Secret Talents A Victorian Novel

Margaret F King, Elliot Engel

Secret Talents A Victorian Novel:

A Companion to the Victorian Novel William Baker, Kenneth Womack, 2002-01-30 Victorian novels remain enormously popular today some continue to be made into films while authors such as Charles Dickens and George Eliot are firmly established in the canon and taught at all levels These works have also attracted a great deal of critical attention with much current scholarship examining the novel in relation to its historical political and cultural contexts This reference book is an introductory guide to the Victorian novel its background and its legacy Each chapter is written by an expert contributor and offers a fresh account of past current and new directions in scholarship The volume is divided into several broad sections with chapters in each section treating more specialized topics The first section looks at the emergence of the Victorian novel and its literary precursors with particular emphasis on the growth of serialization and the development of the novel of syndication The second explores significant social and cultural facets of nineteenth century British literature while the third discusses the principal features of different genres such as ghost stories the Gothic detective fiction the social problem novel and contemporary film adaptations Individual authors are examined in the fourth section while the fifth overviews various critical approaches and their application to nineteenth century fiction

The Idea of the Gentleman in the Victorian Novel Robin Gilmour, 2016-08-05 First published in 1981 this book represents the first comprehensive examination of Victorian society's preoccupation with the notion of the gentleman and how this was reflected in the literature of the time Starting with Addison and Lord Chesterfield the author explores the influence of the gentlemanly ideal on the evolution of the English middle classes and reveals its central part in the novels of Thackeray Dickens and Trollope Combining social and cultural analysis with literary criticism this book provides new readings of *Vanity Fair* and *Great Expectations* a fresh approach to Trollope and a detailed account of the various streams that fed into the idea of the gentleman

[Victorian Novel Before Victoria](#) Margaret F King, Elliot Engel, 2016-01-03 *Antifeminism and the Victorian Novel*, **The English Novel In History 1840-1895** Elizabeth Ermarth, 2006-09-07 The construction of history as a social common denominator is a powerful achievement of the nineteenth century novel a form dedicated to experimenting with democratic social practice as it conflicts with economic and feudal visions of social order Through revisionary readings of familiar nineteenth century texts *The English Novel in History 1840 1895* takes a multidisciplinary approach to literary history It highlights how narrative shifts from one construction of time to another and reformulates fundamental ideas of identity nature and society Elizabeth Ermarth discusses the range of novels alongside other cultural material including painting science religious political and economic theory She explores the problems of how a society as defined in democratic terms can accommodate political gender and class differences without resorting to hierarchy and how narrowly conceived economic agendas compete with social cohesion Students advanced undergraduates postgraduates and specialists will find this text invaluable

Domesticated Bachelors and Femininity in Victorian Novels Jennifer Beauvais, 2020-10-23 Domestic issues chastity

morality marriage and love are concerns we typically associate with Victorian female characters But what happens when men in Victorian novels begin to engage in this type of feminine discourse While we are familiar with certain Victorian women seeking freedom by moving beyond the domestic sphere there is an equally interesting movement by the domestic man into the private space through his performance of femininity This book defines the domesticated bachelor examines the effects of the blurring of boundaries between the public and private spheres and traces the evolution of the public discourse on masculinity in novels such as Bronte's Shirley Braddon's Lady Audley's Secret Eliot's Daniel Deronda and Stevenson's The Strange Case of Dr Jekyll and Mr Hyde This bachelor along with his female counterpart the New Woman opens up for discussion new definitions of Victorian masculinity and gender boundaries and blurs the rigid distinction between the gendered spaces thought to be in place during the Victorian period

A Short History of English Literature George Saintsbury, 1922

A Topography Plagued by Marginality in Victorian Novels Catalina Balinisteanu-Furdu, 2022-04-12

The purpose of this book is to analyse how marginality is experienced by the Other women orphans children labourers in Victorian literature and how these individuals succeed in transgressing borders or attempt at doing this The Other uses many strategies to climb the social ladder and to preserve a certain social position marrying into a superior social class subverting the master's position and usurping him acquiring education and knowledge to become superior tempting the master into passionate love affairs approaching interpersonal communication or staying true to one's own self defending one's moral values accepting lessons of domesticity becoming an angel in the house travelling to unknown territories exchanging reality for fictional worlds and so on On their way of achieving their goals the Others are shown in different spaces which contribute to the construction of their identity Our survey unfolds the complexity of the marginalization experience of the Victorian Others their individual or collective mentality and their agency Drawing on Otherness from six Victorian novels our book takes an interpretative approach The analysis of spaces revealed how the positionality of women or orphans or labourers in social hierarchies of gender race and legal status influences and even affects their legitimacy or access to a superior position Their agency has not always overcome their marginalization embedded within the structure of society but at least temporarily and gradually it has improved the women's living conditions by being rewarded with a beautiful family or by earning a living thus eluding the dependency on a man By contextualizing the six novels into the Victorian Age our survey will hopefully contribute to the understanding of women and of their attempts at emancipation by demonstrating how their positionality impacts their agency and their personality

A short history of English literature. Repr George Edward B. Saintsbury, 1903

School Stories Galore: 100 Tales of Fun and Friendship! Literary Bric-à-Brac and the Victorians Jen Harrison,2016-05-06 What are we to make of the Victorians fascination with collecting What effect did their encounters with the curious exotic and downright odd have on Victorian writers and their works The essays in this collection take up these questions by examining the phenomenon of bric brac in Victorian literature The contributors to Literary Bric Brac and the Victorians From Commodities to Oddities explore sites of unusual concurrence including museums the home art galleries private collections and the way in which bric brac brought the alien into everyday settings the past into the present and the wild into the domestic Focusing on the representation of material culture in Victorian literature the essays in this volume seek out miscellaneous and incongruous objects that take readers beyond the commonplace paradigms associated with commodity culture Individual chapters analyse the work of writers as different as Edward Lear and John Henry Newman Robert Browning and George Eliot Charles Dickens and Lewis Carroll In so doing they shed light on a dizzying array of topics and objects that include class and capitalism the occult and the sacraments Darwinism and dandyism umbrellas textiles the Philosopher s Stone and even the household nail

Forthcoming Books Rose Arny,1983 The Promise of the Suburbs Sarah Bilston,2019-02-05 A study of the fast growing Victorian suburbs as places of connection creativity and professional advance especially for women From the earliest decades of the nineteenth century the suburbs were maligned by the aristocratic elite as dull zones of low cultural ambition and vulgarity as well as generally female spaces isolated from the consequential male world of commerce Sarah Bilston argues that these attitudes were forged to undermine the cultural authority of the emerging middle class and to reinforce patriarchy by trivializing women s work Resisting these stereotypes Bilston reveals how suburban life offered ambitious women especially women writers access to supportive communities and opportunities for literary and artistic experimentation as well as professional advancement From more familiar figures such as the sensation author Mary Elizabeth Braddon to interior design journalist Jane Ellen Panton and garden writer Jane Loudon this work presents a more complicated portrait of how women and English society at large navigated a fast growing rapidly changing landscape

The Cambridge Companion to the Victorian Novel Deirdre David,2001 In The Cambridge Companion to the Victorian Novel first published in 2000 a series of specially commissioned essays examine the work of Charles Dickens the Bront s George Eliot and other canonical writers as well as that of such writers as Olive Schreiner Wilkie Collins and H Rider Haggard whose work has recently attracted new attention from scholars and students The collection combines the literary study of the novel

as a form with analysis of the material aspects of its readership and production and a series of thematic and contextual perspectives that examine Victorian fiction in the light of social and cultural concerns relevant both to the period itself and to the direction of current literary and cultural studies Contributors engage with topics such as industrial culture religion and science and the broader issues of the politics of gender sexuality and race The Companion includes a chronology and a comprehensive guide to further reading

The Secret Garden Shelley King, Heather K. Cyr, 2024-11-15 The New York Times wrote of The Secret Garden Many authors can write delightful books for children a few can write entertaining books about children for adults but it is only the exceptional author who can write a book about children with sufficient skill charm simplicity and significance to make it acceptable to both young and old Perhaps this quality of being a book that appeals to children but remains pleasurable for adult readers is the key to the remarkable enduring popularity of this Edwardian story of horticultural redemption for its protagonists a cross unlovely little girl brought from India to an unfamiliar England and a sickly boy given to temper tantrums This Broadview Edition provides extensive historical materials related to the novel s publication and reception as well as up to date and nuanced critical context

Altered Book Collage Barbara Matthiessen, 2006 Describes techniques in cutting pasting sewing beading stenciling and decoupage involved with creating altered collage books Presents 101 illustrated design ideas with tips and instructions

Representing Realists in Victorian Literature and Criticism Daniel Brown, 2016-12-15 This book is about the historical moment when writers and critics first used the term realism to describe representation in literature and painting While scholarship on realism tends to proceed from an assumption that the term has a long established meaning and history this book reveals that mid nineteenth century critics and writers first used the term reluctantly with much confusion over what it might actually mean It did not acquire the ready meaning we now take for granted until the end of the nineteenth century In fact its first definitions came primarily by way of example and analogy through descriptions of current practitioners or through fictionalized representations of artists By investigating original debates over the term realism this book shows how writers simultaneously engaged with broader concerns about the changing meanings of what was real and who had the authority to decide this

Varieties of Women's Sensation Fiction, 1855-1890 Vol 3 Andrew Maunder, Sally Mitchell, Tamar Heller, Mark Knight, Graham Law, 2024-10-28 Five sensation novels are here presented complete and fully reset along with scholarly annotation a bibliography of sensation fiction and articles contributing to contemporary debate

Romantic Prose Fiction Gerald Ernest Paul Gillespie, Manfred Engel, Bernard Dieterle, 2008 In this volume a team of three dozen international experts presents a fresh picture of literary prose fiction in the Romantic age seen from cross cultural and interdisciplinary perspectives The work treats the appearance of major themes in characteristically Romantic versions the power of Romantic discourse to reshape imaginative writing and a series of crucial reactions to the impact of Romanticism on cultural life down to the present both in Europe and in the New World Through its combination of chapters on thematic generic and discursive

features Romantic Prose Fiction achieves a unique theoretical stance by considering the opinions of primary Romantics and their successors not as guiding truths by which to define the permanent meaning of Romanticism but as data of cultural history that shed important light on an evolving civilization

SPECIAL OFFER 30% discount for a complete set order 5 vols

The Romanticism series in the Comparative History of Literatures in European Languages is the result of a remarkable international collaboration The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World but also the ways in which the affected literatures in reaction to Romanticism have redefined themselves on into Modernism A glance at the index of each volume quickly reveals the extraordinary richness of the series total contents Romantic Irony sets the broader experimental parameters of comparison by concentrating on the myriad expressions of irony as one of the major impulses in the Romantic philosophical and artistic revolution and by combining cross cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams Romantic Drama traces creative innovations that deeply altered the understanding of genre at large fed popular imagination through vehicles like the opera and laid the foundations for a modernist theater of the absurd Romantic Poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments Nonfictional Romantic Prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public discourse including Romanticism s own self commentary in theoretical statements on the arts society life the sciences and more Nor are the discursive dimensions of imaginative literature neglected in the closing volume Romantic Prose Fiction where the basic Romantic themes and story types the romance novel novella short story and other narrative forms are considered throughout Europe and the New World This enormous realm is seen not just in terms of Romantic theorizing but in the light of the impact of Romantic ideas and narration on later generations As an aid to readers the introduction to Romantic Prose Fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix No other series exists comparable to these volumes which treat the entirety of Romanticism as a cultural happening across the whole breadth of the Old and New Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries a heritage still very close to our age

American Claimants Sarah Meer, 2020-05-14 This book recovers a major nineteenth century literary figure the American Claimant For over a century claimants offered a compelling way to understand cultural difference across the Anglophone Atlantic especially between Britain and the United States They also formed a political talisman invoked against slavery and segregation or privileges of gender and class Later claimants were exported to South Africa becoming the fictional form for explaining black students who acquired American degrees American Claimants traces the figure back to lost heir romance

and explores its uses These encompassed real imagined and textual ideas of inheritance for writers and editors and also for missionaries artists and students The claimant dramatized tensions between tradition and change or questions of exclusion and power it offered ways of seeing activism education sculpture and dress The premise for dozens of novels and plays a trope a joke even the basis for real claims claimants matter in theatre history and periodical studies they touch on literary marketing and reprinting and they illuminate some unexpected texts These range from Our American Cousin to Bleak House Little Lord Fauntleroy to Frederick Douglass Paper writers discussed include Frances Trollope Julia Griffiths Alexander Crummell John Dube James McCune Smith Nathaniel Hawthorne and Mark Twain The focus on claimants yields remarkable finds new faces fresh angles a lost column and a forgotten theatrical genre It reveals the pervasiveness of this form and its centrality in imagining cultural contact and exchange
