**The Battle of Hanover Court House** Michael C. Hardy,2024-12-04 One year into the Civil War beset by military and political pressures General George B McClellan committed his Army of the Potomac to the Peninsula Campaign with the capture of Richmond his ultimate goal Hampered by Lincoln's demand for troops to protect Washington a limited Union Army entered a series of battles around the community of Hanover Court House Virginia Although they forced a Confederate retreat they missed the opportunity to press on and capture Richmond an opportunity that never came again Here is the first detailed look at the battle most widely known as Hanover Court House and Slash Church focusing on the engagements between Union V Corps commander Fitz John Porter and Confederate General Lawrence O Bryan Branch Photographs are included along with appendices featuring the official reports of both commanders and lists of casualties from both sides

This Birth Place of Souls Jane E. Schultz,2010-11-10 After the battle of Antietam in 1862 Harriet Eaton traveled to Virginia from her home in Portland Maine to care for soldiers in the Army of the Potomac Portland's Free Street Baptist Church with liberal ties to abolition established the Maine Camp Hospital Association and made the widowed Eaton its relief agent in the field One of many Christians who believed that patriotic activism could redeem the nation Eaton quickly learned that war was no respecter of religious principles Doing the work of nurse and provisioner Eaton tended wounded men and those with smallpox and diphtheria during two tours of duty Eaton struggled with the disruptions of transience scarcely sleeping in the same place twice but found the politics of daily toil even more challenging Conflict between Eaton and coworker Isabella Fogg erupted almost immediately over issues of propriety Though Eaton praised some of the surgeons with whom she worked she labeled others charlatans whose neglect had deadly implications for the rank and file If she saw villainy she also saw opportunities to convert soldiers and developed an intense spiritual connection with a private which appears to have led to a postwar liaison Published here for the first time the uncensored nursing diary is a rarity among medical accounts of the war showing Eaton to be an astute observer of human nature and not as straight laced as we might have thought This edition includes an extensive introduction by the editor transcriptions of relevant letters and newspaper articles and a comprehensive biographical dictionary of the people mentioned in the diary      The Fredericksburg Campaign: Winter War on the Rappahannock Francis Augustin O'Reilly,2006      *Correspondence of Major General Emory Upton, Vol. 1, 1857-1875* Salvatore Cilella,2024-01-12 Emory Upton 1839 1881 was thrust into the Civil War immediately upon graduation from the United States Military Academy at West Point in May of 1861 He was wounded three times during the war He

participated in nearly every major battle in the Eastern Theater including Fredericksburg Gettysburg and Spotsylvania where he led a prominent attack on entrenched Confederate positions a signal of Upton's brilliance as an officer and of his military creativity that foreshadowed his later work in revising the Army's tactics Upton was mustered out of service in 1866 and later named commandant of cadets at West Point a position that carved a path for Upton to focus more on Army tactics and reforms Until now the only lenses through which scholars could study Upton were two biographies published nearly a century apart but practically identical in scope and treatment The two volume *Correspondence of Major General Emory Upton* follows Upton through his enrollment at West Point to his extensive Army activities following the Civil War and contains the bulk of his wartime correspondence Volume one with Upton's Civil War correspondence encompasses both larger battle details and day to day activities in the life of a soldier His letters reveal a mercurial individual a humorous person used to suffering and rejoicing who could be flawed and brilliant vain and humble These selected letters and reports expertly annotated and gathered from repositories across the country present a more complex human Emory Upton He is both the clean pure and spotless individual of biographies and the ambitious yet flawed Army officer obsessed with his career These volumes explore his trials and frustrations as well as his triumphs Salvatore G Cilella Jr now retired was president of the Atlanta Historical Society He is the author of *Upton's Regulars The 121st New York Infantry in the American Civil War and Fund Raising for Small Museums in Good Times and Bad* *Historical Dictionary of the Civil War* Terry L.
