[With a Portrait.] Thomas Watson (Rector of St. Stephen's Walbrook.),1818     **Where Is the Fear of God?** Charles Von Hammerstein,2010-01-26 The loss of the fear of God has been the greatest devastation to our nation and to the body of Christ It is the sign of the end times the mark of falling away from the Lord O how we need to recapture the fear of God in this day so that we all might be found prepared for the Lord s return We are living in the very days before the Lord s return when the prophecies of scripture are being fulfilled all around us Yet few are being prepared for his return with the holiness that He will demand We must follow after holiness without which no man shall see the Lord Heb 12 14 Such holiness cannot be obtained without the fear of the Lord being brought back into the church and especially into its leadership This book shows how the fear of God has been forsaken and it exposes the heart of compromise that is the spirit of our age Ask yourself how are you being prepared by the preaching of the fear of the Lord so that your life meets Christ s holy eyes     The Secrets to Getting Your Miracle Bill Vincent,2023-03-01 I ve witnessed the Church in desperate need of miracles Although I believe the price has been paid there are still a great number of people who have been affected You are about to learn that it is God s will for you to be healed and that God does not afflict His people with illness This book will begin with repentance and progress to God s love providing health Every believer will benefit from the latter two chapters Why don t miracles happen and some evidence appears in your life Church and even family to address this critical issue Also what is it that causes miracles to happen for some people but not for others This is a compact book that contains everything you ll need to receive your miracle     **Human Interaction with the Divine, the Sacred, and the Deceased** Thomas G. **The Secret to Spiritual Strength** Bill Vincent, 2023-04-28 The thing God kept speaking to me today was how many And how often might we have robbed ourselves of a blessing How many times and how often do you think it takes place that you tie down hands or rob yourself of a blessing Because sometimes we ll react rashly or so negatively about a situation instead of responding in the way God wants us to respond And I believe we have blown our blessings I believe some of this we started talking about last week but God s saying he wanted me to talk about this part this week where we need to understand that sometimes it s not the devil Sometimes it s not it s not somebody else But it s we have robbed ourselves of a blessing You say oh God doesn t work that way You got anybody here ever have a father everybody has a father a dad anybody here has a mother Everybody has a mother even no matter what And I m telling you when we look at this let s say for an example we have two girls both the same mother and let s say this one cleans a room This one gets all the things are taken care of she s supposed to do And this one does not There are certain benefits this one s gonna get Because this one has done and has been obedient to do what they re supposed to do The one that was disobedient and said I don t want to do it right now I don t care I don t want to clean my room it is too messy They don t receive the blessings because of obedience they believe they receive a blessing for their disobedience And what that means is they re going to get something because of their obedience And they re not because of their disobedience So the way God looks at us is the same way whenever he tells us to do something and we don t respond the way we re supposed to But it actually can rob us And just so you know not every time does God necessarily say Joshua you re supposed to write those things down and study them through because I m just trying to speak to you doesn t necessarily mean that you have to be obedient by something that God said to you Sometimes it s about God put laying something on your heart I went through a season of being robbed by the Spirit because God told me to give somebody 20 So when I finally caught up and I realized I shouldn t give them 20 I gave them 40 Because I figured I had some interest to make up Sometimes we get to the place

posterity Even if you have the first edition get this one      **Who am I?** Bernd Wannenwetsch,2011-11-03 It has often been noted that poetry is a particularly suitable medium when it comes to understanding the connection between theology and biography Needless to say that this is particularly exciting in the case of Dietrich Bonhoeffer and the poems he wrote during his imprisonment by the Nazis Although any one of his ten poems should be read within their respective historical and biographical context they are also rounded self sufficient pieces of work that cannot be explained by the biographical and theological prose that surrounds them They rather serve as a sort of creative and perhaps sometimes even critical interlocutor to these contexts This is why the contributors to this volume have not been asked to explain the poems but to facilitate this conversation the conversation between the reader and the poems between the individual poems as well as between the poems and Bonhoeffer s life and his theology These poems lend themselves ideally as an entry point into Bonhoeffer s theology in that each one of them resonates with a particular central theological concept that Bonhoeffer was developing in his prison years Themes and concepts such as friendship religion identity freedom representative action and others are not only represented in these poems but often expressed in the dense and compelling fashion that only poetic language affords As such they deserve the thorough and imaginative engagement of the international line up of first class theological authors gathered in this book      A Body of Practical Divinity Thomas Watson,1833      *Waiting on God* Rev. Jack K. Chow,2006-03-01 The Practice of Waiting on God is a latest Christian classic to make its debut The book serves multiple purposes It explains what waiting on God is all about and uncovers its intrinsic value it points out some practical ways of finding and experiencing the invisible God it helps build up and deepen ones personal relationship and intimacy with God it ushers one into the presence of God and teaches how to remain therein thus abiding in the Lord it offers simple and practical suggestions as to how to hear the voice of God how to know the will of God how to obtain and retain the anointing of the Holy Spirit as well as how to be led by the Spirit of God      **Numerical Secrets of the Bible** Casper J. Labuschagne,2016-07-20 Were you intrigued but disappointed by The Bible Code Numerical Secrets of the Bible written by one of Europe s leading biblical scholars gives you the actual facts about one of the most important recent discoveries in the field of biblical study namely that the books of the Bible are numerical compositions The biblical writings were not written in an off hand manner but were meticulously composed according to compositional techniques in which the counting of words played a crucial role This discovery has far reaching consequences for our views on the formation and the structure of the text of the Hebrew Bible and of the Greek text of the New Testament Labuschagne introduces you to the fascinating world of number symbolism in biblical times He demonstrates how well known symbolic numbers such as 7 and 12 and especially the lesser known holy numbers 17 and 26 which represent the numerical value of the name YHWH were used to give structure to the text and to deepen its contents Among other fascinating findings this study confirms the medieval Jewish tradition that the name of God is interwoven in the fabric of the text of Holy Scripture      *My Little Visits With God Corrected* Ellen Landreth,2016-03-30

This book is a result of years and years of blogging my interaction with God as I worked my way through the pages of the New Testament It gave me a joy unspeakable and full of glory As I wrote I prayed for those who would read my words especially my children grandchildren and future generations     The Seer Dimensions Jennifer LeClaire,2019-10-22 The seer realm lies just beyond what your natural eyes can see This dimension is full of activity both angelic and demonic The Seer Dimensions offers revelation and practical teaching that will help you understand and navigate the heights and depths of the spiritual world Many people who see in the spirit often don t know what     *Enemies of Destiny* Connie Hunter-Urban,2021-08-20 Have you been called for God s purpose When that happens you should be aware that something else will occur attacks The enemy doesn t want you to move into your destiny so he uses any obstacle to keep you from continuing toward the goal Even people David s life demonstrates those dynamics However he didn t let his massive number of attacks deter him but continued to maneuver toward his grand destiny despite the assaults By studying his examples we can learn how to recognize that someone is being used by satan as our enemy and how we can emerge victorious and stronger despite the attack As we move toward our God ordained destiny God will use even hard times for our good     The Secrets of Spiritual Power Joyce Meyer,2008-12-14 Everyone is controlled by something Who is controlling your life you the devil or the Holy Spirit The Bible says we are controlled by the Holy Spirit But how can someone know who is in control Our flesh will always manipulate make demands and pressure us to fulfill its desires The Holy Spirit is always gentle meek and humble He will lead and guide us in a still small voice By contrast the devil s voice is sharp hard and pressing The Holy Spirit will always lead us into all truth and bring clarity and understanding to our minds Satan has only one purpose to lie deceive and confuse us In THE SECRETS OF SPIRITUAL POWER Joyce Meyer shows you how to obey the Holy Spirit And by doing this you will experience spiritual power as well as love joy peace patience kindness goodness gentleness faithfulness and self control
