Secrets Of Rennes Le Chateau:

Secrets of Rennes-le-Château Lionel Fanthorpe,P. A. Fanthorpe,1992 A parish priest becomes rich overnight and begins the eccentric restoration of his church Almost 100 years have passed and the mystery remains unsolved Secret societies and mysteries abound as Lionel and Patricia Fanthorpe provide an introduction to the mystery of Rennes le Chateau

The Treasure of Rennes-le-Château Bill Putnam,John Edwin Wood,2005-01-01 It is said that Berenger Sauniere priest of the village Rennes le Chateau was guarding a secret about Jesus Christ The Priory of Sion an organisation apparently founded in the 12th century is said to lie behind the tale This book publishes a study of the village and reveals the source of Sauniere s wealth and nature of the Priory of Sion

Saunier's Model and the Secret of Rennes-le-Chateau André Douzet,2015-02-25 In 1916 Berenger Sauniere the enigmatic priest of the French village of Rennes le Chateau created his ultimate clue he went to great expense to create a model of a region said to be the Calvary Mount indicating the Tomb of Jesus But the region on the model does not resemble the actual lay out of Jerusalem Did Sauniere leave a clue as to the true location of his treasure And what is that treasure After years of research Andre Douzet discovered this model never collected from the model maker by Sauniere who had died just before the model s completion Backed by evidence showing correspondence between Sauniere and the model maker Douzet also reveals much new evidence including the revelation that Sauniere spent large amounts of time and money in the city of Lyons often on exotic and high tech photographic instruments And for the first time it is shown Sauniere met some very interesting people from esoteric in particular Martinist circles in Lyons This body of evidence for the first time demonstrates there is indeed a true mystery surrounding this village priest a theory widely speculated on so far by others authors but seldom if ever backed by evidence The model is the only real clue Sauniere left behind as to the nature and location of his treasure and is unveiled in this book which includes pictures and detailed drawings of the model among many other things It also reveals the location of the region where Sauniere had located his treasure and where Douzet himself has so far recovered large quantities of precious and semi precious materials Above all Douzet demonstrates that grounds of Perillos not so much hold a treasure though present but rather a secret and that this secret was the true importance of Sauniere s mystery a secret that is said to be of vital importance and terrifying force

Saunière's Model and the Secret of Rennes-le-Château André Douzet,2021-02-16 In 1916 Berenger Sauniere the enigmatic priest of the French village of Rennes le Chateau created his ultimate clue he went to great expense to create a model of a region said to be the Calvary Mount indicating the Tomb of Jesus But the region on the model does not resemble the actual lay out of Jerusalem Did Sauniere leave a clue as to the true location of his treasure And what is that treasure After years of research Andre Douzet discovered this model never collected from the model maker by Sauniere who had died just before the model s completion Backed by evidence showing correspondence between Sauniere and the model maker Douzet also reveals much new evidence including the revelation that Sauniere spent large amounts of time and money in the city of

Lyons often on exotic and high tech photographic instruments And for the first time it is shown Sauniere met some very interesting people from esoteric in particular Martinist circles in Lyons This body of evidence for the first time demonstrates there is indeed a true mystery surrounding this village priest a theory widely speculated on so far by others authors but seldom if ever backed by evidence The model is the only real clue Sauniere left behind as to the nature and location of his treasure and is unveiled in this book which includes pictures and detailed drawings of the model among many other things It also reveals the location of the region where Sauniere had located his treasure and where Douzet himself has so far recovered large quantities of precious and semi precious materials Above all Douzet demonstrates that grounds of Perillos not so much hold a treasure though present but rather a secret and that this secret was the true importance of Sauniere s mystery a secret that is said to be of vital importance and terrifying force

Mysteries of Templar Treasure & the Holy Grail Lionel Fanthorpe, Patricia Fanthorpe, 2004-08-15 Next to Rosslyn Chapel in Scotland no other place on Earth holds as much esoteric symbolism as France s Rennes le Chateau Its location and design are the subjects of countless rumors myths and legends Mysteries of Templar Treasure and the Holy Grail formerly published as The Secrets of Rennes le Chateau delves into the reality behind the action and adventure of The Da Vinci Code Rennes le Chateau has plenty of secrets buried treasure unsolved murders supernatural powers codes on parchments and tombstones not to mention clues concealed in statues and paintings enigmatic priests who controlled immense wealth and secret societies that are still active today The authors survey the arcane history and secrets of Rennes le Chateau including its relationship to the Merovingian bloodline of Christ The Chateau is a possible location of an immense treasure such as a Templar Cathar or Priory of Sion hoard The final resting place of a famous artifact like the Ark of the Covenant the Spear of Longinus the Emerald Tablets of Hermes Trismegistus or even the Holy Grail The authors also examine Rennes le Chateau s proximity to Cathar and Templar fortresses its mystical layout and its location on the same Paris meridian as so many other esoteric mysteries Extensive appendices in the book offer possible solutions to secret cryptograms point out odd connections and commonalities between Rennes le Chateau and J R R Tolkien s Lord of the Rings and suggest the possibility of fourth dimension tesseract implications

The Holy Place Henry Lincoln, 1991 From the author of Holy Blood Holy Grail the basis for The Da Vinci Code comes a deeper exploration of the secrets of Rennes le Chateau In 1982 Henry Lincoln with colleagues Michael Baigent and Richard Leigh published Holy Blood Holy Grail Dell which became an immediate international bestseller It investigated Rennes le Chateau a small town in France where in the late 19th century Berenger Saunier s discovery of a series of parchments led in turn to a large but cursed treasure that challenged many traditional Christian beliefs including the possibility that Jesus s bloodline still exists The treasure s story moved back through history to the Crusades the origins of the Knights Templar and the Virgin Birth itself While Baigent and Leigh moved on to different subjects Lincoln has continued to pursue the mysteries of Rennes le Chateau Dan Brown s international bestseller The Da Vinci Code Doubleday 3 03 based

on Holy Blood Holy Grail has re ignited curiosity about this ancient powerful town In The Holy Place Lincoln reveals through further surveys decoding and analysis that this area in southwest France is the site of a vast megalithic Christian masterpiece a holy place of enormous size and importance The Secret to the Treasure of Rennes-Le-Chateau Michael Alan Kuhn,2018-01-17 In the south of France is the quaint village of Rennes le Chateau It is the source of mystery and many theories as to how the poor local priest found the money to make the major renovation and additions to the church property Did he find the treasures of the Knight Templar While the author was sitting in the chapel of the church this vision came forth It may change your life forever *Rennes-le-Château* R. Lionel Fanthorpe,P. A. Fanthorpe,1991 This work represents a Christian response to the controversial book The Holy Blood and the Holy Grail which first brought the mystery surrounding Rennes le Chateau to the public s attention The labyrinthine story involves the mysterious hidden treasure of Rennes Cathars and the Knights Templar alchemists and Rosicrucians the Habsburg royal family the Inquisition and an opera star it takes the reader from France to Glastonbury and to Nova Scotia site of the equally mysterious Money Pit *Key to the Sacred Pattern* Henry Lincoln,1998 The mystery of Rennes le Chateau the tiny village perched on a mountain top in the foothills of the Pyrenees and the sudden unexplained wealth of its flamboyant priest Berenger Sauniere are explored in this highly entertaining book Henry Lincoln sets down for the first time the dramatic story of his thirty years of delving into one of the strangest mysteries of modern times to show how the proofs finally lead to an astonishing revelation Key to the Sacred Pattern takes us further into the hidden byways marked out by our ancestors and sets it upon provable and demonstrable foundations The boundaries of the original riddle of Rennes le Chateau are extended from the Pyrenees to Brittany and the Baltic Sea Our ancestors were not as we thought primitive and unenlightened but far more gifted than we have ever imagined Here is the lifting of the veil on a mysterious and dramatic legacy **The Holy Place** Henry Lincoln,2005 The great enigma that surrounds this small village in the foothills of the Pyrenees formed the starting point for the sensational bestseller The Holy Blood and the Holy Grail It investigated the curious case of the village priest Berenger Sauniere who in the late nineteen century discovered a series of parchments in the church which led him not only to a possible buried treasure but also back to the cryptic legends that Jesus bloodline still exists Dan Brown s Da Vinci Code has reignited curiosity about this ancient settlement and in The Holy Place Henry Lincoln sets out to decode why Rennes le Chateau has been the source of so much mystery and drama It is nothing less than the eighth wonder of the ancient world a natural and perfect pentacle of mountain peaks surrounded by a titanic man made temple Previously invisible to all but the initiated few this magnificent monument is now disclosed The clues were well hidden over the centuries in parchments tombstones riddles and works of art What is now shown is an immense geometrical temple stretching for miles across the landscape a constellation of pentacles circles and hexagons a Holy Place of enormous size and significance **The Paradise Co-ordinates** John R. Pollard,2002 Ever since Berenger Sauniere arrived as cure of the tiny church in Rennes le Chateau in

the south west of France and unearthed its mystery nothing but more mystery has surrounded it Sauniere began his career there in 1885 and although himself poor and impoverished did manage to raise sufficient funds to begin much needed restoration work on the church In the course of that work it was discovered that one of the altar pillars was hollow Inside the pillar were several wooden scrolls and inside the scrolls were parchments Two of these parchments turned out to be encrypted messages which when decoded pointed to Rennes le Chateau as the repository of secret treasures With help Sauniere decoded these messages and as a result acquired vast wealth almost overnight There has been a great deal of speculation delivered in the form of TV documentaries a great many books and even these days various websites as to exactly what Sauniere s discovery was One theory suggests that Rennes le Chateau inherited the treasures of Jerusalem plundered by the Romans in AD 70 then plundered again by the Visigoths when they sacked Rome Thereafter the Visigoths spread their kingdoms into what is now France Whatever this treasure was with his new found wealth Sauniere embarked on a wide range of private and civic building projects in Rennes le Chateau He lived out the remainder of his life there until 1917 in comfort and well being Precisely how he found these riches has stimulated much interest since with most who have studied the subject believing the treasure still remains in Rennes le Chateau and awaits re discovery So far all scholarship and writing surrounding it has failed to offer even the slightest insight as to where the treasure is located However it is now the case that John R Pollard s Paradise Co ordinates can and does reveal the point in Rennes le Chateau where the author determines the treasure is buried through a reasoned working out of just those same clues and codes that were available to Sauniere This is a subject that recurrently surfaces in the national press has been featured in TV documentaries and whose related websites receive an enormous number of visitors First intimation that treasure was at some point secreted at Rennes le Chateau occurred during the seventeenth century when a shepherd called Ignace Paris went looking for a lost sheep Ignace stumbled on the entrance to a cave and went inside to look He found himself in a crypt The crypt was littered with coffers under the dead gaze of several skeletons Amazingly the coffers were filled with gold coins Naturally Ignace helped himself and with his pockets full of gold returned to his village where he was quizzed When he refused to tell anyone where the vault was he was accused of theft and executed Much later in 1885 the church of Rennes le Chateau received a new curate Berenger Sauniere who fared a good deal better than Ignace Initially Sauniere was taken in and looked after by a family more impoverished than he Their name was Denarnaud Somehow Sauniere was granted church permission to move the Denarnaud family into the presbytery and he arranged also for Marie the Denarnaud daughter still then a teenager to help him run the church Thereafter he and Marie became lifelong companions In 1891 Sauniere raised funds to carry out restoration work to the church in the course of which it was found that the altar pillars were hollow Inside one pillar were four or five sealed wooden rolls one of which contained a parchment This parchment bore an inscription its text a mix of French and Latin which at first glance appeared to be a passage from the Gospels The mayor got to hear of it and was soon

asking Sauniere all about it Satisfied that the mayor would never on his own interpret the text Sauniere showed it him and offered the view that the parchments were to do with the Revolution but were without real value That temporarily kept the mayor quiet though Sauniere called a halt to his restoration project In February 1892 it is believed that Sauniere went to Paris Here he sought the help of church paleographers who examined the parchment text At this time Sauniere also made a few social calls notably on Emma Calve world famous opera star and friend to Claude Debussy He and Emma entered a relationship that was destined to endure Probably as a result of the paleographers findings Sauniere next headed off to the Louvre where he acquired a copy of Poussin s *Shepherds of Arcadia* Poussin was a Renaissance painter born near Paris in 1594 and who died in Rome in 1665 where he had spent most of his working life He is known today principally for his scenes from the Bible and from Greco Roman antiquity of which *Shepherds of Arcadia* might be said to be an example With his print and his paleographers report Sauniere returned to Rennes le Chateau having assembled sufficient information to locate whatever treasure was hidden in or around or beneath his church Evidently one of the parchments yielded a measurement from the church altar to a position outside called the castle The documents also drew attention to a specific tomb in the churchyard that of Marie de Negri D Ables Dame d Hautpoul de Blanchefort whose grave and headstone bore slightly eccentric inscriptions These turned out to provide a key to the encrypted text of his parchments which Sauniere was now able to decode When he and Marie dug it was at the entrance to a vault whose treasures were intact Inevitably Sauniere may have sold certain pieces and thereby amassed his fortune Whatever was the case he returned to his restoration work now conceiving it on a far larger scale than before The presbytery was repaired and a new wall put up round the churchyard New works included a summer house a rock garden fountains The five kilometre cart track that led to the village Sauniere remade nearby as a modern highway He purchased houses and land He and Marie kept open house for the local gentry and persons such as Emma Calve were known to visit Generally both he and Marie lived high with Sauniere careful enough to cover his tracks Title deeds were put in Marie s name and the inscriptions on the Blanchefort grave and headstone he obliterated not knowing that a written copy had previously been made The mayor called round again superficially angered at Sauniere s treatment of the tomb but in truth curious as to his new found wealth Sauniere fobbed him off with food wine and cash as was also the case with the bishop of Carcassonne who himself came snooping Undeterred Sauniere went on with his projects He built a villa with ramparts and a tower where he installed an extensive library Soon after that the then bishop of Carcassonne retired His successor a Monsignor de Beausejour was a little more forceful and demanded to know the source of Sauniere s wealth Sauniere prevaricated The bishop had him summoned to the court of Rome and suspended A new priest came to Rennes le Chateau but was given the cold shoulder not only by Sauniere but by the villagers whose loyalties hadn t changed Eventually the bishop accepted defeat In January 1917 Sauniere arranged for a new water supply to the entire village work that he himself didn t live to see carried out He died on 22nd January of cirrhosis of the liver all that high living

leaving Marie as his sole beneficiary That left Marie as the only person who knew his secret which meant Marie was richly provided for throughout the remainder of her life She shut herself away and for many years lived as a recluse In 1946 a M Corbu and his wife came to live with her To M Corbu she related her fantastic story She promised him her house and told him his future was certain to be secure while not exactly saying how The bad news for Corbu

Lost Tomb of the Knights Templar Ben Hammott,2008-10 The mysteries surrounding Berenger Sauniere the controversial Priest of Rennes le Chateau in Languedoc related to then immense fortune he suddenly acquired Much of this was spent on the strange architecture he built into the hilltop village church of St Madeleine thought to be the pointer to an hidden treasure Ben Hammott has followed these clues with startling success revealing coins dating from 50 BC artefacts as early as the time of Christ documents and a Tomb But the tomb contains not only a mummified cadavre but artefacts gold boxes containing perhaps documents or who knows what Excavation is pending Ben reveals all
