persist for hundreds of years In logical progression many other Ice Age topics are explained including super Ice Age floods ice cores man in the Ice Age and the number of ice ages This is one of the most difficult eras in geological history for a uniformitarian scientist one who believes the earth evolved by slow processes over millions of years to explain simply because long ages of evolution cannot explain it Provided here are plausible explanations of the seemingly unsolvable mysterious about the Ice Age and the woolly mammoths Frozen in Time      Dead Men's Secrets Jonathan Gray,2014-09-08 Archaeologist Jonathan Gray stumbled upon something that shocked him a whole cache of out of place items that should not exist And they weren't just in one place There was a global pattern to them This pattern showed a lost science and technology That's when he knew someone had to speak up This content was of tremendous value MACHINERY Did you know that the Egyptians bored into granite rock with drills that turned 500 times faster than modern power drills ANCIENT AMERICA Did you know that a Chinese mapping survey of North America in 2200 BC described a sunrise over the Grand Canyon black opals and gold nuggets in Nevada and seals frolicking in San Francisco Bay This is the most amazing archaeology book you'll ever see Dead Men's Secrets is an assemblage of astonishing discoveries A lost super science emerges from the sea floor jungle and desert sands of our planet with more than 1 000 forgotten secrets It will SHOCK you SEE this world as you've never seen it before DISCOVER answers you never had GAIN a new enjoyment HAVE FACTS at your fingertips to amaze your friends      *Atlantis* Shirley Andrews,2018-02-07 You know of it through song and legend the golden civilization of Atlantis which sank into the cold depths of the sea ages ago But few know the truth about Atlantis or the geological and metaphysical evidences that suggest it really existed What have scholars unearthed of Atlantis's society and history How about its mystical and religious beliefs art and architecture and its people's knowledge of science and healing Is it possible that the tremendous achievements of the Atlanteans were aided by extraterrestrial contact Shirley Andrews uncovers the living legacy in Atlantis Insights from a Lost Civilization a compelling new look at a legendary country once situated on the Atlantic Ridge The author has traveled extensively to conduct her own comprehensive research which she synthesizes with the work of hundreds of other Atlantis researchers classical and modern scholars scientists and respected psychics like Edgar Cayce Survivors of this fabled land have made their mark on cultures all over the world and their descendants walk the earth today Learn how the legacy of Atlantis can help us bring our own world into a new age of peace and enlightenment      **The Secrets of the Gods** Claudiu Gilian,2017-03-22 What would it be like to realize one day that everything you believed to be true was nothing but a lie That you lived in an illusion constantly fed by those around you That reality is often diametrically opposed to the chimera that was inoculated to you That to learn the truth you need to forget everything you know What is God Are aliens real Is the material universe just an illusion Why are we here where do we come from and where do we go after death Is Earth a prison Are humans the descendants of the gods of the past Is the Bible just a collection of plagiarized myths Was Christianity invented by Philo of Alexandria Was the Garden of Eden located on the
