**Let There Be Rock: The Story of AC/DC** Susan Masino,2020-09-03 Learn how this group of Australian mates became one of the few truly legendary rock and roll bands in history Author Susan Masino traces the band s roots from their beginnings in Sydney Australia in the early 1970s to trail blazing the U S mainstream to the devastating death of lead singer Bon Scott in 1980 After that tragedy the band pulled together and rebounded to the top of the charts with new front man Brian Johnson and their watershed album Back in Black The book follows the band through four decades of triumph and tragedy including Malcolm s last performances on the Black Ice tour and Angus picking up the torch Through it all AC DC continues their quest to build a legion of new fans in the 21st century Compiled from Susan Masino s interviews with the group across the last 40 years as well as dozens of new interviews with other musicians and friends of the band Let There Be Rock reveals the real story of AC DC

**In the Open** Timothy E. Donohue,1997-11-08 Timothy Donohue lives in a world we have seldom understood He spends his days in missions and flophouses daily labor offices and the work they provide public libraries in which this and other manuscripts have been written and many campsites in several states including Minnesota California Nevada and Hawaii These campsites are neglected corners of out of the way lots where Donohue pitches his small tent and keeps his belongings or they are culverts or abandoned boxes and containers where his gear is stolen Remarkably his writings have somehow survived his bouts of self destruction and the accidents and vicissitudes of his hard life We see his world from the inside We learn the coping strategies the natural reactions the logic and self deceptions of the homeless alcoholic Donohue remembers most of the details of his prodigious drinking Alcohol produces pleasant highs increasing his perceptual acuity and his poetic appreciation for landscape He experiences momentary optimism followed by pits of despair Alcohol becomes the Devil s visit the ruination of all plans the substance that leads him to alienate those he loves and even to insult strangers and otherwise behave in a manner for which he later feels revulsion and guilt Donohue tries to stop drinking using rational methods such as limiting his drinking to a predetermined amount but fails He inherits money which he will use

as the basis of a sober productive life but fails Yet his life is suffused with hope and will Donohue spends many nights in the desert writing songs and melodies He calls upon Emerson when discussing balance and natural justice in creation he reflects on Einstein s theories of space and how they confirm the existence of God He even develops an extensive proposal for food stamp reform while working for a food processing industry Donohue is an economist a composer a social critic a theologian and a writer whose prose is as honest and uncompromising as it is fluid and poetic In the Open is a brilliant journal Like Orwell s Down and Out it will make an enduring contribution to our understanding of a fringe of social life
