importance so as to preserve the domestic and industrial life of the Nation to speed up war time activities to maintain them in a status of maximum efficient production and to pave the way to a speedy return to normal peacetime pursuits while recruiting the full fighting strength of the Nation these are results which would be instantly rejected as impossible did not the actual facts stand as irrefutable testimonials of their accomplishment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Final Report of the Provost Marshal General to the Secretary of War on the Operations of the Selective Service System to July 15, 1919* United States. Williams, 2023-04-04 Named A Best Book of the Year by The New Yorker The Washington Post and The Christian Science Monitor Longlisted for the PEN Jacqueline Bograd Weld Award for Biography A MAAH Stone Book Award Finalist The dramatic story of W E B Du Bois's reckoning with the betrayal of Black soldiers during World War I and a new understanding of one of the great twentieth century writers When W E B Du Bois believing in the possibility of full citizenship and democratic change encouraged African Americans to close ranks and support the Allied cause in World War I he made a decision that would haunt him for the rest of his life Seeking both intellectual clarity and personal atonement for more than two decades Du Bois attempted to write the definitive history of Black participation in World War I His book however remained unfinished In *The Wounded World* Chad Williams offers the dramatic account of Du Bois's failed efforts to complete what would have been one of his most significant works The surprising story of this unpublished book offers new insight into Du Bois's struggles to reckon with both the history and the troubling memory of the war along with the broader meanings of race and democracy for Black people in the twentieth century Drawing on a broad range of sources most notably Du Bois's unpublished manuscript and research materials Williams tells a sweeping story of hope betrayal disillusionment

and transformation setting into motion a fresh understanding of the life and mind of arguably the most significant scholar activist in African American history In uncovering what happened to Du Bois s largely forgotten book Williams offers a captivating reminder of the importance of World War I why it mattered to Du Bois and why it continues to matter today
