## **Secrets In The Dark A Life In Sermons:**

Secrets in the Dark Frederick Buechner, 2007-03-13 Frederick Buechner has long been a kindred spirit to those who find elements of doubt as constant companions on their journey of faith He is a passionate writer and preacher who can alter lives with a simple phrase Buechner's words both written and spoken have the power to revolutionize and revitalize belief and faith He reveals the presence of God in the midst of daily life He faces and embraces difficult questions and doubt as essential components of our lives rather than as enemies that destroy us Listen to your life is his clarion call This theme pervades this definitive collection of sermons delivered throughout Buechner's lifetime Presented chronologically they provide a clear picture of the development of his theology and thinking Reflecting Buechner's exquisite gift for storytelling and his compassionate pastor's heart Secrets in the Dark will inspire laughter hope and bring great solace Turn the pages and rediscover what it means to be thoughtful about faith See why this renowned writer has been quoted in countless pulpits and beloved by Americans for generations

**Reading Buechner** Jeffrey Munroe, 2019-11-19 Frederick Buechner is one of the most gifted writers of his generation with an important legacy as a memoirist novelist theologian and preacher In this book Buechner expert Jeff Munroe presents a collection of the true essentials from across Buechner's diverse catalog as well as an overview of Buechner's life and a discussion of the state of his literary legacy today

The Empathic God Frank Woggon, 2024-05-07 What if Jesus did not come to die for our sins What if instead Jesus's life and death was intended to provide a way out of our shame While traditional Christian teachings about the atonement emphasize sin as guilt and transgression against God's will and commandments Frank Woggon points out that clinical spiritual care reveals that the human condition is predominantly marked by shame rather than guilt In The Empathic God Woggon examines myopic readings of the Jesus event that in turn have embedded distortions into traditional paradigms of the atonement In contrast Woggon mines narratives of the human condition to engage in a critical examination of the Jesus story As a clinician and ordained Baptist minister Woggon presents the Jesus event as God's empathic initiative toward humanity and convincingly argues that salvation comes through empathy rather than forgiveness Woggon's work constructs a clinical theology of atonement from the perspective of clinical spiritual care The Empathic God calls for a practical response of caring participation in God's ongoing work of salvation through an empathic praxis of spiritual care Most importantly The Empathic God takes seriously that lived human experience is the starting point for theological exploration rather than doctrine This book will help practitioners and students of spiritual care in the Christian tradition to reflect more critically on the intersection of spiritual care practice and theology The book also will challenge pastors ministers of pastoral care chaplains pastoral counselors spiritually oriented therapists to interrogate and re-interpret traumatic shame-filled Christian teachings about the atonement so that they too can join in God's ongoing and liberating work of salvation

**Vanishing Grace** Philip Yancey, 2018-06-05 In a time of division and discord Christians have come to be seen not as bearers of good news and love but of judgement and

intolerance How did we get here And what can we do about it With a reporter s eye and a compassionate heart Philip Yancey bestselling author of What s So Amazing About Grace suggests practical ways in which we can live as salt and light within a society that is radically changing What can we learn from those who shun church but consider themselves spiritual How do people like artists pilgrims and activists model for us a more compelling path to faith than our usual concept of evangelism Can the good news once spoiled ever sound good again In Vanishing Grace Yancey tackles challenging and timely questions and offers a discerning look at what contributes to the rising hostility toward Christians acknowledging the ways that Christians themselves have contributed to this hostility and exploring how we can respond with both grace and truth In the wake of recent events and cultural shifts people both inside and outside the church are thirsty for grace Vanishing Grace calls us to see their thirst and ours in a hopeful new light as we listen love and offer a grace that is truly good news

**Encounters in the Dark** Noel Forlini Burt,2020-10-16 An interdisciplinary study of a familiar patriarchal narrative Encounters in the Dark Identity Formation in the Jacob Story traces the many moments of darkness in the life of Jacob From the darkness of his mother s womb to the darkness Jacob uses to deceive his father and his brother to the night he sleeps on the ground with just a stone for a pillow at Bethel and to the triumphant scene of wrestling God by the Jabbok River the biblical story frequently situates Jacob in the darkness Through an exploration of key moments in Jacob s story Noel Forlini Burt follows Jacob s journey from home to exile and back home again His story symbolizes the larger story of Israel s own wrestling with God in the darkness of exile and return Features An exploration of the poetics and rhetoric of the Jacob story An examination of characterization in its ancient and modern contexts An analysis of individual and collective identity

**Known** Dick Foth,Ruth Foth,2017-06-06 In an often shallow and fast paced world how can we really know and be known by another person How do we make true friends The Digital Age is all about change but the need for true friendship never changes You are designed for real engagement with others for affirmation that goes beyond a simple like on social media for connection over meals for hope and excitement about the future Above all you need to be known and accepted for who you are But how do you find and maintain this kind of friendship in a fluid and frenetic culture In Known Dick and Ruth Foth offer inspiration and proven practices to build relationships through personal storytelling and affirmation They draw on years of mentoring rich relationships and the model of Jesus to show you why friendship is one of the keys to a full life and the greatest gift we can give to each other

**Surprised by Faith** Joy McBride,Daryl McCarthy,Bob VanderVennen,2009-03-26 Surprised by Faith celebrates the 75th anniversary of C S Lewis kicking and screaming his way into Christianity his 1931 conversion Lewis described himself as the most dejected and reluctant convert in all England But a convert nonetheless surprised by joy This volume was inspired by Lewis s autobiographical account of the life events which led to his coming to faith an event that had a profound effect on his work and his relationships In Surprised by Faith Lewis s conversion is explored as both a rational quest for truth and a romantic quest for meaning This collection of essays commemorates Lewis s

conversion but also celebrates examines and discusses what conversion means to us as scholars academicians and most importantly as human beings It s a kind of conversation about conversion The conversation s participants are individuals from a variety of backgrounds who themselves have been converted in the classic Christian sense Surprised by Faith hopefully will challenge the reader to think more deeply biblically and theologically about the transformation that takes place in each life that embraces Christ and moves from unbelief to belief The essays look at the influence of conversion on perspectives as they relate to various disciplines such as anthropology poetry psychology education philosophy and culture

*Night Driving* Chad Bird,2017-10-11 Journeys that begin in brokenness rarely follow a straight road to healing There are twists and turns and setbacks on the path of repentance Night Driving tells the story of a pastor and seminary professor whose moral failures destroyed his marriage and career left his life in ruins and sent him spiraling into a decade long struggle against God Forced to fight the demons of his past in the cab of the semi truck he drove at night through the Texas oil fields Chad Bird slowly began to limp toward grace and healing Drawing on his expertise as an Old Testament scholar Bird weaves together his own story the biblical story and the stories of fellow prodigals as he peels back the layers of denial anger addiction and grief to help readers come face to face both with their own identities and with the God who alone can heal them

**The Courage to Be Queer** Jeff Hood,2015-09-18 God is Queer In a world of normative paradigms God will never fit in and nor should we That twitching and itching for something more will consistently be present

until we step out of our closets and into the Queer The Courage to Be Queer is about the wildness and beauty of an indescribable and uncontainable God What is the Queer calling us to be We are to be the ones shouting for justice We are to be the ones dancing for freedom We are to be the ones dreaming for hope We are to be the ones In the midst of the spectacle of it all there will be those observers who hear the knocking and lean in Will you open the door [2 Corinthians](#) Judith A. Diehl, 2020-05-05 A new commentary for today's world The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story The first commentary series to do so SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story-centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy-to-use sections designed to help readers live out God's story LISTEN to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear it within the Bible's grand story EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students 2 Corinthians In this letter we enter into the life of the apostle Paul through his stories he relates his own near-death experience and hardships his own version of the story of Moses and the glory of Sinai and of the generosity of the church at Macedonia But while Paul's stories are important to his message he intended them to move the focus off of himself and on to God and His story Edited by Scot McKnight and Tremper Longman III and written by a number of top-notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear-minded theological insight to any biblical education or ministry [Wisdom From the Margins](#) William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price *The Collected Sermons of Dietrich Bonhoeffer* Victoria J. Barnett, 2017-10-15 In his preaching Dietrich Bonhoeffer's strong personal faith the foundation for everything he did shines in the darkness of Hitler's Third Reich and in the church struggle against it Though not overtly political Bonhoeffer's deep concern for the developments in his world is revealed in his sermons as he seeks to draw the listener into conversation with the promises and claims of the gospel a conversation readers

**Seeds of Redemption** Andy White,2021-05-24 Struggle of both the small and staggering sort is woven throughout all our lives It can erode our faith strip us of hope rob us of joy extinguish our vitality and diminish our capacity to love But because God is always present and at work seeds of redemption lie as hidden treasure buried in the ground of struggle By taking a deeply human look at various figures in the lineage of Jesus in Matthew 1 Andy White shows us that the people we once may have considered unlike us because of thousands of years of separation suddenly come close in their pain loss and failures He too comes close as a man who has faced hardships to offer others a hand when their feet are unsteady By digging into the lives of these biblical sojourners White unearths hidden treasures guides readers on a journey of self discovery and points the way forward showing us ways to cultivate tenacious hope stronger faith and greater capacity to live and love as participants in God s ongoing redemption story
