Second Look At The Second Coming:

A Second Look at the Second Coming T. L. Frazier, 2005-05-25 Read a balanced well researched treatment of the end times interpreted from the Christian East by faithful Orthodox saints martyrs and Spirit filled Fathers of the Faith Historic Christian teaching on the rapture the millennium the state of Israel and the role of the Church in the last days *The Demonic in the Political Thought of Eusebius of Caesarea* Hazel Johannessen, 2016 Through close literary analysis of the original Greek texts Hazel Johannessen explores how Eusebius of Caesarea c 260 339 used ideas about demons in his political thought **Taking a Second Look at the Second Coming** Les Brittingham, 2015-08-17 Taking a Second Look at the Second Coming discusses in detail seven roadblocks that have prevented us from having a simple approach to the Second Coming of Christ Author Les Brittingham believes that end time events have become so complicated and confusing that many preachers teachers and believers in general no longer want to study this topic It is time for a fresh simple approach to eschatology and end time teachings that is simple and life changing This book challenges the accuracy of many current popular prophetic teachings by discussing in a scholarly yet simple way topics such as the Rapture Israel and the Church the Tribulation Period the signs of Jesus Coming and the antichrist Many of these teachings that have dominated our views of the end times need to be reexamined and challenged in the light of God s Word After reading Taking a Second Look at the Second Coming one will find a freedom to study teach and proclaim these topics with a newfound insight and enthusiasm Brittingham takes a thoughtful and disciplined approach to the event that Jesus promised Thom Schultz CEO Group Publishing author of The 1 Thing and Why Nobody Learns Much of Anything at Church And How to Fix It This book is a must read Les brings much needed clarity to the biblical teachings on the end times and the Second Coming of Christ Charles Kohl Veteran Missionary to the Arabs International Director of Olive Branch Outreach Les makes a very compelling argument that there is nothing more that needs to occur before Jesus can return to earth Regardless of your position on the end times and prophecy I believe you will gain a refreshing new perspective on the subject Rick Olmstead Senior Pastor Vineyard Fort Collins and Regional Overseer Vineyard Community of Churches USA For other books written by Les please visit our web page at www.mannari.com Library of Congress Subject Headings Library of Congress, Library of Congress. Hudson, 2006-08 The Bible uses the analogy of physical birth and growth in order to illustrate how one becomes a child of God and how as such spiritual growth and development then become possible Dr Hudson expounds systematically how the biblical principles in the analogy should be understood and applied His discussion of Diet and Discipline under the regimen of faith carry over into steady spiritual growth and development He invites all Christians to consider what is expected of them even in their daily living if they expect to bring glory to God He does not pull any punches but lets his reader know that continuing a childlike level of development can not only bring discontentment to himself but

also great displeasure to God **Psychiatry and Neuroscience Update** Pascual Ángel Gargiulo, Humberto Luis Mesones Arroyo, 2021-01-23 This broad and thought provoking volume provides an overview of recent intellectual and scientific advances that intersect psychiatry and neuroscience offering a wide range of penetrating insights in both disciplines The fourth volume on the topic in the last several years from a varying panel of international experts identifies the borders trends and implications in both fields today and goes beyond that into related disciplines to seek out connections and influences Similar to its three Update book predecessors Psychiatry and Neuroscience Volume IV presents a range of interesting topics in the main disciplines psychiatry and neuroscience and attempts to provide deeper comprehension or explication of the normal and diseased human mind its biological correlates and its biographical and existential implications This engaging volume continues the previous style of exploring different disciplines and trying to integrate disciplinary evidence from varying points of view in an organic manner The first section is about epistemological considerations regarding the study of normal and abnormal human behaviors including for example the topic of phenomenological psychopathology and phenomenological psychiatry in relation to schizophrenia and substance misuse among other topics Section 2 addresses issues around the translation of basic neuroscience to expression in the human brain and behavioral implications Section 3 discusses the issues of learning teaching and the role of social environment in the field of neuroscience Finally section 4 reviews various perspectives on explaining human pathological behaviors from brain disorders to psychopathology

Christian Zionism Stephen Sizer,2021-09-13 I am glad to commend Stephen Sizer s groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer s Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone s perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn t be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer s work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer s doctoral thesis is of seminal

significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok Finishing History Well , *Your Irresponsible, Lawless, and Anarchist Beast Government, Form #05.054* Sovereignty Education and Defense Ministry (SEDM),2023-02-06 Proves both spiritually and with legal evidence useful in court that modern western governments are the biblical Beast spoken of in the Bible **Christianity Is a White Collar Job** Les Brittingham,M DIV Les Brittingham B S,2011-04-04 In Christianity is a White Collar Job author Les Brittingham boldly states that Nothing of spiritual significance happens on the earth apart from the active ministry of the priestly church Three aspects of the believer s priesthood are discussed in this compelling work the priest position the temple place and the sacrifice offerings practices Each is explained in three dimensions the Old Testament foreshadowing the person of Jesus Christ fulfillment and the church forwarding You will gain a new perspective on how to change your world through your priesthood by being the church and not just going to church This work is a must read for anyone serious about the work of the kingdom This book is classic Les Brittingham While laying a rich theological foundation he challenges believers to get up out of the church seat and take up the role as world changing priests in God s kingdom This powerful and unique work encourages us to leave behind the unimportant and embrace with vision and passion our true calling as priests of the Most High God Once again Les is more TODD and MEGAN MACGAFFEN Former pastors and American diplomats in the Middle East now working in Indonesia among Muslims Les Brittingham is a Bible scholar who has been teaching biblical studies in various academic settings for over 25 years and he was a pastor in the Foursquare denomination for 15 years He is also the author of a popular trilogy on the prophetic Taking a Second Look at the Second Coming Decoding Daniel and Revelation Unraveled as well as Kingdom Combat a treatise on spiritual warfare **Taking A 2nd Look At The 2nd Coming** Les Brittingham,2004-07 Taking a 2nd Look at the 2nd Coming discusses in detail seven roadblocks that have prevented us from having a simple approach to studying the second coming of Christ End time events have become so complicated and confusing that many preachers teachers and believers in general no longer want to study this topic It is time for a fresh simple approach to eschatology and end times teachings This book challenges the accuracy of many current prophetic teachings by discussing in a scholarly yet simple way topics such as the rapture the meaning of the last days Israel and the church the 70th week of Daniel the signs of Jesus coming and the antichrist Many of these teachings that have dominated our views of eschatology need to be reexamined in light of God s Word After reading this book one will find a freedom to study and teach these topics with a newfound insight **False Dawn** Lee Penn,2004 The interfaith movement which began with the 1893 World s Parliament of Religions in Chicago has grown worldwide Although this movement has been largely unknown to the public it now provides a spiritual face for globalization the economic and political forces leading us all from nationalism to One World The most ambitious organization in today s interfaith movement is the United Religions Initiative URI founded by William Swing the Episcopal Bishop of

California Investigative reporter Lee Penn a Catholic ex Marxist exhaustively documents the history and beliefs of the URI and its New Age and globalist allies the vested interests that support these movements and the direction they appear to be taking The interfaith movement is no longer merely the province of a coterie of little heeded religious idealists with grandiose visions The URI s proponents have ranged from billionaire George Soros to President George W Bush from the far right Rev Sun Myung Moon to the liberal Catholic theologian Hans K ng and from the Dalai Lama to the leaders of government approved Protestant churches in the People s Republic of China The interfaith movement including the URI is being promoted by globalist and New Age reformers who favor erosion of national sovereignty marginalization of traditional religions establishment of global governance and creation of a new Earth based global spirituality in effect a one world religion Therefore the URI and the interfaith movement are poised to become the spiritual foundation of the New World Order the new civilization now proposed by Mikhail Gorbachev the last leader of the Soviet Union In The Reign of Quantity and the Signs of the Times French metaphysician Ren Gu non spoke of the anti tradition the forces of materialism and secular humanism finally giving way to the counter tradition the satanic inversion of true spirituality leading to the regime of Antichrist The anti tradition weakens and dissolves traditional spiritualities after which the counter tradition sets up a counterfeit in their place Since Gu non s time as is well known anti traditional forces have greatly advanced worldwide It is less well known that counter traditional movements have also made great strides and now stand closer to the centers of global political and religious power than ever before The counter tradition is making inroads on the political and cultural Right as much as it is doing on the Left False Dawn painstakingly documents these trends and speculates on their future development In so doing the author takes investigative reporting to the threshold of prophecy and gives us a stunningly plausible picture of the global religious landscape of the 21st century This extraordinary project is the literary equivalent of turning over a flat rock There is much to be seen and learned here all of it unsettling disquieting occasionally downright scary William Murchison Radford Distinguished Professor Baylor University When a bishop of a Christian church happily worships alongside a Wiccan invoking other gods something has gone horribly wrong In False Dawn Lee Penn has produced a comprehensive and critical history of the United Religions Initiative This book sounds a clear warning Anyone who makes theological truth subservient to utopianism denigrates all religions Douglas LeBlanc Editor GetReligion org
