#### **Expanding Earth (A Novella) and Genesis as Metaphor (An Essay)**

Norman Nathan, 2015-09-04 Expanding Earth a novella Family members recall Dr Nathan talking about the works futuristic vision of planet earths biosphere being so burdened with the densest ever human population that conditions require most people to live a subterranean existence There simply is insufficient above ground dry land capacity to accommodate all members of the species at ground level Dr Nathan believed that the story could support an engaging entertaining and provocative movie given its context set in an earth that is more overpopulated than imagined in any other book The novella was intended as a satirical warning of Malthusian eventualities if humans continue to fail to take control of their potential fate In a 2004 letter Dr Nathan described the book as dealing with a problem that is worldwide The writing is plot driven and contains a wide variety of characters Many readers will find in it an underlying satire of current events Genesis as Metaphor an essay Dr Nathan enjoyed teaching a university and life long learning course titled The Bible as Literature He had observed that most authors writing about the Bible appeared to be bound by a particular religious belief system and were much less interested in the Bible as a literary tome than as religious doctrine He was sympathetic to presenting Catholic Jewish Protestant Islamic and Fundamentalist interpretations as part of the course but he insisted they be treated only as particular interpretations The Genesis as Metaphor essay exemplifies his approach to this subject area
