Getting an Investing Game Plan Vern C. Hayden, CFP, Maura Webber, Jamie Heller, 2003-04-15 A long term game plan for investment success What matters most in achieving financial success is not how well one plays any single round of the investment game but whether they have a well thought out and complete investing game plan An investing game plan is a strategy designed to help investors fulfill both their short and long term financial goals In a straightforward manner Getting an Investing Game Plan explains why every investors needs a game plan for both wealth creation and wealth preservation how to create one that suits their personal risk tolerance level and maybe most importantly how to stick to their plan despite market conditions Vern C Hayden CFP Westport CT is a certified financial planner in private practice with more than thirty two years of experience He regularly appears as an expert on leading national news and financial television programs and has also been a regular contributor to the financial press including TheStreet com where he wrote more than 100 columns Maura Webber Chicago IL is a freelance writer who regularly contributes for the Chicago Sun Times and Bloomberg News She has been a reporter for Bloomberg News the Philadelphia Business Journal and the Philadelphia Inquirer

The Sector Strategist Timothy J. McIntosh, 2012-03-02 Using Asset Allocation to Reduce Risk and Boost Investing Returns Presenting a revolutionary new investment philosophy that redefines how we view sector investing The Sector Strategist challenges long held ideas about how this unique area of finance operates Misconceptions such as the belief that international stocks provide diversification are preventing investors from making the most of the opportunities for financial growth that sectors provide and the book presents practical applicable evidence that a better more profitable option is available Additionally the book hopes to give readers an opportunity to improve returns and protect retirement assets by providing a wide range of techniques and tools designed to optimize wealth that the author has developed over the last decade Designed to help investors avoid the often inaccurate assumptions made by experts which promote typical asset allocation Written by Timothy McIntosh investment expert and founder of SIPCO Strategic Investment Partners whose firm s stock portfolio has earned five star returns from Morningstar annually since 2003 Contains easy to apply tools for wealth protection and growth that have been proven successful during the market fluctuations of 2002 and 2008 The history and opportunities afforded by sectors have been written about at length but no book has broken with tradition so radically and with such success as The Sector Strategist
