**Come, Lord Jesus!** Stephen Motyer, 2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer's comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world

*The Second Coming of Jesus Christ* David L. Toney, 2015-02-10 While the turn of the century has seen a number of secular sources proclaiming the end of the world such as Y2K or the end of the Mayan calendar only to see these events come and go there persists yet another source that still

accurately foretells the events and phenomena we see play out on the world's scene. Instead of focusing on fleeting signs and events, the Bible shows us how a growing tide of global conflict, human suffering, and natural disasters points toward a powerful truth: we are living in the end times. In *The Second Coming of Jesus Christ: An Analysis of End Time Bible Prophecy*, author David L. Toney explores how contemporary events not only parallel but also signify the fulfillment of Bible prophecies throughout both the Old and New Testaments. From the return of the Jews to Israel as foretold in Ezekiel to the rise of the Antichrist as anticipated in Revelation, discover prophecies and the modern-day events related to the end of the six thousand-year reign of humanity, the stirrings of World War III, and the appearance of catastrophic natural phenomena. That we are living in the end times is good news for good people and bad news for bad people, and the most important event prophesied to take place in these latter years: the second coming of Jesus Christ will soon take place.

**The Second Coming of Jesus Christ** Hasanat Ahmad Syed, 2009-04 For I tell you, you will not see me again until you say, Blessed is he who comes in the name of the Lord. Matthew 23:39 Approximately three billion Christians and Muslims around the world hold the Second Coming of Jesus Christ as an article of faith. Both the Holy Bible and Holy Qur'an speak about this spiritually monumental event. Has He come again? Author Hasanat Syed, a journalist and research scholar, has documented evidence supporting the appearance of the Second Coming. He begins by describing four historical episodes that each occurred around the turn of the twentieth century and presents evidence of heavenly signs in each instance. Drawing on his deep knowledge of the subject, Syed combines thought from Christianity and Islam to marshal evidence with such conviction that nothing is left to doubt. Distinguishing this work from others, *The Second Coming of Jesus Christ* discusses this important event from a number of perspectives, drawing together multiple sources throughout the text. Christians, Muslims, and Hindus alike will be fascinated by this cogent discussion of an imminent Second Coming. This book is a must-read for anyone seeking answers to this heavily prophesied and centuries-old enigma.

[The Certainty of the Second Coming](#) Ernest Edward Zinke, 2000 The Second Coming of Jesus is the capstone of Scripture. But how does it relate to other teachings of the Bible? In what way are doctrines that launched the Protestant Reformation foundational to the certainty of the Advent? Ed Zinke connects the dots to reveal not only a coherent system of truth we can trust, but a reliable God we can love. He shows that doctrine is not an end in itself, but a means of understanding the One who is coming for us. This is a full message book. Foreword, Introduction, Is Christianity Christian? The Authority of the Bible and the Certainty of the Second Coming, Creation and the Certainty of the Second Coming, Of Relative Truths and Redemptive Symbols, The First Coming Prepares for the Second Coming, Salvation and the Certainty of the Second Coming, The Sanctuary and the Second Coming, Such a Cloud of Witnesses and the Second Coming, The Witness of the Remnant and the Second Coming, Should Our Nineteenth-Century Prophetic Schema Be Revised?
