Papal dispensation for murder and mayhem Helena Petrovna Blavatsky,2018-05-29 Theosophy and Jesuitism are two opposite poles one far above the other far below even that stagnant marsh One is the power of Light the other that of Darkness Theosophists are slandered and reviled by the Jesuits and their adherents everywhere Roman Catholicism is but a name As a Church it is a phantom of the past and a mask The Jesuits have practised Black Magic in its worst form far more than any other body of men and to it they owe in large measure their power and influence The day may come when their wealth will be violently taken from them and they themselves mercilessly destroyed amidst the general execrations and applause of all nations and peoples There is a Nemesis Karma though often it allows Evil and Sin to go on successfully for ages

writers and artists of the Jewish origin to enter the realm of universal communication without at the same time making them relinquish their Jewishness which they subsequently developed as a hidden tradition The book poses and then attempts to prove the Marrano hypothesis according to which modern subjectivity derives to paraphrase Cohen out of the sources of the hidden Judaism modernity begins not with the Cartesian abstract ego but with the rich self reflexive self of Michel de Montaigne who wrestled with his own marranismo in a manner that soon became paradigmatic to other Jewish thinkers entering the scene of Western modernity from Spinoza to Derrida The essays in the volume offer thus a new view of a Marrano modernity which aims to radically transform our approach to the genesis of the modern subject and shed a new light on its secret religious life as surviving the process of secularization although merely in the form of secret traces
