Secret Beyond The Door:

Secrets Beyond the Door Maria Tatar,2006-10-03 Maria Tatar analyses the many forms the tale of Bluebeard s wife has taken over time showing how artists have taken the Bluebeard theme and revived it with their own signature twists

Secret Beyond the Door Rufus King,2015-03-20 Rufus King master of the macabre penned a modern Bluebeard thriller of such unbearable suspense that Hollywood jumped at the chance to produce it as a movie MUSEUM PIECE No 13 later renamed to match the movie was filmed as SECRET BEYOND THE DOOR starring Joan Bennett and Michael Redgrave and produced by Fritz Lang It became an instant noir classic as tense shocking and suspenseful as the original novel Lily Rumney lovely and in love could see no evil in her husband Not even when she discovered his strange collection of blood spattered rooms where murder had been done But when a forbidden door swung open and Lily entered a chamber prepared for death her death she knew she must escape Slowly warily frozen by dread the terrified bride walked a dim corridor while close at hand a madman planned his thirteenth killing

Hollywood: Formal-aesthetic dimensions: authorship, genre and stardom Thomas Schatz,2004 Hollywood as a concept applies variously to a particular film style a factory based mode of film production a cartel of powerful media institutions and a national and increasingly global way of seeing It is a complex social cultural and industrial phenomenon and is arguably the single most important site of cultural production over the past century This collection brings together journal articles published essays book chapters and excerpts which explore Hollywood as a social economic industrial aesthetic and political force and as a complex historical entity **Walter Wanger** Matthew Bernstein,1994 A portrait of the trailblazing film producer whose career spanned five decades Bernstein packs an astonishing amount of solid film history into his lucid chronicle of Wangers whirlwind corporate liaisons A fully realized A line biopic of a fascinating life in the movies Tom Doherty Film Quarterly

The Death of Classical Cinema Joe McElhaney,2012-02-01 The Death of Classical Cinema uncovers the extremely rich yet insufficiently explored dialogue between classical and modernist cinema examining the work of three classical filmmakers Alfred Hitchcock Fritz Lang and Vincente Minnelli and the films they made during the decline of the traditional Hollywood studio system Faced with the significant challenges posed by alternative art cinema and modernist filmmaking practices in the early 1960s these directors responded with films that were self conscious attempts at keeping pace with the developments in film modernism These films Lang s The Thousand Eyes of Dr Mabuse Hitchcock s Marnie and Minnelli s Two Weeks in Another Town were widely regarded as failures at the time and bolstered critics claims concerning the irrelevance of their directors in relation to contemporary filmmaking However author Joe McElhaney sheds new light on these films by situating them in relation to such acclaimed modernist works of the period as Godard s Contempt Fellini s La dolce vita Antonioni s Red Desert and Resnais s Last Year at Marienbad He finds that these modernist films rather than being diametrically opposed in form to the work of Hitchcock Lang and Minnelli are in fact profoundly linked to them *Inside/Out* Diana Fuss,2013-04-15 Lesbians and gays

have gone from coming out to acting up to outing meanwhile radically redefining society's views on sexuality and gender The essays in *Inside Out* employ a variety of approaches psychoanalysis deconstruction semiotics and discourse theory to investigate representations of sex and sexual difference in literature film video music and photography Engaging the figures of divas dykes vampires and queens the contributors address issues such as AIDS pornography pedagogy authorship and activism *Inside Out* shifts the focus from sex to sexual orientation provoking a reconsideration of the concepts of the sexual and the political

A Companion to Fritz Lang Joe McElhaney, 2015-01-27 *A Companion to Fritz Lang* Fritz Lang's movie making spans a major part of the history of cinema across genres styles and national contexts With smartness and sharpness the essays in this essential volume come from many angles to capture the richness of Lang's cinema and bring great insight to its study Dana Polan *Cinema Studies* NYU Fritz Lang's influence on cinema cannot be overstated with a career that stretched from the silent era in Germany to the decline of the Hollywood studio system in the late 1950s from the Weimar Republic to Nazi Germany from Depression America to the McCarthy era One of the best known migrants from Germany's school of Expressionism Lang is also credited with influencing the emergence of film noir *A Companion to Fritz Lang* offers the first full scale collection of scholarship available in English on one of the most important filmmakers of all time Addressing much of Lang's voluminous body of work from *Metropolis* and *M* to lesser known titles such as *Western Union* and *Clash by Night* this volume offers a superb overview of Lang's cinema with revealing insights into his enduring influence on directors such as Godard Scorsese Chabrol and Tarantino The two dozen essays presented here are an unrivaled and up to the minute assessment of the prolific and resilient life and vision of one of cinema's greatest auteurs

Driven to Darkness Vincent Brook, 2009-09-18 From its earliest days the American film industry has attracted European artists With the rise of Hitler filmmakers of conscience in Germany and other countries particularly those of Jewish origin found it difficult to survive and fled for their work and their lives to the United States Some had trouble adapting to Hollywood but many were celebrated for their cinematic contributions especially to the dark shadows of film noir *Driven to Darkness* explores the influence of Jewish immigrant directors and the development of this genre While filmmakers such as Fritz Lang Billy Wilder Otto Preminger and Edward G. Ulmer have been acknowledged as crucial to the noir canon the impact of their Jewishness on their work has remained largely unexamined until now Through lively and original analyses of key films Vincent Brook penetrates the darkness shedding new light on this popular film form and the artists who helped create it

The Films of Fritz Lang Tom Gunning, 2019-07-25 In this volume Tom Gunning examines the films of Fritz Lang not only as a stylistically coherent body of work but as an attempt to portray the modern world through cinema The world of modernity in which systems replace individuals is conveyed by Lang's mastery of cinematic set design composition and editing Lang presents not only a decades long vision of cinematic narrative which can be compared to that of Alfred Hitchcock or Jean Renoir but a view of modernity that relates strongly to the ideas of Adorno Brecht Benjamin and Kracauer From the sweeping allegorical films of

the 20s to the chilly and abstract thrillers of the 50s Lang's films Gunning claims are among the most precious records of the twentieth century The Films of Fritz Lang immeasurably enriches our understanding of a great artist and in so doing reimagines what a film artist is an author who fades away even in being recognised and interpreted an enigmatic figure at the junction of aesthetics history biography and theory Film Noir and the Arts of Lighting Patrick Keating, 2024-07-12

More than any other set of films from the classical era the Hollywood film noir is known for its lighting the cast shadows the blinking street signs the eyes sparkling in the darkness Each effect is rich in symbolism evoking a world of danger and doppelgangers But what happens if we set aside the symbolism This book offers a new account of film noir lighting grounded in a larger theory of Hollywood cinematography as emotionally engaging storytelling Above all noir lighting is dynamic switching from darkness to brightness and back again as characters change locations shift and fates unfold Richly illustrated Film Noir and the Arts of Lighting features in depth analyses of eleven classic movies The Asphalt Jungle Sorry Wrong Number Odds against Tomorrow The Letter I Wake Up Screaming Phantom Lady Strangers on a Train Sweet Smell of Success Gaslight Secret beyond the Door and Touch of Evil **American Anti-Pastoral** Thomas Gustafson, 2024-06-14

One of the best known novels taking place in New Jersey Philip Roth's 1997 American Pastoral uses the fictional hamlet of Old Rimrock NJ as a microcosm for a nation in crisis during the cultural upheavals of the 1960s 70s Critics have called Old Rimrock mythic but it is based on a very real place the small Morris county town of Brookside New Jersey American Anti Pastoral reads the events in Roth's novel in relation to the history of Brookside and its region While Roth's protagonist Seymour Swede Levov initially views Old Rimrock as an idyllic paradise within the Garden State its real world counterpart has a more complex past in its origins as a small industrial village as well as a site for the politics of exclusionary zoning and a 1960s anti war protest at its celebrated 4th of July parade Literary historian and Brookside native Thomas Gustafson casts Roth's canonical novel in a fresh light as he studies both Old Rimrock in comparison to Brookside and the novel in relationship to NJ literature making a case for it as the Great New Jersey novel For Roth fans and history buffs alike American Anti Pastoral peels back the myths about the bucolic Garden State countryside to reveal deep fissures along the fault lines of race and religion in American democracy The Sublime Object of Ideology Slavoj Zizek, 2019-02-28

Slavoj Zizek the maverick philosopher author of over 30 books acclaimed as the Elvis of cultural theory and today's most controversial public intellectual His work traverses the fields of philosophy psychoanalysis theology history and political theory taking in film popular culture literature and jokes all to provide acute analyses of the complexities of contemporary ideology as well as a serious and sophisticated philosophy His recent films The Pervert's Guide to the Cinema and Zizek reveal a theorist at the peak of his powers and a skilled communicator Now Verso is making his classic titles each of which stand as a core of his ever expanding life's work available as new editions Each is beautifully re packaged including new introductions from Zizek himself Simply put they are the essential texts for understanding Zizek's thought and thus

cornerstones of contemporary philosophy The Sublime Object of Ideology Slavoj Žižek's first book is a provocative and original work looking at the question of human agency in a postmodern world In a thrilling tour de force that made his name he explores the ideological fantasies of wholeness and exclusion which make up human society *Bluebeard* Casie Hermansson, 2009 Bluebeard is the main character in one of the grisliest and most enduring fairy tales A serial wife murderer he keeps a horror chamber in which remains of all his previous matrimonial victims are secreted from his latest bride She is given all the keys but forbidden to open one door of the castle This is a major study of the tale and its many variants in English from the 18th and 19th century chapbooks children's toybooks pantomimes melodramas and circus spectacles to the 20th century in music literature art film and theatre *Lacan and the Subject of Language (RLE: Lacan)* Ellie Ragland-Sullivan, Mark Bracher, 2014-02-05 Originally published in 1991 this volume tackles the diverse teachings of the great psychoanalyst and theoretician Written by some of the leading American and European Lacanian scholars and practitioners the essays attempt to come to terms with his complex relation to the culture of contemporary psychoanalysis The volume presents useful insights into Lacan's innovative theories on the nature of language and the subject Many of the essays probe the importance of psychoanalysis for problems of signifier and referent in the philosophy of language others explore the difficulties men and women have in negotiating the sexual differences that divide them A major contribution to the new reception of Jacques Lacan in the English speaking world Lacan and the Subject of Language will challenge those who believe that they have already mastered Lacanian thought The insights offered here will pave the way for further developments **Noir Anxiety** Kelly Oliver, 2003 *The Bennetts* Brian Kellow, 2004-11-26 An engrossing new page turner about one of old Hollywood's royal families theater people don't get more interesting and it's a true tale well told Hollywood Reporter In the early 1930s Constance Bennett was the highest paid star in Hollywood famous for dramatic roles before reinventing herself in the classic comedy Topper starring opposite Cary Grant Her sister Joan played the femme fatale in films like Scarlet Street and also starred in lighter films like Father of the Bride Though their names are not well known today the Bennett family is one of the most storied families in Hollywood history The saga begins with Richard Bennett who left small town Indiana to become one of the bright lights of the New York stage during the early twentieth century In time however Richard's fame was eclipsed by that of his two acting daughters But the Bennett family also includes another sister Barbara whose promising beginnings as a dancer gave way to a turbulent marriage to singer Morton Downey and a steady decline into alcoholism Constance and Joan were among Hollywood's biggest stars but their personal lives were anything but serene In 1943 Constance became entangled in a highly publicized court battle with the family of her millionaire ex husband and in 1951 Joan's husband producer Walter Wanger shot her lover in broad daylight sparking one of the biggest Hollywood scandals of the 1950s **The Sublime Object of Ideology** Slavoj Žižek, 1989 In this provocative and original work Slavoj Žižek takes a look at the question of human agency in a postmodern world From the sinking of the Titanic to Hitchcock's Rear

Window from the operas of Wagner to science fiction from *Alien* to the Jewish Joke the author's acute analyses explore the ideological fantasies of wholeness and exclusion which make up human society. It takes issue with analysts of the postmodern condition from Habermas to Sloterdijk showing that the idea of a post ideological world ignores the fact that even if we do not take things seriously we are still doing them. Rejecting postmodernism's unified world of surfaces he traces a line of thought from Hegel to Althusser and Lacan in which the human subject is split divided by a deep antagonism which determines social reality and through which ideology operates. Linking key psychoanalytical and philosophical concepts to social phenomena such as totalitarianism and racism the book explores the political significance of these fantasies of control. In so doing *The Sublime Object of Ideology* represents a powerful contribution to a psychoanalytical theory of ideology as well as offering persuasive interpretations of a number of contemporary cultural formations. *Routledge Library Editions: Lacan* Various, 2021-07-28 A major influence on French intellectuals in the twentieth century Jacques Lacan has been referred to as the most controversial psychoanalyst since Freud. *Routledge Library Editions: Lacan* offers a selection of titles which examine the influence of Lacan's theories in a number of disciplines and includes an annotated bibliography of his works. It brings together as a set or individual volumes a series of previously out of print titles originally published between 1983 and 1991. *The Last Pavilion* Arts Council Korea, 2024-04-18 This archival publication was launched in conjunction with *Every Island is a Mountain* a special exhibition commemorating the 30th anniversary of the Korean Pavilion at the Venice Biennale. **Uninvited** Patricia White, 1999-10-22 Lesbian characters stories and images were barred from onscreen depiction in Hollywood films from the 1930s to the 1960s together with all forms of sex perversion. Through close readings of gothics ghost films and maternal melodramas addressed to female audiences *Uninvited* argues that viewers are invited to make lesbian inferences. Looking at the lure of some of the great female star personae in films such as *Rebecca* *Pinky* *The Old Maid* *Queen Christina* and *The Haunting* and at the visual coding of supporting actresses it identifies lesbian spectatorial strategies. White's archival research textual analyses and novel theoretical insights make an important contribution to film lesbian and feminist studies. Book jacket
