**The Secret Dowry of Eve** Glynda-Lee Hoffmann, 2003-04-28 A groundbreaking study of the connection between spirituality psychology and neurophysiology that is coded into the book of Genesis Reveals why Eve was allowed to eat the apple of knowledge forbidden to Adam Uses mythological imagery to reveal the working processes of awareness in the human brain Combines ancient Qabalic techniques and modern scientific brain research to show how Genesis is an operating manual for creating wholeness in the psyche Adam exists within all our psyches as does Eve While Adam represents the masculine component of consciousness pure intellect Eve represents the functions of the brain s frontal lobes the feminine intuitive integrator of the four level human brain If we wish to be whole we must develop and integrate the feminine with the masculine Using her lifelong study of the Qabalah and the secret meanings of the Hebrew alphabet Glynda Lee Hoffmann shows how the Garden of Eden story is actually an instruction manual that explains transcendence as a biological imperative Hoffmann reveals why it was permissible for Eve to eat the apple of knowledge that was forbidden to Adam Eve s desire for integration clarity and transcendence for wisdom is a goal Adam is biologically incapable of pursuing without her Though written as mythology Genesis contains remarkable scientific and psychological correlations that can help an individual integrate the masculine and feminine sides of the psyche and thereby translate potential into actuality *Spiritual Initiation and the Breakthrough of Consciousness* Joseph Chilton Pearce, 2003-07-23 Explains the phenomenon of shaktipat the spiritual transmission of power from a teacher to a devotee Shows how technology has eroded personal power and how insight and awareness can play a higher role in our lives Reveals how insight is the vehicle for profound self transformation Shakti is the creative force the bonding power that holds the universe together Shaktipat is the moment when enlightenment is conferred upon a student instantaneously by his master s touch The guru conferring shaktipat creates a bond of power in those who have accepted him or her as their teacher In *Spiritual Initiation and the Breakthrough of Consciousness* Joseph Chilton Pearce describes his experience of shaktipat from his teacher Swami Muktananda From this awakening Pearce experiences a dramatic shift of mind and comes to the realization that perception is reality and that insight is our only vehicle for profound self transformation Oneness with God is the birthright of every individual though we are culturally vaccinated to resist experiencing this higher consciousness Our search for objective truth has lead us not to wholeness but instead to the belief that we have no bond to each other to God or to an inanimate physical world Our technology reduces our ability to experience revelation and leads us instead toward the chatter of confused thinking The challenge faced by modern humanity which is the challenge Muktananda gave to his students is to passionately gather up the scattered fragments of our lives and channel them into the creative realm where with insight or revelation we will be able to become more than ourselves
