Madam Oracle,2019-10-08 Dream Killers are real and they are not going anywhere anytime soon they are here to stifle distract or propel us into our destiny If we evaluate our take on life people will attempt to place us in a box if we allow them to do so Now if one has a desire to bring forth their Inner Genius or Greatness he or she must think inside outside around over under and through the box of life our dreams as well as our obstacles leaving no stone unturned We must evaluate or inspect every area of our lives to ensure that we do not have any hidden kryptonite zapping our Personal Power We can say we have our lives under control publicly but my purpose is to extract the private matters of the heart that is blocking the Greatness we cannot talk about to just anyone What good is a solution if we are clueless on how to apply it right The Step By Step Secrets to our Genius Status is a process that is available to all within the pages of this book We often look for the Genius in everyone else as opposed to ourselves and this is where I believe we are getting sidetracked Of course it happens to the best of us but watching our steps is a prerequisite to avoid getting caught up Yes caught up with people places and things we should be avoiding For this reason self awareness is of the utmost importance What I have found on my journey through life we put off things until tomorrow yet our tomorrows become another tomorrow For example we are set to start a new project on a certain day but we find ourselves saying I will start tomorrow When the next day appears we procrastinate Then we say to ourselves again I will start tomorrow The never ending cycle of tomorrows come and go until we change our mindset to incorporate the NOW If we take a moment to look at NOW closely we will notice it reads WON in reverse In my opinion our change lies in the way we see the NOW and the choices we are making to WIN With or without a Dream Killer our Genius from Within is in the NOW and it is ready to come forth In this book I am going to reveal a lot of SECRETS that will revolutionize and PROTECT our lives I am also going to reveal the SECRETS on how to counteract the negative with a positive backed up by scripture as well as the Power of Twelve Secrets that are hidden in plain sight This DIY information will equip us with the tools as well as the understanding needed to advance to Multi Levels of Greatness guaranteed **16**

Spiritual Deliverance Strategies That Will Set You Free Willie Estrada,2017-04-16 Have you ever asked yourself why people don t get delivered from their spiritual oppressions Why do people struggle with evil influences or unwanted situations no matter how hard they try to get rid of them Spiritual deliverance never comes and did you know that most people think that they don t get delivered because they don t pray or fast enough This is because we think that by praying

and fasting more our prayers will be heard But the scribes and Pharisees thought the same way and the Lord did not approve of their actions Praying and fasting are two important factors for our deliverance but most people don't get delivered because they simply ignore that prayers without the backing of the Holy Spirit are just mere words This means that it is the backing of the Holy Spirit that will set you free and that leads us to a profound question Do you have the backing of the Holy Ghost If you have it then you should already be delivered from your sufferings and oppressions because no evil can stand against the mighty power of the Holy Ghost If you don't have it then you might need to dig deeper behind your prayers and seek the support of the Spirit in order for you to get delivered Whether you are a new prayer warrior or already have experience on the battlefield today you're going to learn how to welcome the power of the Spirit in your life before you say another prayer Remember what the Lord said It's not by might nor by power but by My Spirit saith the Lord of hosts Zechariah 4:6

STRATEGIES TO GO ALONG WITH YOUR SPIRITUAL WARFARE PRAYERS

- Staying away from worldly activities
- Staying away from spiritual junk food
- Watching your relationships
- Watching what you say
- Changing your environment
- Setting yourself some goals
- Making a commitment

For more information look inside the presentation of this book Prayers are the weapon that the Lord gave us to fight against Satan but how can we win a war with weapons alone How can an army be victorious without the knowledge needed on the battlefield In any battle we need strategies and our spiritual battle is no different Many times we don't see our prayers answered and we wonder what we might be doing wrong ignoring that the strategies are not there to back our prayers As Christians we need to be aware of all these things so the purpose of this book is to help you promote the Holy Spirit in your life through strategies that will give you the victory over Satan's spiritual attacks You can continue doing what you've been doing all along but if you're not getting delivered maybe it's time to ask yourself a serious question How do I promote the Holy Spirit in my life In this book you will find the answer to that question Each strategy is based on Biblical principles and backed by the teachings of the Lord so you can be sure that freedom will come your way Get this book today and expect positive results and the freedom that you long for

The Art of Spiritual Warfare Venatius Oforka, 2018-06-21

Since the beginning of time a fierce spiritual battle has raged between the forces of good and evil Today the spiritual entities of wickedness are winning burdening countless souls in a world lacerated by evil To claim victory God is calling us to engage in spiritual warfare as the only way to save the world from the desolation that is sure to come In these pages theologian Venatius Oforka explains that we are part of a spiritual web through which God acts to save souls No longer does God create out of nothing Instead He achieves His purposes through the prayers and actions we pour in To win such a sophisticated war Oforka introduces us to the supernatural weapons of war and how we can shape the events that affect our earthly and eternal

destiny From Father Oforka you will learn How the ministry of intercession can bring salvation to millions of hopeless souls How to frustrate the Devil's evil schemes How to free yourself from the encumbrances of the flesh so you can fully participate in spiritual warfare The two basic actions Christians must undertake to survive evil days The profound advantage you have over Satan and his works How and why God needs intercessors to save souls Why God requires us to act before He steps in The critical role of the angels and the saints in fighting evil The importance of suffering in spiritual warfare Why God needs our prayers to make His Kingdom come The Art of Spiritual Warfare is the one book you need to awaken our world from its spiritual hibernation and to exercise the awesome privilege of working with God in the realization of His Kingdom
