Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO

exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **Cult Watch** John Ankerberg, John Weldon, 1991-01-01 A compilation of the entire Facts On series Cult Watch gives you facts about the major cults and movements in a format you can use in counseling or witnessing **The Challenge of the Cults and New Religions** Ron Rhodes, 2009-08-30 Cults and New Religions Aren't Hard to Find They're in your neighborhood your workplace your school maybe even your family Cults are flourishing across America Chances are you've encountered one perhaps even know someone who is involved in a cult Can you discuss knowledgeably the critical differences between Christianity and the teachings of Mormonism Jehovah's Witnesses Scientology the New Age movement Hindu based cults and other prominent groups and religious movements In this essential resource preeminent cult authority Ron Rhodes explains what cults are why they are cause for concern and why in the 21st century as never before their numbers and memberships are exploding nationally and worldwide Drawing on his extensive experience as a cult researcher Rhodes offers to the point cutting edge information on twelve major cults and new religions Mormonism Jehovah's Witnesses Mind Sciences New Age Movement Church of Scientology Hindu based Cults Unification Church Baha'i Faith Unitarian Universalism Oneness Pentecostalism Masonic Lodge Satanism Learning the distinctives of these groups will equip you to deal with any of the thousands of other less significant cults you may encounter The Challenge of the Cults and New Religion includes Color photos Scripture Index Subject Index Glossary Bibliography And your resources don't end at the last page You can supplement your knowledge whenever you choose by visiting the author's Web site at www.ronrhodes.org for free thorough up to the minute information on each cult discussed in the book If you're concerned for the temporal and eternal welfare of others The Challenge of the Cults is a must It will help you confront the deception of false Christs and lying doctrines with the clear well grounded truth of biblical Christianity *Character Counts* Michael Glenn Maness, 2010-12 *The Vigilant Citizen 2018 Volume 1: Hidden Knowledge* , Within these articles is a wealth of knowledge that enlightens the mind and that provides the insight necessary to fully understand the forces at work in the world today 1 Mind Control Theories and Techniques used by Mass Media 2 The Order of the Illuminati Its Origins Its Methods and Its Influence on the World Events 3 The Hidden Hand that Shaped History 4 Origins and Techniques of Monarch Mind Control 5 The World of Mind Control Through the Eyes of an Artist with 13 Alter Personas 6 Who is Baphomet 7 Aleister Crowley His Story His Elite Ties and His Legacy 8 The Mysterious Connection Between Sirius and Human History 9 Dumbing Down Society Part I Foods Beverages and Meds 10 Dumbing Down Society Part 2 Mercury in Foods and Vaccines 11 Dumbing Down Society Part 3 How to Reverse its Effects 12 The Hidden Life of Marilyn Monroe the Original Hollywood Mind Control Slave Part I 13 The Hidden Life of Marilyn Monroe the Original Hollywood Mind Control Slave Part II 14 The Agenda Behind Bruce Jenner's Transformation 15 NXIVM The Powerful

Cult That Turns Rich Women Into Mind Controlled Slaves Ars Quatuor Coronatorum ,1929 **Reasoning from the Scriptures with Masons** Ron Rhodes,2001-02-15 Did you know that The name of Jesus is removed from Masonic rituals to avoid offending anyone The secret name of Masonry s god specifically includes Jehovah Baal and Osiris Many people are unaware of the far reaching impact the Masonic Lodge has today Ron provides accurate information on the structure and beliefs of Masonry then carefully contrasts its practices with Scripture Continuing the easy to follow question and answer format of the Reasoning from the Scriptures series this informative guide reveals the occultic symbolism secret oaths and hidden rituals that are an integral part of Masonic tradition Readers will discover honest fact based insights on the dangers of this fraternal order and specific suggestions for sharing biblical truth with Masons Beyond Religion: Discovering Authentic Christianity in a World of Rituals (Matthew 15:8) Pastor Yves Gerard, These people honor me with their lips but their hearts are far from me Matthew 15 8 In a world overflowing with rituals traditions and religious performance many are left wondering Is this all there is to Christianity Beyond Religion Discovering Authentic Christianity in a World of Rituals takes a courageous and thought provoking look at the difference between outward religiosity and inward transformation Drawing from the words of Jesus and the witness of Scripture this book explores the heart of faith a living vibrant relationship with God as distinct from the hollow routines that can often dominate religious life From majestic cathedrals now reduced to tourist attractions to modern churches wrestling with cultural compromise this book confronts the spiritual crisis of our time the disconnect between religious form and authentic spiritual encounter Inside you will explore The biblical contrast between religion and relationship How religious systems throughout history have shaped and sometimes distorted Christian faith The psychological and spiritual dynamics of ritualism The hidden cost of religious performance on personal faith The challenges facing the modern church including the influence of Freemasonry Practical steps to move beyond hollow rituals to genuine relationship with Christ Global perspectives on cultural Christianity vs kingdom living Whether you re a pastor a lifelong churchgoer a disillusioned believer or a curious seeker this book offers a roadmap toward deeper more authentic faith With a rich blend of theology history and pastoral insight Beyond Religion challenges readers to examine their own spiritual lives and invites them into a more intimate walk with the living God Authentic Christianity isn t about appearances it s about transformation Join the journey to move beyond religion and rediscover the heart of faith The Quest For Truth Michael Dedicovai,2012-08 This book is for the reader who takes interest in an age old issue that remains contemporary with every succeeding generation When how and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate Free from the shackles and bias imposed by the various schools of religious scientific and philosophical thought the examinations offered herein are rooted in

systematic analyses of the scientific philosophical ethical social and finally the religious which in turn allows for the explanation and justification of concepts that enable the reader to adopt a perspective relevant to the distinctions of absolute truth and relativistic assumptions Our age is accurately referred to as the age of advancement and technology and for good reason The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence As a result of the significant expansion of the sciences the desire for an understanding of self and simply of why has in many ways been diluted thus negating the never ending questions that once tugged at man s conscious in the middle of the night for thousands of years Today s amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten mankind as never before The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations however coupled with that are the problems of population explosion which in the not too distant future will give rise to serious concerns We have the ability to harness the power of the atom yet along with it comes the ability to destroy all that we hold sacred Taking into consideration the advanced age we live in how does one account for the remarkable complexity extant throughout the known universe Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to random chance alone The law of causation deals with the need for a preceding event leading to the outcome and despite the fact that this scientific age has left its handprint on every facet of life today it has failed to satisfy the innate question of simply why
