# Secrecy And Cultural Reality Utopian Ideologies Of The New Guinea Mens House:

**Secrecy and Cultural Reality** Gilbert Herdt, 2010-02-22 A compelling study of male ritual secrecy and its impact on the cultures of Melanesia and Papua New Guinea The Routledge Handbook of Religion and Secrecy Hugh B. Urban, Paul Christopher Johnson, 2022-03-29 Secrecy is a central and integral component of all religious traditions Not limited simply to religious groups that engage in clandestine activities such as hidden rites of initiation or terrorism secrecy is inherent in the very fabric of religion itself Its importance has perhaps never been more acutely relevant than in our own historical moment In the wake of 9 11 and other acts of religious violence we see the rise of invasive national security states that target religious minorities and pose profound challenges to the ideals of privacy and religious freedom accompanied by the resistance by many communities to such efforts As such questions of secrecy privacy surveillance and security are among the most central and contested issues of twenty first century religious life The Routledge Handbook of Religion and Secrecy is the definitive reference source for the key topics problems and debates in this crucial field and is the first collection of its kind Comprising twenty nine chapters by a team of international contributors the Handbook is divided into five parts Configurations of Religious Secrecy Conceptual and Comparative Frameworks Secrecy as Religious Practice Secrecy and the Politics of the Present Secrecy and Social Resistance Secrecy Terrorism and Surveillance This cutting edge volume discusses secrecy in relation to major categories of religious experience and individual religious practices while also examining the transformations of secrecy in the modern period including the rise of fraternal orders the ongoing wars on terror the rise of far right white supremacist groups increasing concerns over religious freedom and privacy the role of the internet in the spread and surveillance of such groups and the resistance to surveillance by many indigenous and diasporic communities The Routledge Handbook of Religion and Secrecy is essential reading for students and researchers in religious studies comparative religion new religious movements and religion and politics It will be equally central to debates in the related disciplines of sociology anthropology political science security studies and cultural studies Secrecy and Silence in the Research Process Roisin Ryan-Flood, Rosalind Gill, 2013-05-13 Feminist research is informed by a history of breaking silences of demanding that women s voices be heard recorded and included in wider intellectual genealogies and histories This has led to an emphasis on voice and speaking out in the research endeavour Moments of secrecy and silence are less often addressed This gives rise to a number of questions What are the silences secrets omissions and and political consequences of such moments What particular dilemmas and constraints do they represent or entail What are their implications for research praxis Are such moments always indicative of voicelessness or powerlessness Or may they also constitute a productive moment in the research encounter Contributors to this volume were invited to reflect on these questions. The resulting chapters are a fascinating collection of insights into the research process making an important contribution to theoretical and empirical debates about epistemology subjectivity and identity in research Researchers often face difficult dilemmas

about who to represent and how what to omit and what to include This book explores such questions in an important and timely collection of essays from international scholars Regimes of Ignorance Roy Dilley, Thomas G. Kirsch, 2015-10-01 Non knowledge should not be simply regarded as the opposite of knowledge but as complementary to it each derives its character and meaning from the other and from their interaction Knowledge does not colonize the space of ignorance in the progressive march of science rather knowledge and ignorance are mutually shaped in social and political domains of partial shifting and temporal relationships This volume s ethnographic analyses provide a theoretical frame through which to consider the production and reproduction of ignorance non knowledge and secrecy as well as the wider implications these ideas have for anthropology and related disciplines in the social sciences and humanities Technologies of Sexuality, Identity and Sexual Health Lenore Manderson, 2012 Technologies of Sexuality Identity and Sexual Health highlights the complex ways in which sexuality is expressed and enacted through local ideologies global identities and material cultures and their influence on people's sexual health and well being Its impetus is the renewed interest in technology and the social life of things including pharmaceuticals expanded sexual and related surgery the growing exploitation of markets for sexual and contraceptive products and the impact of these on sexual and health practices and outcomes Organised loosely into three parts the opening chapters concentrate on female contraception its availability and the varied cultural significance attached to the ability to control its use exploring the politics of reproductive health and birth control and the ties between technology and power The middle section turns its attention to men and the impact of traditional and contemporary concerns about masculinity and the social and sexual roles of men The final chapters look at the commonalities across cultural borders and sexual gendered identities how products and procedures travel not only through the formal channels of globalisation but also informally carried by individuals across cultural and social boundaries through sexual social and commercial interactions The volume brings together anthropologists sociologists and cultural studies scholars both senior and emerging from around the globe Offering an important and topical contribution to the developing global literature on sexuality sexual identity culture and health it is of interest to researchers and advanced students in these areas The Challenge of Epistemology Christina Toren, João de Pina-Cabral, 2011-10-01 Epistemology poses particular problems for anthropologists whose task it is to understand manifold ways of being human Through their work anthropologists often encounter people whose ideas concerning the nature and foundations of knowledge are at odds with their own Going right to the heart of anthropological theory and method this volume discusses issues that have vexed practicing anthropologists for a long time The authors are by no means in agreement with one another as to where the answers might lie Some are primarily concerned with the clarity and theoretical utility of analytical categories across disciplines others are more inclined to push ethnographic analysis to its limits in an effort to demonstrate what kind of sense it can make All are aware of the much wanted differences that good ethnography can make in explaining the human sciences and philosophy The contributors show a continued commitment to

ethnography as a profoundly radical intellectual endeavor that goes to the very roots of inquiry into what it is to be human and to anthropology as a comparative project that should be central to any attempt to understand who we are Desire Hugh B. Urban, 2024-03-27 In the Western popular imagination there is a singular association between Tantra and sex But behind sensationalist stories of Tantric lovemaking lies a rich spiritual and textual tradition of which sexual union is only a small and fiercely debated part In The Path of Desire Hugh B Urban takes us on an ethnographic journey to Assam the heartland of Tantric practice in contemporary India revealing the vibrant dynamic lived tradition of Hindu Tantra The Path of Desire expands our definition of k ma a central concept of Tantra generally translated as desire to focus on mundane and worldly desires such as healing and childbearing This more holistic notion of desire manifests itself in popular folk practice which Urban categorizes in four forms institutional Tantra comprised of gurus disciples and esoteric rituals public Tantra involving offerings and temple celebrations folk Tantra focusing on practices of healing protection material wellbeing and desire fulfillment and pop Tantra or how Tantra is portrayed in popular media such as paperbacks comic books and movies The result is a nuanced understanding of Tantra as a diverse lived tradition **Anarchy and the Art of Listening** James Slotta, 2023-06-15 Anarchy and the Art of Listening is an ethnography of politics as it is practiced on the other side of the spoken word in the act of listening James Slotta explores how people in the Yopno Valley of Papua New Guinea cultivate their listening to exercise power shape their futures and sustain their communities in the face of ambitious leaders and powerful outside institutions As in many parts of the global south missionaries NGO workers educators mining companies politicians development experts and others have sought to transform life in and around the Yopno Valley But as this book makes clear people there have not been a passive and pliable audience for these efforts They have brought their skills as anarchic listeners to these encounters advancing political agendas of their own To understand political life in the Yopno Valley we need to look not only at political speech but at the practices that lie on the other side of the word in the act of listening This That Religion in Which All Men Agree David Slotta suggests is also true well beyond the bounds of the Yopno Valley G. Hackett, 2015-09-15 An analysis of how Freemasonry has shaped American religious history Women as Unseen Characters Pascale Bonnemère, 2013-03-26 Rituals have always been a focus of ethnographies of Melanesia providing a ground for important theorizing in anthropology This is especially true of the male initiation rituals that until recently were held in Papua New Guinea For the most part these rituals have been understood as all male institutions intended to maintain and legitimate male domination Women's exclusion from the forest space where men conducted most such rites has been taken as a sign of their exclusion from the entire ritual process Women as Unseen Characters is the first book to examine the role of females in Papua New Guinea male rituals and the first systematic treatment of this issue for any part of the world In this volume leading Melanesian scholars build on recent ethnographies that show how female kin had roles in male rituals that had previously gone unseen Female seclusion and the enforcement of taboos were crucial elements of the ritual process

forms of presence in their own right Contributors here provide detailed accounts of the different kinds of female presence in various Papua New Guinea male rituals When these are restored to the picture the rituals can no longer be interpreted merely as an institution for reproducing male domination but must also be understood as a moment when the whole system of relations binding a male person to his kin is reorganized By dealing with the participation of women a totally neglected dimension of male rituals is added to our understanding The Church of Scientology Hugh B. Urban, 2013-02-24 Scientology's long and complex journey to recognition as a religion Scientology is one of the wealthiest and most powerful new religions to emerge in the past century To its detractors L Ron Hubbard's space age mysticism is a moneymaking scam and sinister brainwashing cult But to its adherents it is humanity s brightest hope Few religious movements have been subject to public scrutiny like Scientology yet much of what is written about the church is sensationalist and inaccurate Here for the first time is the story of Scientology's protracted and turbulent journey to recognition as a religion in the postwar American landscape Hugh Urban tells the real story of Scientology from its cold war era beginnings in the 1950s to its prominence today as the religion of Hollywood's celebrity elite Urban paints a vivid portrait of Hubbard the enigmatic founder who once commanded his own private fleet and an intelligence apparatus rivaling that of the U S government One FBI agent described him as a mental case but to his followers he is the man who solved the riddle of the human mind Urban details Scientology s decades long war with the IRS which ended with the church winning tax exempt status as a religion the rancorous cult wars of the 1970s and 1980s as well as the latest challenges confronting Scientology from attacks by the Internet group Anonymous to the church's efforts to suppress the online dissemination of its esoteric teachings The Church of Scientology demonstrates how Scientology has reflected the broader anxieties and obsessions of postwar America and raises profound questions about how religion is defined and who gets to define it **Violent Fraternity** Shruti Kapila, 2024-12-10 A groundbreaking history of the political ideas that made modern India Violent Fraternity is a major history of the political thought that laid the foundations of modern India Taking readers from the dawn of the twentieth century to the independence of India and formation of Pakistan in 1947 the book is a testament to the power of ideas to drive historical transformation Shruti Kapila sheds new light on leading figures such as M K Gandhi Muhammad Igbal B R Ambedkar and Vinayak Savarkar the founder of Hindutva showing how they were innovative political thinkers as well as influential political actors She also examines lesser known figures who contributed to the making of a new canon of political thought such as B G Tilak considered by Lenin to be the fountainhead of revolution in Asia and Sardar Patel India s first deputy prime minister Kapila argues that it was in India that modern political languages were remade through a revolution that defied fidelity to any exclusive ideology The book shows how the foundational questions of politics were addressed in the shadow of imperialism to create both a sovereign India and the world's first avowedly Muslim nation Pakistan Fraternity was lost only to be found again in violence as the Indian age signaled the emergence of intimate enmity A compelling work of

scholarship Violent Fraternity demonstrates why India with its breathtaking scale and diversity redefined the nature of political violence for the modern global era The SAGE Handbook of Global Sexualities Zowie Davy, Ana Cristina Santos, Chiara Bertone, Ryan Thoreson, Saskia E. Wieringa, 2020-05-11 This two volume Handbook provides a major thematic overview of global sexualities spanning each of the continents and its study which is both reflective and prospective and includes traditional approaches and emerging themes The Handbook offers a robust theoretical underpinning and critical outlook on current global glocal and new sexualities and practices whilst offering an extensive reflection on current challenges and future directions of the field The broad coverage of topics engages with a range of theories and maintains a multi disciplinary framework PART ONE Understanding Sexuality Epistemologies Conceptual and Methodological Challenges PART TWO Enforcing and Challenging Sexual Norms PART THREE Interrogating Undoing Sexual Categories PART FOUR Enhancement Practices and Sexual Markets Industries PART FIVE Sexual Rights and Citizenship And the Governance of Sexuality PART SIX Sexuality and Social Movements PART SEVEN Language and Cultural Representation **Tambaran** Paul Roscoe, David Lipset, 2011-10-01 In the Sepik Basin of Papua New Guinea ritual culture was dominated by the Tambaran a male tutelary spirit that acted as a social and intellectual guardian or patron to those under its aegis as they made their way through life To Melanesian scholarship the cultural and psychological anthropologist Donald F Tuzin was something of a Tambaran a figure whose brilliant and fine grained ethnographic project in the Arapesh village of Ilahita was immensely influential within and beyond New Guinea anthropology Tuzin died in 2007 at the age of 61 In his memory the editors of this collection commissioned a set of original and thought provoking essays from eminent and accomplished anthropologists who knew and were influenced by his work They are echoes of the Tambaran The anthology begins with a biographical sketch of Tuzin's life and scholarship It is divided into four sections each of which focuses loosely around one of his preoccupations The first concerns warfare history the male cult and changing masculinity all in Melanesia The second addresses the relationship between actor and structure Here the ethnographic focus momentarily shifts to the Caribbean before turning back to Papua new Guinea in essays that examine uncanny phenomena narratives about childhood and messianic promises The third part goes on to offer comparative and psychoanalytic perspectives on the subject in Fiji Bali the Amazon as well as Melanesia Appropriately the last section concludes with essays on Tuzin's fieldwork style and his distinctive authorial voice Gay Voluntary Associations in New York Moshe Shokeid, 2015 Gay Voluntary Associations in New York is a sensitive and insightful ethnography of social groups that have gathered around common interests in an urban LGBT population from the time of the AIDS crisis to the present Anthropologist Moshe Shokeid examines the social discourse of sex love friendship and spiritual life in which these communities are passionately engaged Drawn from long term anthropological research in New York City Gay Voluntary Associations in New York uses participant observation to explore such diverse social associations and religious organizations as seniors groups interracials bisexuals sexual compulsives gay

bears and Catholic Protestant and Jewish gay congregations As an outside observer neither gay nor American born Shokeid examines the social discourse within these voluntary associations from a critical vantage point In addition to the personal information and intimate expressions of empathy freely shared in the company of strangers at social gatherings individual stories and experiences are woven into the narrative to illustrate the existential conditions and emotional template of gay life in the city Shokeid's nuanced portrait of the affective relationships within these groups offers deeper comprehension of the social dynamics and emotional realities of gay urban communities in the United States Anthropology and mysticism in the making of initiation Andy Hilton, 2023-09-14 By the 1980s interest in initiation was at its peak it was being employed both theoretically and practically in gender politics and humanistic therapy How did that come to be how should we understand initiation and what can be its future This wide ranging book looks at the history evolution and contemporary idea of initiation It traces origins in the ancient Mysteries and early Christian texts through Renaissance rediscoveries to admission in Freemasonry and anthropological investigations in French Canada and British Australia It introduces the initiation discourse as something that was constructed through centuries of translations and nineteenth century human science leading to the making of the modern concept It argues for a subject initiation studies that effectively secularised the eighteenth century rites of admission to produce the twentieth century rites of passage And it details as compensation for this hollowing out of the mystery the study of shaman spirit workers the idea of death and rebirth and the later sacralisation of the liminal in adolescent adult initiation Finally a contemporary revision is explored that incorporates neglected aspects like depth psychology and education for an idea of youth as a life stage And while ritual is now deemphasised the religious dimension is reaffirmed with a critical analysis of cosmic consciousness the enduring Great Mystery Rush Todd G. Buchholz, 2011-05-05 We think we will be happy when we have some downtime when we can finally go on vacation disconnect shut down But in this provocative book Todd Buchholz will convince you that what you really want is to chase your tail even if you never catch it Weaving in everything from neuroeconomics to evolutionary biology to renaissance art to General Motors Buchholz will convince you that the race to compete has not only made us taller and smarter it s what we love and need Among the book s many counterintuitive takeaways are Put off retirement it can make you stupid We all need to be control freaks In house competition is actually great for morale Never let the ninth place team take home a trophy Witty breezy and very funny Todd Buchholz shows that it s the race itself that literally delivers the rush even if we never reach the finish line The Violence of Conservation in Africa Ramutsindela, Maano, Matose, Frank, Mushonga, Tafadzwa, 2022-01-11 Offering insights on violence in conservation this timely book demonstrates how and why the state in Africa pursues conservation objectives to the detriment of its citizens It focuses on how the dehumanization of black people and indigenous groups the insertion of global green agendas onto the continent a lack of resource sovereignty and neoliberal conservation account for why violence is a permanent feature of conservation in Africa **Explorations in Psychoanalytic** 

**Ethnography** Jadran Mimica, 2007-05-01 Whereas most anthropological research is grounded in social cultural and biological analysis of the human condition this volume opens up a different approach its concerns are the psychic depths of human cultural life worlds as explored through psycho analytic practice and or the psychoanalytically framed ethnographic project In fact some contributors here argue that the anthropological interpretation of human existence is not sustainable without psychoanalysis others take a less extreme radical stance but still maintain that the unconscious matrix of the human psyche and of the intersubjective social reality of any given cultural life world is a vital domain of anthropological and sociological inquiry and understanding Magic's Reason Graham M. Jones, 2017-12-06 In Magic's Reason Graham M Jones tells the entwined stories of anthropology and entertainment magic The two pursuits are not as separate as they may seem at first As Jones shows they not only matured around the same time but they also shared mutually reinforcing stances toward modernity and rationality It is no historical accident for example that colonial ethnographers drew analogies between Western magicians and native ritual performers who in their view hoodwinked gullible people into believing their sleight of hand was divine Using French magicians engagements with North African ritual performers as a case study Jones shows how magic became enshrined in anthropological reasoning Acknowledging the residue of magic's colonial origins doesn't require us to dispense with it Rather through this radical reassessment of classic anthropological ideas Magic s Reason develops a new perspective on the promise and peril of cross cultural comparison

Immerse yourself in the artistry of words with Experience Art with is expressive creation, Discover the Artistry of **Secrecy And Cultural Reality Utopian Ideologies Of The New Guinea Mens House**. # Secrecy And Cultural Reality Utopian Ideologies Of The New Guinea Mens House Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Secrecy And Cultural Reality Utopian Ideologies Of The New Guinea Mens House PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Secrecy And Cultural Reality Utopian Ideologies Of The New Guinea Mens House PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Secrecy And Cultural Reality Utopian Ideologies Of The New Guinea Mens House free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

#### FAQs About Secrecy And Cultural Reality Utopian Ideologies Of The New Guinea Mens House Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Secrecy And Cultural Reality Utopian Ideologies Of The New Guinea Mens House in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Secrecy And Cultural Reality Utopian Ideologies Of The New

Guinea Mens House. Where to download Secrecy And Cultural Reality Utopian Ideologies Of The New Guinea Mens House online for free? Are you looking for Secrecy And Cultural Reality Utopian Ideologies Of The New Guinea Mens House PDF? This is definitely going to save you time and cash in something you should think about.
