The Loves of the Angels ... With Embellishments Thomas Moore,1823 After Eden Ezra Carias,2023-05-13 Aren and his fellow angels stopped Lucifer and the angels who chose to follow him from invading Heaven The Father then cast them into the deepest and darkest part of the Earth In the mean time God the Father restored the Earth and built a garden called Eden He has assigned different angels to do different tasks One of the tasks is to take care of the beings the Father created He calls them humans Lucifer managed to get to the Earth s surface He made his way to where the humans live the garden of Eden He leads the humans away from God the Father and as a result they get banished from the garden This is when they the angels serving the Father discover Kryvo one of the angels who fought against Lucifer has gone missing God the Father gives Aren a mission find Kryvo and bring him back to Heaven This mission will force Aren to examine the real motivation behind serving the Father as well as answering an important question did he pick the wrong side in the conflict between Lucifer and God the Father
