**Less Than Conquerors** Doug Frank, 2009-08-01 Although evangelicals enjoyed respect and leadership in American society in the decades before the Civil War their fortunes declined precipitately in the wake of the industrialism modernism and secularism of the next half century But the 1920s evangelicals felt like an embattled minority within a largely unbelieving culture and perceived that history was very much out of their control Frank examines the spiritual significance of these events by placing them against a biblical understanding of the gospel He sees in the confidence and self-congratulation of the turn of the century evangelicals a portrait of the spiritually rich of the Bible who must lose their riches before they can come to know God truly Harmful uses of the gospel are explored through dispensational premillennialism the victorious life theology and the revivalism of Billy Sunday Altogether *Less Than Conquerors* is a call to replace the blurred and self-serving gospel of a besieged subculture with the genuine gospel of Jesus Christ

**Power of Positive Impact** Love Otuechere,2012-09 In Power of Positive Impact Using the Little Things to Make a Difference Dr Love Otuechere explains that making a difference enables members of society to realize their full potential to impact others Making a difference allows us to assist each other in realizing economic recovery As technology grows and shifts our capabilities to new heights businesses and educational systems need the positive integration of talent to transition Sometimes change begins with a small action like not buying lunch out for a year and then using that money to help others in need Much has been written focusing on how to achieve economic recovery in the midst of cutting edge technology a global economic meltdown and the high unemployment rate However many have missed the fact that recovery growth and economic reform are dependent upon the positive impact of people using whatever materials they have on hand to transform the lives of others Power of Positive Impact highlights the benefits of doing little things to bring meaning to others lives impacting the development of a positive mindset Accentuating

the importance of creating a positive effect on today's society can go a long way toward fulfilling a sense of purpose for each of us in today's ever-changing world      **The Americanization of the Apocalypse** Donald Harman Akenson, 2023 In *The Americanization of the Apocalypse: Creating America's Own Bible* Donald Harman Akenson examines the creation and spread of Dispensationalism, a belief system that produced *The Scofield Reference Bible*, the ur-text of American apocalyptic evangelicalism      Knowing The Spirit Eastwood Anaba, 2012 This is the first book in the series entitled *The Spirit*. The subtitle of this book is *Knowing the Spirit*. In this book and the subsequent ones in the series I will apply John 6:63 to some aspects of Jesus' victorious life on earth. The verse reveals the secret behind Jesus' Miracle and the claims He made about His deity. In order for the Holy Ghost to play an active role in our lives, we must know Him in the same way Jesus knew Him. I have a strong feeling in my Spirit that the next few years will be characterised by conspicuous activities of the Holy Ghost. The flesh has dominated believers for a long time, and the time for the Spirit to take control is now. Believers are largely ignorant of the relationship between Jesus and the Holy Ghost. Those who experience the baptism of the Holy Ghost limit His power to just speaking in other tongues and prophesying. Knowing the Holy Ghost and understanding His ways of operation help us to benefit from His power and glory.
