Lewis,2008-10 Finding God in the Mirror deals with the mental and spiritual struggle we experience in confronting the need for change in our lives and finding our way back to an intimate relationship with God Part One of this book talks about the importance of knowing who you are in God s eyes as opposed to the eyes of the world and encourages people to break away from the commonality of the world and to embrace peculiarity in the spirit I reflect on different influences in the world that cause us to fall short of God s glory in our lives such as fame popularity and materialism I also focus on our failure to sacrifice old ways lack of devotion to prayer and the downfall of seeking fulfillment in the arms of others instead of in the arms of God Part Two of this book is dedicated to the acknowledgement of God s faithfulness God is an attainable being who not only has all power and dominion in His hands but has more love in His heart than any other being The Dramatic Literature of Nawal El Saadawi Nawal El-Saadawi,2012-02-27 Nawal El Saadawi s most recent play God Resigns at the Summit Meeting created an uproar in her native Egypt On the basis of the title alone officials declared the work heretical and charged El Saadawi with insulting the Almighty God not just Islam Her prosecutors requested that all her books be destroyed that she be arrested on return to Egypt and her Egyptian nationality be revoked In the play the prophets and great women gather for a meeting with God

Satan arrives to tender his resignation but neither Jesus nor Mohammad nor Moses are willing to replace him Finally God himself resigns The second play in this collection is *Isis* a critique of the discriminatory rules that control women the daughters of Isis Both *God Resigns* and *Isis* incorporate key themes to El Saadawi s work that all religions are inimical to women and the poor that the oppression of women is reprehensible and not uniquely characteristic of the Middle East or the Third World and that free speech is fundamental to any society *Following Destiny* Rebecca J. Vickery,2009-10-24 Down on her luck Andrea Duncan inherits a house and a very special ring from her grandmother Suddenly she is hearing voices and discovers the ring opens a portal allowing her ancestors to speak to her A friendly local Sheriff and a mutt named Heidi bring laughter and love into her life But then she crosses paths with a serial killer Must Andrea die in order to follow her destiny *Hotel Ladd* Dianne Venetta,2013-08-07 After years of battling the Ladd family Annie Owens has finally procured her daughter s legacy title to Ladd Springs a mecca of streams and springs in the eastern Tennessee mountains only she can t afford to keep it Cal Foster s father owns the biggest bank in town and has devised a way to help Annie retain the property but when hotel developer Jillian Devane offers to buy the land outright Annie is torn She s tempted by the huge sum of money money that will secure her daughter Casey s future something Cal cannot guarantee According to Annie s sister Lacy Ward an insider with the Ladd family Jillian s proposal is tainted by revenge the depth of which Annie has no idea She only knows the woman is out to compete with the upcoming Ladd hotel making any deal with Jillian Devane tantamount to betrayal When Cal is offered a position with Hotel Ladd Annie is backed against a wall Selling to Jillian will end any hope for a future together with Cal a man she has come to love But it isn t until Casey s romance with Troy Parker blows apart that Annie s decision is made Will selling out exile Annie from the Ladd family including any chance for happiness with Cal Foster Or can she find a way to make amends ending a long standing feud once and for all Find out in this episode of Ladd Springs **The War In Heaven** Austin Hepworth,2018 The Book of Revelation in the Bible mentions a War in Heaven a war that took place prior to this earth s existence This War was waged by Lucifer against God and has already included many spiritual casualties in its wake including many who chose to follow Lucifer instead of God Little is known about the actual details of this War yet it offers potential to teach so much about the things of God we often struggle to understand One soldier in the War is born into a world of hardship a world where darkness penetrates the depths of his soul It is only through gaining an understanding of the War his own pre mortal history and principles such as faith and sacrifice that he can finally gain the strength he needs to overcome the darkness inside and rejoin the battle for God s most prized possession *Loving Myself in Order to Love You* Sharon Annette Pollard,2011-08-09 Many episodes of my life made me believe that I had actually found this unique and special love but as before it was an illusion This love I wished for would be a love that I had never experience before And I often wondered does this love even exist And God answered that question for me and that answer was yes It does exist but it must start with me In so many cases we as women are the ones that give our love so freely so openly and so honestly But in

return we accept the negativity of a relationship We accept the name calling the abuse whether its verbal or physical by the ones we have given our all This is not the love that God has blessed us with but the behavior that we have accepted and think it is love Life is a lesson learned daily The ups and the downs of relationships that we think are based on love are only stepping stones to a better understanding about love and how it is given and how it is accepted But first take a look in the mirror and admire the reflection you see looking back at you Love her respect her and admire her beauty her uniqueness She is rare one of a kind There is no one like her and her values are beyond any wealth It is only then when you began to love that person and accept that person you will learn what this unspeakable love is all about and how to receive and to give it without doubt
