Secret Of Moon Castle The Treasure Hunte:

The Ring O' Bells Mystery Enid Blyton,1992 *Rumpelstiltskin's Secret* Harry Rand,2019-12-09 Everyone knows Rumpelstiltskin's story or thinks they do But this innocent seeming tale hides generations of women's shrewd accounts of their relationships with men And the verdict is not flattering The fairytale may count among the world's oldest dirty jokes The theme of the tale an observation repeated and varied throughout mocks male inadequacy in many forms beginning with sexual failure The punchline misplaced over time its wickedly funny insights about adult life passed for childish nonsense The story hides in plain sight criticism of workplace sexual harassment centuries before society took notice of the indignity Rumpelstiltskin tells a feminist tale with lessons for men and women about what women said to each other when they thought their private conversation and complaints passed unnoticed In the story's different versions the Brothers Grimm who recorded the tale missed women's wry observations Jessica Bannister and the Evil Within Janet Farrell,2022-08-23 As an intrepid reporter for one of London's most widely read tabloids Jessica Bannister is certainly no stranger to danger and often ends up in dicey situations of the supernatural variety while attempting to bag her next scoop but when her adversaries have the ability to turn a friend into a foe she finds herself in a whole new level of peril unable to trust those closest to her and occasionally even herself A revelation about her past makes her re-evaluate her supernatural gifts and once again she is left wondering whether they are a boon or a bane and what exactly the trail of death left in their wake means for her future While she wrestles with all of these existential questions about the nature of her powers she finds herself haunted by sinister monks long dead serial killers and perhaps most perplexing of all unusually vicious swans What terrifies her the most however is the evil that lurks in the hearts of man and how easy it is for it to bubble up to the surface *British Books in Print* ,1980
