P. Ruck, 2016-01-18 In the ancient world men and women joined cults known as Mysteries to unite with the deities of the otherworld and achieve eternal life The most important of the Mysteries existed for two millennia at the village of Eleusis Its deities were Demeter and Persephone interchangeable in their roles as mother and daughter The initiations and other rituals of this goddess based cult were a profound secret divulging information was punishable by death For centuries scholars have probed the secrets of the Eleusinian Mysteries and kykeon its sacramental Eucharist a sacred drink containing psychoactive chemicals similar to those in LSD Their discoveries have been buried in the arcane language of alchemy the occult sciences and secret societies Here in prose accessible to all readers Carl Ruck unravels the Mysteries revealing the awesome powers of the goddesses as well as the pagan underpinnings of Western culture *Roman-catholic controversy, a drawing-room*

Sullivan, Aeterna Press, OUR CATHOLIC LITURGY is a grand and harmonious manifestation of man's homage to God Its words and ceremonies and devotions are the growth of centuries The essentials of our Church's worship have been embellished with a wealth of ritual observance of which each detail is symbolic of the purpose for which that worship is offered The explanation of these manifold practices is the object of this work Aeterna Press

the Roman Catholic Church This volume features theological considerations towards such topics as Penance Extreme Unction Holy Orders Last Things Marriage and other important topics that we often take for granted in our thinking in the church and in worship towards God These topics must be carefully considered if we are to ever have a deep understanding and love of the one true God and his son Jesus Christ

*Failed God* John A. Rush, 2019-04-16 On a 2001 trip to the cathedrals of Europe anthropologist John Rush and his wife entered St Mark's Basilica in Venice and encountered a mosaic depicting Jesus surrounded by mushrooms with an Amanita muscaria cap in his hand Examining the space with new eyes they discovered images of mushrooms and mind altering plants all over the Basilica Intrigued Dr Rush spent seven years researching and reflecting on the profound effects hallucinogens had on the founding of all three major Western religions He concluded that Judaism Christianity and Islam are political constructions evolving out of the use of not only Amanita muscaria but a plethora of mind altering substances

*Failed God Fractured Myth in a Fragile World* re examines the scriptural stories of Judaism Christianity and Islam as told in the Bible and Qur'an and reveals them as concocted mythical charters stemming from drug induced romps with the super natural Rush shows how mind altering substances played an instrumental role in the birth and development of Western religions and explains how they contributed to reports of prophetic experiences including angry and disturbing messages from the divine With chapters on Judaism Christianity and Islam Rush fully addresses the effects of mind altering substances on each tradition convincingly discrediting the idea that they stem from actual human interaction with the divine He also shows how an intoxicated and over zealous Apostle Paul corrupted Jesus's simple message of human decency forming an oppressive religious system based on fear In a thought provoking conclusion Rush asks how we can continue to attribute authority to traditions that were so clearly irrationally founded and incompatible with today's world
