The Laws and Secrets of Success Alex Hammer, 2013-10-02 The Laws and Secrets of Success recently published and already an Amazon bestseller has quickly received stellar five star reviews from leading Amazon Hall of Fame Reviewers among the top 100 reviewers on all of Amazon Very very highly recommend this UNIQUE book it is the best book regarding how to be successful that I have ever read Daisy S TOP 10 AMAZON HALL OF FAME REVIEWER The power of his intuitions is infectious Grady Harp TOP 50 AMAZON HALL OF FAME REVIEWER This is one of those books where you will want to underline something important on each page This is one of the most important books I have read in 2013 Rebecca of Amazon TOP 100 AMAZON HALL OF FAME REVIEWER About this book This book is written in the style of the great Napoleon Hill Think about this With all of the success books out there why don t we have more successful people Too many success books simply rehash conventional wisdom The truly great success books such as Napoleon Hill s Think and Grow Rich instead enable life changing success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world s most successful individuals The only way to do this is to study the world s most successful individuals as Napoleon Hill has done And as I have done as well For over two decades I have devoted myself to studying and interviewing the most successful individuals across varying fields so that I could see and learn for myself the principles which set them apart in terms of their success And that is what I share with you here Get ready to throw out many of the things that you thought you knew about success Let s start at the beginning with a simple truth Success is hard Very hard Very very very very hard We all know that once we have had a little bit of experience and are honest with ourselves We all want to be more successful but let s face it sometimes we just don t know how It s because as they say we don t know what we don t know So we make the same mistakes over and over again often without fully realizing it until later And then we blame ourselves or others in regard to why things didn t turn out as we had hoped or planned It s this simple If you want to increase your level of success read this book We all go through the same struggles This book simply but powerfully is your instruction manual on how to overcome them Read this book and in 60 days you won t even recognize the person you used to be And neither will your family and friends This is the type of change that allows you to get the things you really want in life The things previously outside your reach The things you saw others gain and achieve but never seemed to be able to get for yourself That can change today We all know that a few better ideas can accelerate one s success substantially Successful people take their better ideas and know how to leverage them further and execute them better than other people do Once you understand the processes that successful people utilize to do this you can very quickly ramp up your own success as well Everybody struggles Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals Success breeds confidence making it easier over time If you don t want to keep making the same mistakes over and over and over again you need to understand

and understand well what these success principles are That is what this book provides to you The Secret Code of Success
Noah St. John,2024-06-11 Americans spend more than 11 billion a year on self help products everything from books to diet pills to career coaches to seminars So why with all this time money and energy being spent are so few people living the life they really want Why are millions of smart talented motivated people still going through life with one foot on the brake Here s the real Secret You don t need any more how to succeed information to reach your full potential The problem isn t lack of motivation or lack of information The real problem is that most people focus on the how to aspects of success taught by traditional self help programs without coming to terms with what productivity expert Noah St John calls your head trash the subconscious emotional roadblocks that prevent people from acting on their real hopes dreams and ambitions In this groundbreaking book based on work with thousands of clients around the world Noah St John has created a remarkable step by step approach that helps you achieve long term happiness success and wealth In The Secret Code of Success you will learn how to Eliminate the causes of self sabotage and fear of success Allow yourself to make more money Remove stress while dramatically increasing personal productivity Improve relationships with coworkers family and friends Experience enhanced feelings of happiness connection and love The Secret Code of Success shows that when it comes to success the conscious mind is exactly the wrong place to start It s only when we first conquer the self sabotage of our subconscious which accounts for 90 percent of our behavior that we can truly begin to enjoy a life filled with success This insight is at the core of The Secret Code of Success and leads to Noah s revolutionary 7 step method for eliminating these psychological obstacles True financial freedom and personal success is possible at last The Secret Code of Success shows you how to get your foot off the brake and start living the life you deserve *Secrets of Mind Power* Harry Lorayne,1995-10-18 Memory improvement thinking techniques
