Secrets Of An Alkaline Body The New Science Of Colloidal Biology:

Secrets of an Alkaline Body Annie Padden Jubb, David Jubb, 2012-05-22 This book provides a scientific explanation for cancer through an analysis of the blood The Jubbs explain how LifeFood nutrition a diet rich in vegetarian foods found wild in nature and served uncooked can detoxify and rejuvenate the body Included are four herbal formulas for making colloidal medicines for proper hydration These alkaline beverages can be readily absorbed to purify dirty blood acidic and full of toxins making the body inhospitable to cancer Secrets of an Alkaline Body is informatively illustrated and includes testimonials from clients who have successfully cleared cancer from their bodies using the Jubbs techniques **LifeFood**

Recipe Book Annie Padden Jubb, David Jubb, 2012-04-17 Life force foods are those found wild in nature and served uncooked A life force diet is vegetarian and mainly vegan congruent with the philosophy that good food choices promote a sustainable future on the planet This book applies life food principles to daily life The authors explain how the LifeFood diet can strengthen the mind and body and show how to make lotions tinctures and potions with food With illustrations throughout and over 150 easy to follow recipes to maximize health and well being this book features such dishes as Aztec Quiche Emerald Broccoli Soup Spicy Ginger Tofu and Pina Colada Cookies **The British National Bibliography** Arthur James Wells, 2006

God's Path to Disease-Free Living Bob McCauley ND, 2017-04-07 You cannot understand this book if you don't read this preface I almost subtitled this book A Christian Health Revolution because it is a truly revolutionary way to view health and how we ought to view the temple our body that God has given us The ideas in this book will change your view of how health is actually obtained It will challenge your understanding of your body and your obligation to honor it It will cause you to waken your obligation to honor one of God's most precise gifts your body Whether you are Christian or not you will never think of yourself your life and body in the same way after reading this book The health protocol explained in this book is the next revolution in Christianity This revolution concerns the recognition that the temple of God is within us because our body literally is a temple of God And it is a far more important temple than one built of wood steel and brick Do not feel that I am either accusing or ridiculing you about your present lifestyle and eating habits On the contrary this book is meant to encourage you to become aware of what God wants for us If you desire to be amongst those who God calls His followers then adopting this health protocol even to the slightest degree will help bring you closer to God That I promise you *Jubbs Cell Rejuvenation* David Jubb, 2012-04-17 According to David Jubb who has done the breakthrough work in this realm life extension and health optimization require protein and antioxidant synthesis Colloids of life and lifecolloids spores he says are the real primordial building blocks of life not the body cells These colloids comprise the body's flora whose vitality is crucial in creating sustained good health and long life Jubbs Cell Rejuvenation focuses on how to optimize this bio terrain giving readers solid information about the science and techniques for reclaiming that inner terrain in relationship to protein and antioxidant synthesis In a world of health practitioners who talk only in terms of disease Dr Jubb's focus is on the forces that
