Change Your Thought Patterns: Mind Control Secrets Silva Jean,2012-11-05 Power and Control Everyone wants it Everyone has it Why so few people use it The silent art of power and control is to see the potential force in everything and arrange it so that if released it works in your favor We all have thoughts but we don t all achieve our dreams

That's because thoughts may be negative or positive in nature. All successful people, however, have one thing in common: determination. To be a success, you must first determine to be so. Though not always a conscious decision, the seed that leads to action is to first determine. Picture in your mind the able, earnest, useful person you desire to be, and the thought that you hold is hourly transforming you into that particular individual you so admire.
