Shelly Field, 2009 Features numerous job profiles in the casino and gaming industry and includes appendixes covering professional organizations schools associations unions and casinos Career profiles include blackjack dealer casino host concierge and hotel publicist *Las Vegas, the Untold Stories* John Romero, 2012-08-14 Youre about to enter a city that has no equal It was built by extraordinary people with imaginative minds Did they drink Not sure but why else would they build it in a Nevada desert Some say you can go anywhere in the world and discover that people not only know about Las Vegas theyd give anything to get there True As soon as I graduated from college I took an all night bus to reach a city Id heard of but never seen I stayed 30 years Damn good years too And the mystique of the entertainers and the film stars and the elaborate restaurants and 24 hour a day casinos never wore off I spent 20 of my years at the Sahara on the Strip got inside the gambling business in the 60s and loved it Helped it too with my writing and my inventions The Mob was still around in those days They were the first venture capitalists and owned a piece of every casino in town Did that stop anyone from having a good time Of course not Gradually the Mob faded away which is what happens when an FBI office with 15 agents sets up shop in town But the gaiety didnt stop for a second even when corporations realized they were the big guys now Our Sahara entertainment director stunned us in 1964 when he made a deal with The Beatles to play two shows I met the boys after dark at a small Las Vegas airport rode with them to the Sahara and helped get them to their suite before teen age girls tore their clothes off So take a chance have a seat and enjoy that drink in front of you Its time to start the show John Romero
