[Jesus Secret](#) Robert Sibley, 2012-09

The *Jesus Secret* is the first fiction book written by Dr. Robert Sibley based on his nonfiction book *The Unknown Life of Jesus*. It is a historical novel about the life of Jesus. It is an exciting adventure of two college professors, Carl Iverson and Katherine Ralston, searching for the truth of what really happened to Jesus. Dr. Iverson had received an ancient manuscript written in Aramaic at the time of Jesus, discovered in Israel. The manuscript described Jesus's life after the crucifixion, giving evidence that he survived the crucifixion. An actual manuscript was found, called the Talmud of Immanuel. The book provides the evidence that Jesus lived out his life in Kashmir and had a family. The excitement comes when powers of the church try to prevent Carl and Katherine from finding the truth. The *Jesus Secret* describes the lost years of Jesus, how he survived the crucifixion, his family, a background on how the church was established, and the corruption within the church to hide the truth. The final chapters describe what may happen if the truth is discovered. After reading the book, the reader will have a better understanding, respect, and love for Jesus, the most evolved soul ever, to help guide humanity on their spiritual journey.
