

Saxons And Vikings Discover Dorset S:

England Timothy Darvill, Jane Timby, Paul Stamper, 2002 Traveling around England is in many senses a journey back in time On all sides and sometimes even under the road or footpath itself there are fragments of the ancient past alongside the clutter of the modern world Medieval villages castles ancient churches and Roman villas are commonplace and take us back to the time of Christ And far older yet equally abundant are the barrows hillforts stone circles camps standing stones trackways and other relics of prehistoric times Now thanks to these three archaeologists each a specialist in one of the three periods covered by the Guide prehistoric Roman and medieval readers have the chance to not only explore but to understand in context these fascinating sites and ruins In addition to reporting on such well known sites as Stonehenge and Hadrian's Wall and cities such as London and York which themselves offer a wealth of archaeological remains the book also covers smaller lesser known sites throughout the country An introductory section provides background to the monuments and a reference section provides definitions further reading and information about museum collections Finally there are 200 photographs plans and maps that depict and describe these ancient remains in detail

The Church in Anglo-Saxon Society John Blair, 2005-01-20 From the impact of the first monasteries in the seventh century to the emergence of the local parochial system five hundred years later the Church was a force for change in Anglo Saxon society It shaped culture and ideas social and economic behaviour and the organization of landscape and settlement This book traces how the widespread foundation of monastic sites minsters during c 670 730 gave the recently pagan English new ways of living of exploiting their resources and of absorbing European culture as well as opening new spiritual and intellectual horizons Through the era of Viking wars and the tenth century reconstruction of political and economic life the minsters gradually lost their wealth their independence and their role as sites of high culture but grew in stature as foci of local society and eventually towns After 950 with the increasing prominence of manors manor houses and village communities a new and much larger category of small churches were founded endowed and rebuilt the parish churches of the emergent eleventh and twelfth century local parochial system In this innovative study John Blair brings together written topographical and archaeological evidence to build a multi dimensional picture of what local churches and local communities meant to each other in early England

A Date with the Two Cerne Giants Michael J. Allen, 2024-10-15 The date of the Cerne Giant has long been a matter for debate as exemplified by a public and televised debate of March 1996 published as The Cerne Giant An Antiquity on Trial 1999 Oxbow Books Excavations were conducted in 2020 by the National Trust in the centenary year of its ownership of the Giant The excavations were limited and targeted in extent and scope the aim was to date the actual construction of the iconic figure by absolute dating methods OSL As the 1999 publication explained the jury was still out with advocates for a prehistoric origin one connected to the period of the Civil War or a more modern one In the event the dates were a complete surprise falling within the Anglo Saxon period The research has provided an accurate scientifically verified date for the Cerne

Giant These unexpected results together with the land use history and ominous disappearance of the Giant for six centuries provide the platform for reconsideration and new discussion and debate Part 1 deals with new research the historical background and aims the excavation results stratigraphic finds geoarchaeological interpretation land use history environmental land snails and discussion Part 2 is the wider discussion and implications derived from the results and places the Giant in his local and Saxon context Part 3 begins with summaries of the other two excavated hill figures the Long Man of Wilmington and the Uffington White Horse followed by a series of essays from leading archaeologists historians and experts in early medieval iconography

Romans, Anglo-Saxons and Vikings in Britain Haydn Middleton, 2001 James Coleman has emerged in recent years as one of the most important artists of visual postmodernism His work has transformed critical debates about the status of the image in contemporary culture and influenced an entire generation of younger artists in ways that have not yet been fully acknowledged Until recently Coleman has enjoyed relatively little critical attention in part because of his refusal to comment on his projects or to allow his work to be reconstructed outside of the context of its exhibition

St Wulfsgie and Sherborne Katherine Barker, David Alban Hinton, Alan Hunt, 2005 Based on papers given at the 1998 conference held in Sherborne and with a new translation by Rosalind Love of the Life of St Wulfsgie by Goscelin of Saint Bertin T p

Gold and Gilt, Pots and Pins David A. Hinton, 2005-03-24 In medieval Britain people wore jewellery made of gold if they were rich of base metal if they were poor they might hoard their property or give it away to guarantee that they would have friends when needed and many of them paid tax on their possessions In *Gold and Gilt Pots and Pins* David Hinton reviews the significance of artefacts in this period From elaborate gold jewellery to clay pots he looks at what possessions meant to people at every level of society His emphasis is on their reasons for acquiring keeping displaying and disposing of the things that they wore and had in their houses Drawing on a wide range of physical and documentary evidence including objects from archaeological excavations and written sources he argues that the significance of material culture has not been properly taken into account in explanations of social change particularly in the later Middle Ages He also explores how identity was created and how social division was expressed and reinforced An overall review that looks at evidence in Scotland and Wales as well as in England this book ranges chronologically from the end of the Roman rule of Britain to the introduction of the new modes and practices that are usually termed Renaissance marked by the changes in religion Profusely illustrated the author provides a fascinating and illuminating window into the society of the Middle Ages

Danes in Wessex Ryan Lavelle, Simon Roffey, 2015-11-30 There have been many studies of the Scandinavians in Britain but this is the first collection of essays to be devoted solely to their engagement with Wessex New work on the early Middle Ages not least the excavations of mass graves associated with the Viking Age in Dorset and Oxford drew attention to the gaps in our understanding of the wider impact of Scandinavians in areas of Britain not traditionally associated with them Here a multidisciplinary and interdisciplinary approach to the problems of their study is presented While there may not have been

the same degree of impact discernible particularly in place names and archaeology as in those areas of Britain which had substantial influxes of Scandinavian settlers Wessex was a major theater of the Viking wars in the reigns of Alfred and thelred Unr d Two major topics the Viking wars and the Danish landowning elite figure strongly in this collection but are shown not to be the sole reasons for the presence of Danes or items associated with them in Wessex Multidisciplinary approaches evoke Vikings and Danes not just through the written record but through their impact on real and imaginary landscapes and via the objects they owned or produced The papers raise wider questions too such as when did aggressive Vikings morph into more acceptable Danes and what issues of identity were there for natives and incomers in a province whose founders were believed to have also come from North Sea areas if not from parts of Denmark itself Readers can continue for themselves aspects of these broader debates that will be stimulated by this fascinating and significant series of studies by both established scholars and new researchers

Proceedings of the Dorset Natural History and Archaeological Society Dorset Natural History and Archaeological Society,2005 List of members in each volume Embers of the Hands Eleanor Barraclough,2025-01-07 A New York Times Editors Choice A brilliantly written brilliantly conceived Tom Holland history of the Viking Age from mighty leaders to rebellious teenagers told through their runes and ruins games and combs trash and treasure In imagining a Viking a certain image springs to mind a barbaric warrior leaping ashore from a longboat and ready to terrorize the hapless local population of a northern European town Yet while such characters define our imagination of the Viking Age today they were in the minority Instead in the time stopping soils water and ice of the North Eleanor Barraclough excavates a preserved lost world one that reimagines a misunderstood society By examining artifacts of the past remnants of wooden gaming boards elegant antler combs doodles by imaginative children and bored teenagers and runes that reveal hidden loves furious curses and drunken spouses summoned home from the pub Barraclough illuminates life in the medieval Nordic world as not just a world of rampaging warriors but as full of globally networked people with recognizable concerns This is the history of all the people children enslaved people seers artisans travelers writers who inhabited the medieval Nordic world Encompassing not just Norway Denmark and Sweden but also Iceland Greenland the British Isles Continental Europe and Russia this is a history of a Viking Age filled with real people of different ages genders and ethnicities as told through the traces that they left behind Embers of the hands is a poetic kenning from the Viking Age that referred to gold But no less precious are the embers that Barraclough blows back to life in this book those of ordinary lives long past

The Little Book of Dorset David Hilliam,2010-12-26 The Little Book of Dorset is a funny fast paced fact packed compendium of the places people legends and true stories about the county s past and present

Year Book of the Viking Society for Northern Research Viking Society for Northern Research,1924 Year Book of the Viking Club, Society for Northern Research Viking Club, or Society for Northern Research,Viking Society for Northern Research,1924

The White Cliffs of Dover Britain's Heritage Coast Paul Harris,2013-11-15 A look at the history and heritage of the iconic

White Cliffs of Dover *The Vikings* Martyn Whittock, Hannah Whittock, 2018-06-22 The popular image of the Vikings is of tall red headed men raping and pillaging their way around the coast of Europe stopping only to ransack monasteries and burn longships But the violent Vikings of the 8th century became the pious Christians of the 11th century who gave gold crosses to Christian churches and in whose areas of rule pagan idols were destroyed and churches were built So how did this radical transformation happen and why What difference did it make to the Vikings and to those around them and what is their legacy today This book takes a global look at this key period in Viking history exploring all the major areas of Viking settlement Written to be an accessible and engaging overview for the general reader *A Short History of the Anglo-Saxons* Henrietta Leyser, 2016-11-01 Here lies our leader all cut down the valiant man in the dust The elegiac words of the Battle of Maldon an epic poem written to celebrate the bravery of an English army defeated by Viking raiders in 991 emerge from a diverse literature including Beowulf and Bede's Ecclesiastical History produced by the people known as the Anglo Saxons Germanic tribes who migrated to Britain from Lower Saxony and Denmark in the early fifth century CE The era once known as the Dark Ages was marked by stunning cultural advances and Henrietta Leyser here offers a fresh analysis of exciting recent discoveries made in the archaeology and art of the Anglo Saxon world Arguing that the desperate struggle led by Alfred the Great against the Vikings helped define a distinctively English sensibility the author explores relations with the indigenous British the Anglo Saxon conversion to Christianity the ascendancy of Mercia and the rise of Wessex This vivid history evokes both the emergent kingdoms of Alfred and Offa and the golden treasures of Sutton Hoo It will appeal to students of early medieval history and to all those who wish to understand how England was born *The Rough Guide to Dorset, Hampshire & the Isle of Wight* Amanda Tomlin, Matthew Hancock, 2010-02-01 The Rough Guide to Dorset Hampshire the Isle of Wight is your definitive handbook to one of the most beautiful and diverse holiday destinations in the UK From the wild heaths of the New Forest to the UNESCO recognised Jurassic Coast For every town and village there are comprehensive and opinionated reviews of all the best places to eat drink and stay to suit every budget There is plenty of practical advice for a host of outdoor activities from exploring the new South Downs National Park by bicycle or foot to world class windsurfing and yachting off the Isle of Wight coast The guide also takes a detailed look at the region's history culture literature and superb wildlife and comes complete with maps for every area Make the most of your time on Earth with Rough Guide to Dorset Hampshire the Isle of Wight **The Archaeology of Rural Dorset** L. M. Groube, Mark Bowden, 1982 **The Archaeology of Wild Birds in Britain and Ireland** Dale Serjeantson, 2023-06-29 The Archaeology of Wild Birds in Britain and Ireland tells the story of human engagement with birds from the end of the last Ice Age to about AD 1650 It is based on archaeological bird remains integrated with ethnography and the history of birds and avian biology In addition to their food value the book examines birds in ritual activities and their capture and role in falconry and as companion animals It is an essential guide for archaeologists and zooarchaeologists and will interest historians and naturalists concerned with the

history and former distribution of birds

While this might not be the Saxons And Vikings Discover Dorset S full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Saxons And Vikings Discover Dorset S eBooks, including some popular titles.

FAQs About Saxons And Vikings Discover Dorset S Books

What is a Saxons And Vikings Discover Dorset S PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Saxons And Vikings Discover Dorset S PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Saxons And Vikings Discover Dorset S PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or

Smallpdf, also offer basic editing capabilities. **How do I convert a Saxons And Vikings Discover Dorset S PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Saxons And Vikings Discover Dorset S PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
