The Seeing Century,2021-10-25 The twentieth century with all its turbulence and change its conflicts and its discoveries was perhaps above all the century of cinema and The Seeing Century offers an innovative international and interdisciplinary exploration of the role cinema plays in contemporary life and culture and the complex and fascinating relationship between screen images and our changing concepts of personal and national identity Rejecting the compartmentalisation that has traditionally marked film studies and confronting an impressively eclectic range of material fifteen essays by leading academics from around the world cut across divergent cultures languages and genres mainstream Hollywood rubs shoulders with low budget Icelandic or Sicilian cinema and the popular and the esoteric feature alongside each other In this way the reader is offered a stimulating overview which directly addresses the contradictions and ambiguities inherent in the relationship between film and identity and reveals the vibrancy of contemporary film debate to which The Seeing Century makes an important and thought provoking contribution

Una fuga raudal Ángel Luis Luján Atienza, Una fuga raudal Capítulos de la Modernidad poética en España se presenta como un recorrido por algunos de los principales hitos de la historia contemporánea de la poesía en nuestro país señalando una línea de continuidad que explica la coherencia y a la vez los matizadas de la evolución de la literatura hispana desde la consolidación de la Modernidad con la figura central de Juan Ramón Jiménez hasta la transición hacia la disolución de esa misma Modernidad en autores como Diego Jiménez o María Victoria Atencia En el centro la atención a figuras como las de Pablo García Baena o Juan Rejano permiten al lector contrastar lecturas de signo contrapuesto Estas consideraciones de carácter histórico vienen enmarcadas por un análisis de cuestiones temáticas que afectan al desarrollo global de la poesía del siglo XX y abarcan desde procedimientos formales

como el uso del encabalgamiento del estribillo o de estructuras cílicas hasta cuestiones de estética e identidad como la política del nombre propio o la presencia del mito de Narciso en la poesía y arte contemporáneos. El título de este volumen está tomado del inicio de Espacio donde Juan Ramón define su ser rico. No soy presente solo sino fuga raudal de cabo a fin y es que la fuga puede representar en gran medida el signo de una poesía del siglo XX que afectada por el malestar que produce un presente que carece de horizontes humanos intenta huir sin dirección ni destino claros generando en su avance ciego su propia forma y sentido.

Madriguera del Gusano Blanco Bram Stoker, 2023-06-03 Adam Salton pasó casualmente por el Empire Club de Sydney y se encontró con una carta de su tío abuelo. Poco menos de un año antes había tenido noticias del anciano caballero Richard Salton revelando su parentesco y asegurando que no había podido escribirle más pronto a causa de sus enormes dificultades en dar con el paradero de su sobrino nieto Adam. Quedó muy complacido y respondió cordialmente a menudo hablando a su padre sobre la rama más antigua de la familia con quienes él y los suyos habían perdido el contacto hace mucho tiempo. Había comenzado una interesante correspondencia. Adam abrió apresuradamente la carta que acababa de llegar que contenía una amable invitación para instalarse en Lesser Hill con su tío abuelo tanto tiempo como le fuera posible. Verdaderamente escribió a Richard Salton esperando que se establezca aquí permanentemente. Usted sabe mi querido muchacho que nosotros somos los últimos descendientes de nuestra estirpe y sería conveniente que usted me sucediera cuando llegue el momento. En este año de 1860 voy a cumplir los ochenta y aun cuando nuestra familia es longeva mi vida no puede prolongarse más allá de los límites razonables. Estoy dispuesto a quererle y a proporcionarle un hogar junto a mí todo lo feliz que usted desee. Por lo tanto venga tan pronto como reciba esta carta y compruebe la bienvenida que espero darle. Por si le facilitase las cosas le envío una libranza bancaria de doscientas libras esterlinas. Venga pronto y podremos gozar juntos de algunos días felices. Si está a su alcance concederme el placer de su visita enviéme lo antes posible una carta diciéndome cuándo debo esperarlo. Cuando llegue usted a Plymouth o Southampton o a cualquier puerto a que esté destinado espere a bordo que me uniré a usted lo más pronto posible.
