Secrets From The Sixth Floor Window Jfk Assassination:

JFK Connie Kritzberg,1995-03-01 *JFK Assassination Logic* John McAdams,2011 Untangling the logic behind the JFK conspiracy claims **Honest Answers about the Murder of President John F. Kennedy** Vincent Michael Palamara,2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject **The Radical Right and the Murder of John F. Kennedy** Harrison E. Livingstone,2004 The Radical Right and the Murder of John F Kennedy Stunning Evidence in the Assassination of the President Harrison E Livingstone s major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963 The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men and companies who backed them It then describes the cover ups by the media the major investigations over the years the FBI and the mind control cooperation at work in the case to misdirect researchers and the public The book describes in great detail the people and companies in Texas who planned and carried out the assassination It names names One recent investigation in the 90s followed Mr Livingstone s preceeding work and reinvestigated with the witnesses both he and the official investigations had talked to but this time took into consideration their documentation and what they had actually said and in a chapter this is his stunning new evidence from the U S government under President Clinton that is blowing the lid off the case Mr Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference As a result Mr Livingstone was on all major TV networks and on the Today show NBC with Katie Couric the next morning The book also contains the story of Dallas doctor Charles Crenshaw s law suit and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992 Dr Crenshaw s book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr Livingstone s major

work on the medical evidence High Treason 2 were JAMA s targets and the depositions contain much discussion of Mr Livingstone s major impact on the JFK case This new book is to be followed closely by a sixth book entirely about the Zapruder film called The Hoax of the Century Decoding the Forgery of the Zapruder Film *Matrix for Assassination* Richard Gilbride,2009 A phantom haunts America the ghost of Dealey Plaza where President John F Kennedy was shot on November 22 1963 In *Matrix for Assassination* author Richard Gilbride a schoolboy in 1963 who became fascinated with the facts condenses much of the research conducted in recent years after a mountain of new data became available from classified files with the passing of the John F Kennedy Assassination Records Collection Act of 1992 *Matrix for Assassination* names the names It offers simple and defensible solutions to many of the crime s lasting enigmas Who were the shooters Who forced Ruby to kill Oswald Who orchestrated Kennedy s autopsy cover up What actually happened in the book depository Were the Dallas police in on the plot The Pentagon LBJ The CIA Thoroughly referenced with 300 accompanying photographs *Matrix for Assassination* is bookended by two events which draw it through the tabloids and into the X Files Marilyn Monroe s strange death and JFK s clash with an above top secret UFO cabal Her murder was a prelude to Dallas at the heart of the military industrial complex dwelt a sinister darkness that originated in Nazi Germany *The Hidden History of the JFK Assassination* Lamar Waldron,2013-10-21 INSIDE THE CRIME OF THE CENTURY This fascinating history draws on never before published information to reveal the Mafia conspiracy that led to the assassination of John F Kennedy Answering the questions that have haunted Americans for decades Why and how was JFK murdered *The Hidden History of JFK s Assassination* draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy in addition to former FBI Secret Service military intelligence and Congressional personnel who provided critical first hand information The book also uses government files including the detailed FBI confession of notorious Mafia godfather Carlos Marcello to simply and clearly reveal who killed JFK Using information never published before the book uses Marcello s own words to his closest associates to describe the plot His confession is also backed up by a wealth of independent documentation This book builds on the work of the last Congressional committee to investigate JFK s murder which concluded that JFK was probably assassinated as a result of a conspiracy and that godfathers Santo Trafficante and Carlos Marcello had the motive means and opportunity to assassinate President Kennedy However it also draws on exclusive files and information not available to Congress that have only emerged in recent years to fully explain for the first time how Marcello and Trafficante committed and got away with the crime of the 20th century *Conspiracies and Secret Societies* Brad Steiger,Sherry Steiger,2012-06-01 The invisible world of influence and power revealed Hidden agendas uncovered Examines 250 current and historical conspiracies secret cabals and powerful groups Startling allegations Suppressed evidence Missing witnesses Assassinations Cover ups and threats Documented connections to an even deeper intrigue Allusions to the New World Order Coincidences Too many to be mere coincidence American history is replete with warnings of hidden plots by the Illuminati

The Missing JFK Assassination Film Gayle Nix Jackson, 2016-07-12 Orville Nix is not the typical JFK assassination book This book does not attempt to answer the question of who killed John F Kennedy instead it addresses why we should question the actions of those involved and why the truth was withheld from the people Though copies of Orville Nix s film exist the original film is missing Why The FBI confiscated Orville s camera for several months then returned it in pieces Were these actions sinister or were they just examples of governmental incompetence Orville Nix exposes information about the House Select Committee staff s involvement in the missing film Author Gayle Nix Jackson s interviews with people who were close to Orville and the film will shed light on the government s involvement with the filmmaker Gayle Nix Jackson is the granddaughter of Orville Nix As his eldest granddaughter Nix Jackson shares experiences growing up with her beloved grandfather and on how his views changed after that fatal day Hearing his story precipitated the quest Jackson is still on to find the film Her grandfather was there that day for a reason and if the original Nix film could be located modern day technology could determine if there was indeed another person behind the stockade fence or not Questions still abound today as to whether or not the film was altered Finding the original Nix film would answer one of the most enduring questions related to this horrific event Was there a conspiracy to kill John F Kennedy on November 22 1963 Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World

War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The JFK Assassination Don Becker, 2010-12 Revised February 2011 I called the book a researcher's guide for a reason This book is a compilation of the material I read about the assassination but in a totally different format Easy to read direct and to the point I tried to give as much information as possible Obviously I could not possibly put all the information in one book so I was a bit selective in the data I recorded It contains numerous aspects of the case and nearly every line will lead the researcher to the source of the information so they can continue to look into that particular topic When I started my research my goal was to prove Lee Harvey Oswald did not murder John Kennedy By the time I proved Oswald did not shoot Kennedy I noticed Oswald did not shoot Tippett either Noting where he was seen before the shooting and where he was after the shooting will prove he was not at the window at 12 30pm I will prove my point I determined Oswald did not have time to get into position to do the shooting The motorcade was scheduled to pass the Book Depository at 12 25 pm Oswald was in the lunch room at 12 15 and Bonnie Ray Williams was on the 6th floor alone until 12 20 A good sniper would have been in position well in advance of his prey's expected arrival which Oswald was not But wait there's more Looking at some of the evidence from a totally different perspective I was able to prove a conspiracy I compared the wounds with the Bullet count and the time statistics of the rifle I assure you no one has looked at it from this viewpoint The closest any author came to mentioning this concept was Harrison Livingstone's book High Treason

The JFK Assassination Debates Michael L. Kurtz, 2006-11-08 Who killed JFK Ever since that fateful day in Dallas theories about President Kennedy's murder have proliferated running the gamut from the official lone gunman verdict to both serious and utterly screwball conspiracy theories Michael Kurtz a distinguished historian who has plumbed every crevice of this controversial case for more than thirty years now sums up and critiques four decades of debate while also offering provocative new perspectives Kurtz presents an objective accounting of what we actually know and don't know about the assassination underlining both the logic and the limitations of the major theories about the case He then offers unique interpretations of the physical and forensic evidence and of existing areas of controversy leading him to new conclusions that readers will find hard to dismiss Kurtz shows how the official investigation's egregious mishandling of the crime scene evidence related to virtually every aspect of the case is largely responsible for the lone gunman conspiracy schism that confronts us today Those responsible for that investigation including the Dallas police the FBI and the Warren Commission failed so miserably in their efforts that they would have been laughed off the air if they had been portrayed on any of TV's popular CSI series One of the few experts writing on the subject who actually met Oswald Kurtz also provides new information about the accused assassin's activities around the time of the assassination and about his double life

analyzing Oswald's ties to the intelligence community to organized crime and to both anti and pro Castro Cuban activists. Mustering extraordinary documentation including exclusive interviews with key figures and extensive materials declassified by the Assassination Records Review Board, he both confirms and alters much previous speculation about Oswald and other aspects of the case. Who really killed JFK? Forty years later, most Americans still feel they don't know the truth and that their own government isn't telling them the whole story. This book offers a corrective to even the most recent final verdicts and establishes a sound baseline for future research.

Assassination Science James, 2013-11-26 If you have ever been tempted to believe that President Kennedy was killed by a lone demented gunman named Lee Harvey Oswald, then **Assassination Science** is the one book which will convince you beyond any reasonable doubt that there was indeed a conspiracy and a cover up. Completely lacking the wild speculation that have marred some books on the shooting of JFK, **Assassination Science** sticks to the hard facts interpreted by medical and scientific expertise.
