

Second Ordinary Congress Of The Rsdlp 1903

Hans Maier, Michael Schäfer

Second Ordinary Congress Of The Rsdlp 1903:

Second Ordinary Congress of the R.S.D.L.P., 1903 Rossiiskai[a] sot[s]ial-demokraticheskai[a] rabochai[a] partii[a]. S"ezd, Brian Pearce, 1978 **1903 [nineteen Hundred and Three]**, 1978 The Russian Social-Democratic Labour Party, 1899–1904 Richard Mullin, 2015-03-31 Much has been written about the activity of Lenin and his colleagues on the editorial board of the Iskra newspaper whereas little has been said about the opponents of Leninism who unsuccessfully fought for control of the Russian Social Democratic Labour Party during the Iskra period To redress the balance Richard Mullin has translated 25 documents from this period most of which express an anti Lenin view They include articles from Rabochee Delo the Jewish Bund s Poslednie Izvestiia and the post Lenin Iskra pamphlets by Plekhanov and Martov the resolutions of Party meetings and some very revealing private correspondence However the result is not an anti Bolshevik polemic through these documents a clearer and curiously flattering picture of Lenin s thought and activity is obtained

Revolutionary Social Democracy: Working-Class Politics Across the Russian Empire (1882-1917) Eric Blanc, 2021-06-29 This groundbreaking study rediscovers the socialists of Tsarist Russia s imperial borderlands upending conventional interpretations of working class politics the Russian Revolution and Second International socialism Based on archival research in eight languages Revolutionary Social Democracy is the first comparative account of the numerous socialist parties that fought for democracy and workers power across the entire span of the Russian Empire from the factories of Warsaw to the oil fields of Baku to the autonomous parliament of Finland By demonstrating that the Russian Revolution was far less Russian than commonly assumed Eric Blanc challenges long held assumptions of historians sociologists and activists about the dynamics of revolutionary change under autocratic and democratic conditions Listen to Lay Led Unions episode on Revolutionary Social Democracy Working Class Politics Across the Russian Empire 1882 1917 featuring Eric Blanc Also listen to a panel discussion of Eric Blanc s groundbreaking new book **A History of the Self-Determination of Peoples** Jörg Fisch, 2015-12-09 This book examines the conceptual and political history of the right of self determination of peoples

Witnesses to Permanent Revolution: The Documentary Record Richard B. Day, Daniel Gaido, 2009-02-23 The theory of Permanent Revolution has been associated with Leon Trotsky for more than a century since the first Russian Revolution in 1905 Trotsky was the most brilliant proponent of Permanent Revolution but by no means its sole author The documents in this volume most of them translated into English for the first time demonstrate that Trotsky was one of several participants in a debate from 1903 7 that involved numerous leading figures of Russian and European Marxism including Karl Kautsky Rosa Luxemburg Franz Mehring Parvus and David Ryazanov This volume reassembles that debate assesses it with reference to Marx and Engels and provides new evidence for interpreting the formative years of Russian revolutionary Marxism The Bolshevik Response to Antisemitism in the Russian Revolution Brendan McGeever, 2019-09-26 The first book length analysis of how the Bolsheviks responded to antisemitism during the Russian Revolution **Health and Welfare in St. Petersburg,**

1900-1941 Christopher Williams, 2018-06-12 In the first book to chart late Imperial and Soviet health policy and its impact on the health of the collective in Russia's former capital and second regime city Christopher Williams argues that in pre-revolutionary St Petersburg radical sections of the medical profession and the Bolsheviks highlighted the local and Tsarist government's failure to protect the health of poor peasants and the working class due to conflicts over the priority and direction of health policy budget constraints and political division amongst doctors They sought to forge alliances to change the law on social insurance and to prioritise the health of the collective Situating pre and post-revolutionary health policies in the context of revolutions civil war market transition and Stalin's rise to power Williams shows how attempts were made to protect the body Russian Soviet and to create a healthier lifestyle and environment for key members of the new Soviet state This failed due to shortages of money ideology and Soviet medical and cultural norms It resulted in ad hoc interventions into people's lives and the promotion of medical professionalization and then the imposition of restrictions resulting from changes in the Party line Williams shows that when the health of the collective was threatened and created medical disorder it led to state coercion

1903. *Second Ordinary Congress of the RSDLP*, 1978 Socialism in Georgian Colors Stephen F. Jones, 2005-11 Georgian social democracy was the most successful social democratic movement in Russia Despite its size it produced many of the leading revolutionaries of 1917 In the first of two volumes Jones writes the history of this movement which represented one of the earliest examples of European social democracy at the turn of the 20th century

Spontaneous Order and the Utopian Collective G. Nell, 2014-03-20 Vladimir Lenin Leon Trotsky and Nikolai Bukharin were the three leaders of the Russian Revolution who shaped the new society most both through their theories and their political leadership All three were motivated by the ideal of building a utopian collective Once in power they tirelessly tried to put their vision into practice but the Soviet system that resulted was nothing like the one they tried to create In *Spontaneous Order and the Utopian Collective* Nell takes her cue from the personal writings and documents of Lenin Trotsky and Bukharin to consider them anew from an Austrian theoretical perspective analyze the divergence between theory and practice using a spontaneous order framework and identify three interconnected prerequisites necessary for a utopian collectivist society Nell then asks whether it might be possible to create this utopian collective somehow and avoid the pitfalls of planning

Soviet Communism Stephen White, 2024-04-12 Soviet Communism 1989 contains the full text of the 1986 new and significantly revised foundational documents of Soviet Communism the Programme and Party Rules changes agreed following Mikhail Gorbachev's call for the radical and democratic reform of the Party and of the Soviet political system as a whole

1903 [nineteen-hundred-and-three], second ordinary congress of the RSDLP, Vtoroj očerednoi S-ezd Ross, 1978 *Lenin's Electoral Strategy from Marx and Engels through the Revolution of 1905* August H. Nimtz, 2016-04-30 This book explores the time in which Lenin initiated his use of the electorate beginning with the Marxist roots of his politics from his leadership of Russian Social Democratic Labor Party in the First and Second State Dumas to Russia's first

experiment in representative democracy from 1906 to 1907 **From the Other Shore** André Liebich,1997 This book is an inquiry into the possibilities of politics in exile Russian Mensheviks driven out of Soviet Russia and their party stripped of legal existence functioned abroad in the West in Berlin Paris and New York for an entire generation For several years they also continued to operate underground in Soviet Russia Bereft of the usual advantages of political actors the Mensheviks succeeded in impressing their views upon social democratic parties and Western thinking about the Soviet Union The Soviet experience through the eyes of its first socialist victims is recreated here for the first time from the vast storehouse of archival materials and eyewitness interviews The exiled Mensheviks were the best informed and most perceptive observers of the Soviet scene through the 1920s and 1930s From today s perspective the Mensheviks analyses and reflections strikingly illuminate the causes of the failure of the Soviet experiment This book also probes the fate of Marxism and democratic socialism as it tracks the activities and writings of a remarkable group of men and women including Raphael Abramovitch Fedor and Lidia Dan David Dallin Boris Nicolaevsky Solomon Schwarz and Vladimir Woytinsky entangled in the most momentous events of this century Their contribution to politics and ideas in the age of totalitarianism merits scrutiny and their story deserves to be told **Lenin** James D. White,2017-03-14 A political and intellectual biographical study of Lenin which focuses on those aspects of his thought and political activities that had a bearing on the accession of the Bolsheviks to power in Russia in 1917 and the creation of the Soviet state The book places Lenin in the context of his times and shows his relationship to other socialist thinkers In particular it locates Lenin within the development of Marxist thought in Russia Its historiographical chapter reveals the political factors which influenced the way biographies of Lenin were written in the Soviet Union The book makes extensive use of first hand materials including sources from the Russian archives **Socialist Europe and Revolutionary Russia** Bruno Naarden,2002-05-02 This book analyses perceptions and images of Russia held by European socialists from 1848 to the 1920s **Totalitarianism and Political Religions, Volume II** Hans Maier,Michael Schäfer,2007-12-24 Totalitarianism and Political Religions Volume II available for the first time in English translation features contributions from leading scholars of political extremism sociology and modern history Based upon a seminal conference on political religions edited by eminent Professor Hans Maier the book seeks to define the term and explore its application to the interpretation of a wide variety of totalitarian movements in Europe in the twentieth century

Lenin's Electoral Strategy from 1907 to the October Revolution of 1917 August H. Nimtz,2014-03-13 This book is the first full length study of Lenin s party building project and writings on elections looking in detail at his leadership of the Bolshevik wing of the Russian Social Democratic Labor Party in the four state Dumas from 1906 to the beginning of the First World War *World Bolshevism* Iulii Martov ,2022-02-28 Beginning in 1903 the Russian Social Democratic Labour Party was divided into opposing sections one led by Vladimir Lenin the other by Iulii Martov Until 1917 both Lenin and Martov were equally prominent figures in Russian politics Martov an anti war socialist intellectual from a Jewish background wrote

prolifically for a number of important publications inside and outside Russia Although the books articles and pamphlets written by Lenin during the same period remain readily available today those by Martov are extremely hard to find in their original Russian or in translation Following Martov s untimely death in 1923 a Russian language edition of one of his books World Bolshevism was published But it was only in 2000 after decades of extreme censorship that parts of the book were legally published in Russia In English this work has reached the public in pieces often as a part of pamphlets with limited circulation This edition which includes an introduction by Paul Kellogg that contextualizes the work and reintroduces Martov as an important thinker to a twenty first century readership makes Martov s work available in its complete form for the first time in a hundred years
