The Expression of Inequality in Interaction Hanna Pishwa, Rainer Schulze, 2014-05-15 In keeping with the profile of Pragmatics the volume including contributions by international scholars from various disciplines such as linguistics sociology and social psychology rather emphasizes the co constructedness of these concepts in ordinary discourse and thus advances the potential for insights into how aspects of inequality power dominance and status are both made and understood This volume has been designed to promote recent research on a classic topic relating discursive cognitive and social dimensions of inequality in most of the social sciences and the humanities The volume aims at an international readership making this book of interest to both researchers and advanced students in linguistic pragmatics usage based linguistics ethnography of speaking sociology and social psychology

Disgrace Joanna Bourke, 2022-09-26 Looking across time and the globe a critical history of sexual violence what causes it and how we overcome it Disgrace is the first truly global history of sexual violence The book explores how sexual violence varies widely across time and place from nineteenth century peasant women in Ireland who were abducted as a way of forcing marriage to date raped high school students in twentieth century America and from girls and women violated by Russian soldiers in 1945 to Dalit women raped by men of higher castes today It delves into the factors that facilitate violence including institutions ideologies and practices but also gives voice to survivors and activists drawing inspiration from their struggles Ultimately Joanna Bourke intends to forge a transnational feminism that will promote a more harmonious equal and rape and violence free world

Consent Alan Reed, Michael Bohlander, Nicola Wake, Emma Smith, 2016-10-14 This volume presents a leading contribution to the substantive arena relating to consent in the criminal law In broad terms the ambit of legally valid consent in extant law is contestable and opaque and reveals significant problems in adoption of consistent approaches to doctrinal and theoretical underpinnings of consent This book seeks to provide a logical template to focus the debate The overall concept addresses three specific elements within this arena embracing an overarching synergy between them This edifice engages in an examination of UK provisions with specialist contributions on Irish and Scottish law and in contrasting these provisions against alternative domestic jurisdictions as well as comparative contributions addressing a particularised research grid for consent The comparative chapters provide a wider background of how other legal systems treat a variety of specialised issues relating to consent in the context of the criminal law The debate in relation to consent principles continues for academics practitioners and within the criminal justice system Having expert descriptions of the wider issues surrounding the particular discussion and of other legal systems approaches serves to stimulate and inform that debate This collection will be a major source of reference for future discussion

The Crucifixion of Jesus David Tombs, 2022-11-28 Roman crucifixions sought to degrade and dehumanise their victims in ways that destroyed their dignity and stigmatised their memory Paul speaks of the cross as a scandal or stumbling block but the significance of

this language has never been explored in terms of sexual violence The Crucifixion of Jesus examines crucifixion as a form of torture state terror and sexual abuse It reads recent accounts of torture alongside the presentation of crucifixion in the Passion narratives and other Greek and Roman sources Outlining compelling reasons for viewing Jesus as a victim of sexual abuse it examines why this unsettling aspect of the narrative has remained hidden in plain sight for so long and what place it might have in discussions of rape culture past and present It also asks whether other acts of sexual violence and rape might have happened during the mockery in the praetorium or even on the cross itself It argues that although the acknowledgement of this unspeakable violence is deeply disturbing breaking the silence can nonetheless have constructive consequences In addition to offering a more historical understanding of crucifixion this book illuminates positive new aspects of resurrection making it a probing read for scholars of biblical studies and for those interested in the interplay of religion and violence

Sexual Assault on the College Campus Martin D. Schwartz, Walter DeKeseredy, 1997-01-02 For many students coeducational college campus life is marred by traumatic experiences of sexual assault While there are many social determinants of rape and attempted rape this work examines the pivotal role of male peer support in legitimizing the sexual assault of women The authors use extensive prior studies together with their own investigations including a national representative study and local campus victimization surveys carried out in the United States and Canada

Kimmel, 1999 What are the best ways to do research on the psychology of women and gender Within feminist psychology there is a great deal of methodological creativity and diversity This volume highlights how familiar methods such as focus groups can be brought to bear on feminist issues It demonstrates less common methods such as Q sort phenomenological analysis concept mapping and discourse analysis Moreover it explores the role of personal values interpersonal dynamics and sociopolitical influences on the research process Over 60 international contributors share insights into adolescent girls and adult women s sexuality violence and its prevention life patterns and narratives the teaching research nexus gender and race in clinical practice and more Included is a comprehensive resource guide for research publication and teaching on methodological diversity

The Trauma of Sexual Assault Jenny Petrak, Barbara Hedge, 2003-07-07 The psycho social needs of victims of rape and sexual assault are increasingly recognised and there is a need for a critical synthesis of knowledge and practice to support the development of training and best practice in the mental health and sexual health professions The Trauma of Sexual Assault provides an understanding of the theoretical underpinning of the wide range of clinical problems that can follow sexual assault Focusing on adult victims of sexual assault this book brings together research findings theoretical perspectives and implications for treatment longer term management and future policy The first text to consider the psychological impact of sexual assault on women and men Incorporates a comprehensive flow through model of psychological and social management from the initial presentation of the assaulted person onwards A much needed reference accessible to a wide range of professionals Part of the Wiley Series

in Clinical Psychology *Courts* Cassia Spohn, Craig Hemmens, 2009 *Courts A Text Reader* provides the best of both worlds authored text Sections with carefully selected accompanying Readings that illustrate the questions and controversies legal scholars and court researchers are investigating in the 21st century The articles from leading journals in criminology and criminal justice reflect both classic studies of the criminal court system and state of the art research and often have a policy perspective that makes them more applied less theoretical and more interesting to both undergraduate and graduate students This unique Text Reader is primarily intended for undergraduate and graduate courses on the criminal court system and or judicial processes BOOK JACKET Gender, Sexuality and Constitutionalism in Asia Wen-Chen Chang, Kelley Loper, Mara Malagodi, Ruth Rubio-Marín, 2023-12-28 This book analyses the equal citizenship claims of women and sexual and gender diverse people across several Asian jurisdictions The volume examines the rich diversity of constitutional responses to sex gender and sexuality in the region from a comparative perspective Leading comparative constitutional law scholars identify opportunity structures to explain the uneven advancement of gender equality through constitutional litigation and consider a combination of variables which shape the diverging trajectories of the jurisdictions in this study The authors also embed the relevant constitutional and legal developments in their historical political and social contexts This deep contextual understanding of the relationship between sex gender sexuality and constitutionalism greatly enriches the analysis The case studies reflect a variety of constitutional structures institutional designs and contextual dynamics which may advance or impede developments with respect to sex gender and sexuality As a whole the chapters further an understanding of the constitutional domain as a fruitful site for advancing gender equality and the rights of sexual and gender diverse people The jurisdictions covered represent all Asian sub regions including East Asia Japan Taiwan Hong Kong and South Korea South East Asia Malaysia Singapore Philippines and Indonesia and South Asia India Nepal Pakistan and Sri Lanka The introductory framework chapter situates these insights from the region within the broader global context of the evolution of gender constitutionalism **African Women Under Fire** Pauline Ada Uwakweh, 2017-03-16 African writers and literary critics must account for the changing political terrain and how these contribute to creating new sources of conflicts and aggression toward women This book brings insight and scholarly breadth to the growing research on women war and conflict in Africa The aftermath of wars and conflicts initiates new forms of violence and related gender challenges The contributors establish compelling evidence for the significance of gender in the analyses of contemporary warfare and conflict Articulating war s consequences for women and children remains a major challenge for critics policy makers and human rights organizations There is a need for deeper understanding of the new sources of violence and male aggression on women the gendered challenges of reintegration in the aftermath and the future consequences of gendered violence for the African continent This book will be useful to scholars researchers instructors students of literature in the humanities women s studies liberal studies African studies etc at both undergraduate and graduate levels It also offers interdisciplinary utility for readers interested in

literary representations of women's experience in war and conflict **'Rough Sex' and the Criminal Law** Hannah Bows, Jonathan Herring, 2022-11-07 Bows and Herring expertly collate an extensive mix of perspectives on the topic of rough sex to contribute to a powerful feminist investigation of this critical and timely debate *Physical and Psychological Health Following Military Sexual Assault* Coreen Farris, Terry L. Schell, Terri Tanielian, 2013-02-27 This paper reviews data on the prevalence of sexual assault among servicemembers predictors of disclosure efforts to improve disclosure victim needs and DoD efforts to provide necessary resources in the immediate aftermath of a sexual assault The authors compared civilian and DoD guidelines for care and found them to be generally consistent However little is known about the fidelity with which DoD recommendations are implemented *The Stains of Imprisonment* Alice Ievins, 2023-01-24 A free open access ebook is available upon publication Learn more at www.luminosoa.org Recent decades have seen a widespread effort to imprison more people for sexual violence The Stains of Imprisonment offers an ethnographic account of one of the worlds that this push has created an English prison for men convicted of sex offenses This book examines the ways in which prisons are morally communicative institutions instilling in prisoners particular ideas about the offenses they have committed ideas that carry implications for prisoners moral character Investigating the moral messages contained in the prosaic yet power imbued processes that make up daily life in custody Ievins finds that the prison she studied communicated a pervasive sense of disgust and shame marking the men it held as permanently stained Rather than promoting accountability this message discouraged prisoners from engaging in serious moral reflection on the harms they had caused Analyzing these effects Ievins explores the role that imprisonment plays as a response to sexual harm and the extent to which it takes us closer to and further from justice *Surviving Sexual Violence* Thema Bryant-Davis, 2011-10-16 Victims of sexual assault experience their trauma in different ways and often one path to recovery and healing is right for one person but not right for another While there are some general mental health effects of sexual violence this book outlines and describes the impact of particular types of sexual violation Whether the survivor has experienced childhood sexual abuse sexual assault during adulthood marital rape sexual harassment sex trafficking or sexual violence within the military they will find aspects of her experience in these pages Once survivors understand the ways in which they have been affected they are introduced to various pathways to surviving sexual violence and moving forward The chapters provide case examples and specific activities which give a fuller description of the ways survivors can make use of the particular approaches which include mind body practices counseling group therapies self defense training and others Anyone who has been a victim of sexual violence or knows and cares about someone who has will find relief in these pages which offer practical approaches to finding balance and healing

Feminist Responses to Injustices of the State and Its Institutions Kym Atkinson, Úna Barr, Helen Monk, Katie Tucker, 2024-05-21 From the denial of abortion rights in Ireland to sexual violence against British South Asian women in England the state and its institutions continue to fail women This book offers a counter narrative to contemporary injustices

and a persistent culture of victim blaming The academic and activist contributions to this collection explore contemporary research areas and pursue new discursive directions in order to present a feminist criminology built on feminist praxis for the 21st century Providing a direct challenge to regressive and ineffective theory policy and practice this book resists the politics of gendered victimization through extending feminist analyses of the state and documenting interventions into contemporary injustices
