She was an aficionado of black magic and the scholarly count who had approached her during a Parisian revel promised her a treasure from the past stimulating occult experiences she'd never forget. One thing more: Count Henri offered Eve a chance to meet his nephew Leonard, who, from a tragic blood ailment, unable to leave the remote chateau, but a young man of unfathomable charm and grace. A young man the count felt who needed Eve for his sake and her own. Secret of the Pale Lover William Edward Daniel Ross, 1969

aristocratic characters whom they aspire to emulate They demonstrate implicitly central themes of explicit anti Semitic propaganda Yehuda Moraly addresses two current major misconceptions regarding the Cinema of Occupied France 1 that the accepted view that there were almost no explicitly Jewish characters in the cinema of that time and place is patently incorrect and 2 that the feature films of Occupied France were not as it is commonly thought free of the propaganda messages that permeated the press the radio and documentary films Analysis of these films brings out the contradictory nature of European anti Semitism On one hand the Jew is the anti Christ throttling the world with disgusting materialism while on the other hand he is representative of an ancestral stifling morality which it is time to abolish
