M. G. Le Clézio, 2012-07 After being driven from their land by French colonial soldiers in 1909 Nour and his people the blue men must search for a haven out of the desert that will shelter them Interspersed with the story of Nour is the contemporary story of Lalla a descendent of the blue men who lives in Morocco and tries to stay true to the blood of her ancestors while experiencing life as a modern immigrant      *National Geographic Guide to the World's Secret Places* David Yeadon, 2004 Here are island hideaways on the tropical beaches of Mauritius in the Indian Ocean and on the windswept North Atlantic shores of Harris where Scottish crofters handweave their famous tweed Visit mountain aeries from the Himalaya to the Pyrenees secret realms from the harshly beautiful desertscapes of the Sahara to the lush rain forests of Costa Rica or the winding alleys of a village tucked into the foothills of the Alps Twenty eight destinations in all each place has its own unique flavor and appeal yet shares a kind of privacy and authenticity all too rare in our hectic modern world      **Two Questers in the Twentieth-century North Africa** Imen Ayari Cozzo, 2016-09-23 This book offers a unique exploration of the work of Paul Bowles and Ibrahim Alkoni and reveals timely insights into the relationship between the West and the Orient showing that they both challenge and extend existing scholarship on this subject It builds on a sound theoretical platform which serves as a solid foundation for the analysis of the overarching theme Theories of place representation Orientalism and post colonialism are discussed in depth and are linked to the deconstruction and analysis of the selected literary texts helping the reader understand the various quests and motivations of the protagonists of the works of Bowles and Alkoni The first part of the book looks into the work of Bowles and is based on the fact that many of the author s texts revolve around the theme of encounters between Western and Eastern cultures It adopts a specific focus on the North African space which is depicted from a number of different points of view including native French English and American perspectives The second section discusses the work of the Libyan author Ibrahim Alkoni as a quester for a Mythical Identity It introduces the reader to the significance of the desert in both classical and modern Arabic literature and its place in the Arabic cultural imaginary This work is highly original both in its approach and subject matter and as such it constitutes a valuable contribution to the study of comparative literature Arabic literature and postcolonial magical realist literature It offers many original insights into this little studied field demonstrating a successful venture into less trodden terrain      Underground Bases and Tunnels Richard Sauder, 1995 Go behind the scenes into little known corners of the public record and discover how corporate America has worked hand in glove with the Pentagon for decades dreaming about planning and actually constructing secret underground bases And newly uncovered information indicates that the strangeness continues with bizarre high tech gadgets like portable hand held surgical lasers and injectable electronic IDs as small as a grain of rice      **Desert Dreamers** Barbara Glowczewski, 2016-03-01 In the heart of Australia on the cracked red earth among wild vegetation weathered bush and dried

up creeks hundreds of invisible pathways exist that become entangled on the earth's surface underground and in the sky clouds and wind The Aboriginal people call them Jukurrpa the Dreamings This web is the Warlpiri land Practicing the Dreaming by ritual art is for the Warlpiri a way to reactivate their ancestral traditions to connect with the cosmos and respond to current social and political issues In 1979 anthropologist Barbara Glowczewski embarked on a journey to study the Warlpiri in the Australian outback Struggling at once to maintain their traditions and cultural heritage as well as adapting to the continuing secularization and techno progress of their European Australian counterparts she takes us into the landscape artistic rituals and turmoil of the Warlpiri over three decades Becoming accepted among Aboriginal families as a translator and at the same time a negotiator of two vastly different visions of the earth contemporary Western culture and the ancient indigenous dreaming culture Glowczewski created a singular document of ethnological fieldwork and of self transformation and discovery

*Desert Plant Wars* Yves Earhart, AI, 2025-01-25 *Desert Plant Wars* unveils the hidden ferocity of desert ecosystems reframing arid landscapes as battlegrounds where plants deploy ruthless strategies to survive The book's central theme explores how flora in regions like the Mojave and Sonoran Deserts compete for water nutrients and space through mechanisms like allelopathy chemical warfare deep rooted water theft and rapid life cycles Far from passive survivors desert plants engage in silent wars poisoning rivals hoarding resources and evolving ingenious adaptations over millennia The book combines ecology and evolutionary biology to dissect high stakes survival tactics For example creosote bushes secrete toxins to kill nearby seedlings while mesquite trees drill taproots 50 meters deep to tap groundwater Invasive species like *Salvia rosmarinus* weaponize terpenes to dominate soils showcasing how competition reshapes ecosystems Advanced imaging technologies and Indigenous knowledge such as the Tohono O'odham's crop strategies reveal how plants balance short term survival with long term resilience Structured in three sections the narrative progresses from root level skirmishes to climate change's threat to biodiversity arguing that deserts offer urgent lessons for resource scarce environments What sets *Desert Plant Wars* apart is its blend of microscopic detail and ecological scale linking cellular water storage to global shifts Accessible yet rigorous it bridges botany with practical applications like drought resistant crops while critiquing misguided conservation efforts By framing deserts as theaters of innovation the book transforms our understanding of resilience proving life thrives not despite chaos but through it
