the bowling ball pyramid that graces one proud resident's front lawn Fun too are the haunted houses to visit the ghosts to chat with and the cursed roads to travel down It's all part of the long strange trip known as Weird N J **Gothiniad**

Surazeus Astarius,2017-10 Gothiniad of Surazeus Oracle of Gotha presents 150 792 lines of verse in 1 948 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 1993 to 2000 *Extreme Immortal*

Emperor Qian YuMo,2020-06-15 The era of the fall of an immortal god the gloomy life of the Divine Emperor A youth suddenly revived after tens of thousands of years A path cut through the endless abyss Hot blood and passion seemed to surge with rage Stepping on the battlefield his blood splattered everywhere The battle melody was the enemy of the entire world Time quickly passed by Han Feng wrote the path of the Immortal God killed the Divine Emperor destroyed the saints leaped to the heavens *The Singing Shepherd*

Rich Parlee,2005-12-21 The Singing Shepherd has a familiar theme an ancient people happy and self satisfied but threatened by a ruthless foe They had made the common mistake of blindly trusting an unworthy ambitious leader only to find disaster staring them in the face The tale reacts angrily to the spirit of our age whose monumental conceit has never been equaled in history an age dangerously reliant on its overrated inner resources and blind to its desperate need have help from outside its closed little systems The tale chafes at these systems of terrifying subtlety and effectiveness like the media as they place twisted concepts directly into vulnerable minds There is little in this story for those who believe that life can be lived without battles Politically correct sensibilities may be offended and outraged by the characters in conflict in The Singing Shepherd But folks who know that there can be no peace without war against the evil inside and outside will find the story encouraging maybe even inspiring The tale does not situate itself exactly in time That it happened long ago is obvious and this will have to suffice It cannot be called fiction for the stories are taken from history and headlines Though you won't find Shal Aman mentioned by name in the textbooks though Moshalim the Seer Baladan the boy king and Adriella his fiery fianc e are not in Who's Who they did exist they are real You will recognize them you may well find them inside your own head and in today's world The heroes in this tale are seriously flawed but this will only endear them to you because this story holds out to the world a hope that goes beyond the resources of human nature It reaches up to The One who in the end is our only real hope Wherever it takes you enjoy the journey
