down Learn the unspeakable truth At times this book will scare you then make you laugh then amaze you and also make you cry Last entry is my trip back to Vietnam on December of 2009 I tell you about Vietnam today Anatomy of Error Henry Brandon,1970-01-01 Spies and Commandos Kenneth Conboy,Dale Andrade,2000-03-16 During the Vietnam war the United States sought to undermine Hanoi s subversion of the Saigon regime by sending Vietnamese operatives behind enemy lines A secret to most Americans this covert operation was far from secret in Hanoi all of the commandos were killed or captured and many were turned by the Communists to report false information Spies and Commandos traces the rise and demise of this secret operation started by the CIA in 1960 and expanded by the Pentagon beginning in 1964 in the first book to examine the program from both sides of the war Kenneth Conboy and Dale Andrade interviewed CIA and military personnel and traveled in Vietnam to locate former commandos who had been captured by Hanoi enabling them to tell the complete story of these covert activities from high level decision making to the actual experiences of the agents The book vividly describes scores of dangerous missions including raids against North Vietnamese coastal installations and the air dropping of dozens of agents into enemy territory as well as psychological warfare designed to make Hanoi believe the resistance movement was larger than it actually was It offers a more complete operational account of the program than has ever been made available particularly its early years and ties known events in the war to covert operations such as details of the 34 A Operations that led to the Tonkin Gulf incidents in 1964 It also explains in no uncertain terms why the whole plan was doomed to failure from the start One of the remarkable features of the operation claim the authors is that its failures were so glaring They argue that the CIA and later the Pentagon was unaware for years that Hanoi had compromised the commandos even though some agents missed radio deadlines or filed suspicious reports Operational errors were not attributable to conspiracy or counterintelligence they contend but simply to poor planning and lack of imagination Although it flourished for ten years under cover of the wider war covert activity in Vietnam is now recognized as a disaster Conboy and Andrade s account of that episode is a sobering tale that lends a new perspective on the war as it reclaims the lost lives of these unsung spies and commandos **MACVSOG Command History** Charles F. Reske,1992 *Back Fire* Roger Warner,1995 From 1960 to 1973 the United States and the communist powers waged a hidden war in Laos which led ultimately to the catastrophe of the Vietnam War Warner s groundbreaking book offers the first full account of this secret war based on his access to previously closed files and to interviews with intelligence players military officers and government officials who have not spoken out before **The Vietnam War** Andrew Wiest,Chris McNab,2016-12-15 The Vietnam War chronicles the first war to be televised The comprehensive description of battles social and political issues and revelations are all the more powerful because of first hand accounts telling photographs and other primary sources Students will learn the causes outcomes and repercussions of this polemic conflict through a historical lens and from the perspectives of soldiers civilians and others caught up in the Vietnam War The Illustrated History of the Vietnam War Andrew Wiest,Chris

McNab,2015-07-15 A compelling account of one of the most brutal conflicts of modern history that includes eye witness accounts of the battles and incidents of America s undeclared war      **Bright Light** Stephen Perry,2010 Bright Light is the true story of the author s training as a green beret medical specialist and his service with the top secret MACV SOG The book reveals for the first time firsthand accounts of dangerous black operations behind enemy lines during the peak of the Vietnam War The author also shares the sometimes humorous happenings within the relative safety of the base camp and his warnings for our actions in Iraq and Afghanistan      **Secrets and Lies in Vietnam** Panagiotis Dimitrakis,2016-05-20 The Vietnam War lasted twenty years and was the USA s greatest military failure An attempt to stem the spread of Soviet and Chinese influence the conflict in practice created a chaotic state torn apart by espionage terrorism and guerilla warfare American troops quickly became embroiled in jungle warfare and knowledge of the other side s troop movements communication lines fighting techniques and strategy became crucial Panagiotis Dimitrakis uncovers this battle for intelligence and tells the story of the Vietnam War through the newly available British American and French sources including declassified material In doing so he dissects the limitations of the CIA the NSA the MI6 and the French intelligence the SDECE in gathering actionable intelligence Dimitrakis also shows how the Vietminh under Ho Chi Minh established their own secret services how their high grade moles infiltrated the US and French military echelons and the government of South Vietnam and how Hanoi s intelligence apparatus eventually suffered seriously from spies amongst us paranoia In doing so he enhances our understanding of the war that came to define its era
