Christman, 2024-10-17 He took the blind man by the hand and when he had spit on his eyes and laid his hands on him he asked him Do you see anything He said I see men but they look like trees walking Then Jesus laid his hands on his eyes again and he saw everything clearly Mark's account of a blind man needing two healing touches from Jesus graphically depicts the stubborn blindness of his disciples Peter epitomized this blindness when he was tempted by the popular view that Jesus was the Rome conquering savior of Israel rather than the suffering Servant of God Also the disciples didn't understand that Jesus miraculously fed the famished crowds with a few loaves and fish to meet immediate need and provide leftover fragments of food for future need Salvation was pictured for all time Essentially Mark's Gospel gathered leftovers historical fragments of Jesus' life to convey God's salvation across history to those Kierkegaard called the follower at second hand Like Peter disciples and even the crowds are tempted to false salvations where self is lost But ironically persons only become a self by taking up their own cross enabled by Jesus' second touch My Wounds Have Made Me Well Ruth Morgan Reynolds, 2015-08-30 We all experience loss and tragedy in our lives We can be wounded emotionally and physically Sometimes the wounds never heal For some of us the scars will remain forever serving as a constant reminder of our hardship We must learn to cope and get back on our feet Learning how others have dealt with severe injury and handicaps can help guide us to recovery and provide reassurance that we are not alone But we are never really alone God is always by our side My Wounds Have Made Me Well tells the story of Ruth Morgan Reynolds' quest to pull her life back together after a 5 ton work truck slammed into her vehicle head on while she drove home from work one day Her plans for her life were derailed her mobility became limited and she felt lost and adrift In despair and anguish she began to read the Bible from a

Lowry,2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12 13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark s narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the

1950s The hope is these stories will encourage readers of Mark and groups of his readers to raise other possibilities
