Secret Societies Of Americas Elite From The Knights Templar To Skull And Bones:

Secret Societies of America's Elite Steven Sora, 2003-02-24 An expose of the dark and critical role secret societies play within the ruling families in America and their influence on American democracy current events and world history Reveals the enormous influence secret societies still have on contemporary American life Shows how the secret Masonic cells that smuggled in the democratic ideals inspiring the American Revolution also enabled the future elite of the new society to build huge fortunes Elite and secret societies have always been a major force in the history of Western civilization The alliances formed in secret societies such as the Knights Templar the Knights of Christ and the Freemasons transcended patriotism and religious beliefs and had a powerful influence on the establishment of the United States of America While these secret associations of merchants smugglers occultists gamblers spies and slavers succeeded in freeing the United States from foreign domination the dark side is that the elite used their secret connections to further their own wealth and power These secret cells did not hesitate to sponsor the assassination of a president and even attempted to break up the union on several occasions when it was deemed expedient From the Sons of Liberty and the Essex Junto to the Ku Klux Klan secret societies have played critical roles in building the fortunes of America s elite Now Steven Sora reveals in alarming detail how secretive societies continue to wield power even today as organizations such as Yale s Skull Bones unite America s modern ruling families as strongly as Masonic Lodges once connected the Astors Livingstons and Roosevelts Their immense power and wealth allow this elite to control America to an even greater degree than the Templars once dominated Europe

 of fraternal brotherhoods on this country is vast fundamental and hidden in plain view In the early twentieth century as many

not only in theatrical films but also in such television series as *The X Files* Lost and V [The Secrets of Masonic Washington](#) James Wasserman,2008-11-26 Esoteric symbols abound in Washington D C This illustrated guidebook provides a walking tour of the Masonic sites and symbols of the national capital and will be welcomed by students of esoteric symbolism as well as fans of Dan Brown s novels and the National Treasure movies *The Secret History of Freemasonry* Paul Naudon,2005-03-28 Explores the hidden history of Freemasonry from ancient Rome through the Middle Ages to the present Shows the close connection between medieval masons and the Knights Templar Illustrates the sacred nature of Roman and medieval trade associations Reveals the missing link that connects the lodges of modern Freemasonry to the medieval brotherhoods of builders Historians often make a sharp distinction between the operative Masonry of the Middle Ages and the speculative Masonry of modern times emphasizing that there is no direct bridge connecting the two Modern historians also have scoffed at Masonic claims concerning the close relationship between the Lodge and the Temple Using medieval archives housed throughout Europe historian Paul Naudon reveals that there was in fact a very intimate connection between the Masons and the Knights Templar Church records of medieval Paris show that most if not all the Masons of that time were residents of the Templar censive which allowed them to enjoy great exemptions and liberties from both church and state as a result of the protection afforded them by this powerful order Naudon shows that the origins of Freemasonry can be traced back to the collegia of ancient Rome He traces the evolution of organizations such as the Comacine Masters the Arab turuqs and the brotherhoods of builders created under the aegis of the Benedictines and the Knights Templar all of which provide the vehicle for the transmission of a sacred tradition from pre Christian times to the modern era This tradition is the source of Masonic ritual and symbolism and it provides the missing link in the transformation of the operative Masonry of the medieval cathedral builders to the spiritual principles of modern speculative Masonry **Rosicrucian America** Steven Sora,2019-11-19 An in depth history of Rosicrucianism its key members and their roles in the formation and settling of America Explores Sir Francis Bacon and Dr John Dee s deep influence on England s colonization of America as well as the Rosicrucian influence on the Founding Fathers and on cities such as Philadelphia and Williamsburg Explains how Bacon was the author of many anonymous Rosicrucian texts and how he envisioned America as the New Atlantis Reveals the connections of the Order of the Rosy Cross to the Knights of the Golden Circle and to the Georgia Guidestones Dr John Dee and his polymath prot g Sir Francis Bacon were the most influential men in the court of Queen Elizabeth I part of an elite group with invisible control throughout Europe And as Steven Sora reveals not only were they key members of the Rosicrucians they were the driving force behind England s colonization of the New World and the eventual establishment of the United States From Avalon in Newfoundland to New England to Pennsylvania and Virginia Sora shows how Bacon and Dee s Rosicrucian impact is felt throughout North America He details Bacon s possible authorship of the anonymous Rosicrucian texts of the early 1600s his connections with Sir Walter Raleigh s School of Night and the origins of

Rosicrucianism in Bacon's Order of the Helmet He explains how Bacon envisioned America as the New Atlantis a utopia where liberty and freedom of learning prevailed a key tenet of the Invisible College of the Rosicrucian Order and how Dee convinced the Queen that England had rightful claims in the New World by drawing on legends of both King Arthur and Welsh Prince Madoc voyaging West to America Sora looks at Rosicrucian influences on the Founding Fathers and earliest settlers of America such as Washington Franklin and William Penn of Pennsylvania on the American Revolution and on American colonies such as the Williamsburg colony He details how Penn invited Rosicrucians to Philadelphia and how the city's layout follows esoteric principles including a direct reference to Bacon's New Atlantis Moving into the 1800s and beyond he reveals how a handful of Rosicrucians served as the Inner Sanctum of the Knights of the Golden Circle and how Rosicrucians are behind the Georgia Guidestones carved granite monoliths with messages in ancient languages Providing a thorough and expansive view of Rosicrucianism its occult origins and its deep imprint on America Sora shows how this secret society still continues to exert invisible influence on the modern world [The Templar Meridians](#) William F. Mann,2006-01-23 Reveals the true nature of the secret science the Templars discovered in the Holy Land that was the key to their power Shows the cartographic knowledge that allowed the Templars to cross the Atlantic and establish settlements in the New World Explains the connection of the Templar meridians to the journey of Lewis and Clark Shows the role played by secret societies in the establishment of the United States The most enduring mystery surrounding the Templars concerns the nature and whereabouts of their great treasure Whereas many believe this lost treasure contains knowledge of the bloodline of Christ William F Mann shows that it actually consists of an ancient science developed before the Great Flood knowledge discovered by the Templars in the Holy Land during the Crusades and still extant today in Templar Masonic ritual Among other things this knowledge enabled the Order to establish accurate latitudinal and longitudinal positions long before the foundations of the current science were laid in the seventeenth century This allowed them to cross the Atlantic to reach the New World where they established secret settlements and mining operations that gave them a limitless supply of precious metals and a military edge over their opponents Pursued farther into the interior of the North American continent by their adversaries from the Old World the Templars left artifacts relics and information caches at key sites confident that future initiates could use their understanding of the science of meridians and ley lines to locate them The author points out that not only did future masons such as Jefferson and Washington use this science as the basis of their designs for Monticello and Washington D C but the true motive of the expedition of Lewis and Clark was to identify the meridians mapped by the Templars and to search for the final resting place of Prince Henry Sinclair where the great Templar treasure could also be found *The Knights Templar in the New World* William F. Mann,2004-03-03 Uses the principles of sacred geometry archaeological evidence and Native American legend to discover the site of a secret Templar settlement in Nova Scotia Offers evidence that Scottish prince Henry Sinclair not only sailed to the New World 100 years before Columbus but that he

also established a refuge there for the Templars fleeing persecution Shows that the Grail the holy bloodline connecting the House of David to the Merovingian dynasty through Jesus and Mary Magdalene was hidden in the New World In 1398 almost 100 years before Columbus arrived in the New World the Scottish prince Henry Sinclair Earl of Orkney sailed to what is today Nova Scotia where his presence was recorded by Micmac Indian legends about Glooskap This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the order by French king Philip the Fair at the beginning of the 14th century With evidence from archaeological sites indigenous legend and sacred geometry handed down by the Templar order to the Freemasons author William F Mann has now rediscovered the site of the settlement established by Sinclair and his Templar followers in the New World Here they found a safe refuge for the Grail the holy bloodline connecting the House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene until the British exiled all the Acadians in 1755 The Secret Legacy of Jesus Jeffrey J. Bütz, 2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother Islam the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul s desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival Jeffrey B tz author of *The Brother of Jesus and the Lost Teachings of Christianity* reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In *The Secret Legacy of Jesus* B tz demonstrates how this centuries old underground stream of Christ s original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but B tz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world *The Secret Society of Moses* Flavio Barbiero, 2010-01-19 A radical reexamination of Western history that suggests the descendants of Moses were the architects of the rise of the Roman Church and the ancestors of European aristocracy Answers the inexplicable disappearance of all mention of Moses s descendants from the Bible Reveals the key role played by Josephus Flavius in shaping early Christianity Explains the connection of this secret priesthood to modern secret societies like the Freemasons After the book of Exodus Moses s two sons and numerous descendants all vanish from the Bible Flavio Barbiero s investigation of this strange absence and his study of the centuries

long power struggle between the priestly families fighting for control of the Temple of Jerusalem starts with the rebellion against Rome and the emergence of Josephus Flavius one of Moses's descendants on the world stage In AD 70 when the Temple in Jerusalem was destroyed by Titus Flavius and thousands of Jewish priests were exterminated Josephus now bearing his sponsor's last name followed Titus Flavius to Rome with at least 250 relatives and friends Here they were made Roman citizens but then subsequently disappeared from recorded history Barbiero's careful study of early Christianity shows however that these surviving members of Moses's high priest lineage succeeded in taking control of the nascent Roman Church and masterminded its extraordinary success Using a wide range of evidence drawn from fields as disparate as archaeology heraldry and genetics Barbiero shows how these descendants of Moses used the cult of Mithras to eventually seize control of the secular Roman authority as well He then follows step by step the spread of the members of this secret priestly elite into what was to become the aristocracy of medieval Europe and how their influence continues to be felt in modern secret societies like Freemasonry
