Secrets You Keep From Yourself How To Stop Sabotaging Your Happiness:

Secrets You Keep from Yourself Dan Neuharth, 2004-03-25 This is the newest book from Neuharth whose previous book *If You Had Controlling Parents* can claim a very respectable spot on the shelf of self help books USA TODAY *Secrets You Keep from Yourself* Dan Neuharth, 2025-08-22 This insightful guide is an exploration of how and why people undermine their happiness and lose touch with their best selves Counterproductive self deception a universal behavior is a habit that can be broken People keep themselves from having what they want a phenomenon known as self handicapping Offering poignant examples innovative tools and a compassionate perspective Dan Neuharth reveals how to vanquish self imposed roadblocks and avoid unnecessary losses in order to embrace and share the best in oneself **The 10 Best Questions for Surviving Breast Cancer** Dede Bonner, 2008-09-30 A good mind knows the right answers but a great mind knows the right questions And never are the Best Questions more important than after a diagnosis of breast cancer Drawing on cutting edge research and original interviews including with former surgeon general C Everett Koop bestselling author Dr Susan Love well known breast cancer survivors like Betty Rollin and experts at the top cancer care centers in the world The 10 Best Questions for Surviving Breast Cancer is a guide you ll take with you into your doctor s office and keep close to you through every step of your treatment and recovery In addition to the medical questions you ll also learn what you need to ask your friends colleagues and loved ones so that the rest of your life doesn t take a backseat to your diagnosis How many days I can afford to be out p 211 What questions are my children likely to ask p 261 When will I be comfortable being intimate again with my partner p 234 With a wealth of resources and up to the minute information The 10 Best Questions for Surviving Breast Cancer shows you how to move past a scary diagnosis and use the power of questions to become your own best advocate for your emotional mental physical and financial health *Sham* Steve Salerno, 2006-09-26 Self help To millions of Americans it seems like a godsend To many others it seems like a joke But as investigative reporter Steve Salerno reveals in this groundbreaking book it s neither in fact it s much worse than a joke Going deep inside the Self Help and Actualization Movement fittingly the words form the acronym SHAM Salerno offers the first serious expos of this multibillion dollar industry and the real damage it is doing not just to its paying customers but to all of American society Based on the author s extensive reporting and the inside look at the industry he got while working at a leading lifestyle publisher SHAM shows how thinly credentialed experts now dispense advice on everything from mental health to relationships to diet to personal finance to business strategy Americans spend upward of 8 billion every year on self help programs and products And those staggering financial costs are actually the least of our worries SHAM demonstrates how the self help movement s core philosophies have infected virtually every aspect of American life the home the workplace the schools and more And Salerno exposes the downside of being uplifted showing how the empowering message that dominates self help today proves just as damaging as the blame shifting rhetoric of self help s Recovery movement SHAM also reveals How self help gurus conduct

extensive market research to reach the same customers over and over without ever helping them The inside story on the most notorious gurus from Dr Phil to Dr Laura from Tony Robbins to John Gray How your company might be wasting money on motivational speakers executive coaches and other quick fixes that often hurt quality productivity and morale How the Recovery movement has eradicated notions of personal responsibility by labeling just about anything from drug abuse to sex addiction to shoplifting a dysfunction or disease How Americans blindly accept that twelve step programs offer the only hope of treating addiction when in fact these programs can do more harm than good How the self help movement inspired the disastrous emphasis on self esteem in our schools How self help rhetoric has pushed people away from proven medical treatments by persuading them that they can cure themselves through sheer application of will As Salerno shows to describe self help as a waste of time and money vastly understates its collateral damage And with SHAM the self help industry has finally been called to account for the damage it has done Also available as an eBook *The 10 Best Questions for Living with Alzheimer's* Dede Bonner, 2008-11-04 A good mind knows the right answers but a great mind knows the right questions And never are the 10 Best Questions more important than after the life altering diagnosis of Alzheimer s disease Drawing on cutting edge research and advice given by experts from the Alzheimer s Association Mayo Clinic and UCLA s Memory Clinic and Center for Aging as well as personal stories from caretakers including television star and activist Linda Dano and nationally syndicated columnist Harriet Cole The 10 Best Questions for Living with Alzheimer s is a guide you ll take with you to your doctor s office and keep close at hand as your loved one progresses from the initial diagnosis through all the stages of the disease In addition to the medical questions you ll also learn what you need to ask your spouse or parent questions to assess home safety issues driving skills and home care and how to care for your own emotional legal and financial health With a wealth of resources and up to the minute information The 10 Best Questions for Living with Alzheimer s shows you and your family how to move past a scary diagnosis and use the power of questions to become your own best health advocate for yourself and for your loved one *The 10 Best Questions for Living with Fibromyalgia* Dede Bonner, Dr. Patrick B.
