process The book examines personal loss of parents and partners as well as loss generated by mass trauma through the lens of the Holocaust the immigrant experience the COVID 19 pandemic and the environment There are chapters that cover how the lost other continues to live within one s mind and within the analytic relationship how loss impacts one s internal self system and how loss associated with traumatic experience with the deceased continues to reverberate With a unique focus on the therapist s personal experience of loss and how it shapes the clinical situation as well as a broad range of perspectives on managing and working with loss in patients this is an invaluable book for all practicing psychoanalysts and psychotherapists Cumulated Index Medicus ,2000 *Treating Out of Control Sexual Behavior* Douglas

Braun-Harvey,Michael A. Vigorito,2015-11-05 Out of control sexual behavior referred to variously as sex addiction sexual compulsivity and hypersexuality among other terms has been a controversial and attention getting issue since it first captured both public and professional attention over 30 years ago Previous discussions of this behavior have been grounded in conceptualizing it as a pathologized medical issue on par with substance abuse addictions or in backlash as simply irresponsible behavior indicating weakness in the individual In keeping with the call from many leaders in the mental health and sexual health areas to move beyond these two polarized conceptualizations of these sexual behavior problems the authors present a model for working with clients in both group and individual treatment settings Based on their experience with hundreds of clients this book provides a comprehensive and practical conceptualization of out of control sexual behavior framed as a sexual health problem within a larger model of human behavior not a psychiatric or addictive disorder The book includes step by step tools for assessment treatment planning as well as treatment implementation It describes a process for professionals to guide clients to define and be accountable for their own personal vision of sexual health as the foundation on which they regain sexual behavior control The authors provide rich and varied composite case examples based on 20 years of clinical experience that demonstrate clinician sexual health treatment conversations and tools as well as stories of hope and guidance so essential to individuals wanting to understand how sexual health can be the essential ally in changing their sexual behavior *The Advocate* ,2004-08-17 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States
