Security Arrangements In The Gulf:

US Security Arrangements in the Persian Gulf, 1987 Security Arrangements in the Persian Gulf Mahboubeh F. Sadeghinia, 2011 Helps us to understand the reasons for the failure of security models in the Persian Gulf This book provides a fresh model that addresses the need for a stable and peaceful structure of relationships provides security for individual littoral states and also assures the interests of the external powers *Security Arrangements in the Gulf* Caspar W. Weinberger, 1988 *The Politics Of Change In The Middle East* Robert B Satloff, 2019-09-16 This book examines regime stability and political change in the heartland of the Middle East It discusses the distribution of power within each regime of the Middle East the sources of regime legitimacy and the social economic and ideological trends influencing change in the region **Future U.S. Security Relationships with Iraq and Afghanistan** David E. Thaler, 2008 The greater the emphasis on building these capabilities now the faster indigenous air forces will be able to operate independently and the faster the operational demands on the U S Air Force will diminish BOOK JACKET The Indian Ocean as a New Political and Security Region Frédéric Grare, Jean-Loup Samaan, 2022-01-18 This book analyses the emergence of the Indian Ocean as security complex and a strategic space of central importance and also looks at its prospective future As well as US China rivalry the India China rivalry is now the defining factor in the Indian Ocean irrespective of the strategic asymmetry This new situation has opened a space for middle powers old and new to intervene The authors argue that this situation may turn into an additional source of instability and that the creation of an inclusive and comprehensive regional security architecture as well as the strengthening of regional multilateralism should be the priority of all stakeholders in the coming decade

Security Communities Emanuel Adler, Michael Barnett, 1998-10-28 This book argues that community can exist at the international level and that security politics is profoundly shaped by it with states dwelling within an international community having the capacity to develop a pacific disposition By investigating the relationship between international community and the possibility for peaceful change this book revisits the concept first pioneered by Karl Deutsch security communities Leading scholars examine security communities in various historical and regional contexts in places where they exist where they are emerging and where they are hardly detectable Building on constructivist theory the volume is an important contribution to international relations theory and security studies attempting to understand the conjunction of transnational forces state power and international organizations that can produce a security community **The Foreign Policies of Arab States** 'Alī al-Dīn Hilāl, 2010 This is an indispensable aid for those studying or teaching the foreign policies of the contemporary Middle East Not only are the elements of foreign policy discussed and presented as a whole region but the editors provide the established analytical framework by which each contributor in their individual chapters has analyzed and evaluated the foreign policies of nine Arab countries Their framework perceives foreign policy in the context of its environment domestic regional and global This edition has new material reflecting the earth shaking events at the end of the

Cold War and the continuation of violence and terrorism

The Regionalization of Warfare James Brown, 2023-03-31

Three wars have dominated world events in recent years The conflict which erupted between the United Kingdom and Argentina over the Falkland Malvinas Islands the multinational conflict in Lebanon involving Israeli Syrian and FLO forces in Lebanon and the savage struggles between ground and air units of the Iranian and Iraqi forces The scale and intensity of these wars their potential for global conflict make them crucial for an understanding among citizens in general and defense and political analysts in particular The authors and contributors to this most unusual volume come to several common conclusions professionalism is a crucial factor in military effectiveness but not necessarily dependent on modes of recruitment high technology is crucial but only in relation to the quality and training of the personnel public support is necessary to sustain military morale in democratic and authoritarian regimes alike These are only some of the incisive findings registered and explored in *The Regionalization of Warfare* The volume assembles experts not only on these three major regional and interregional conflicts but on current U S defense policies Soviet strategic interests in Middle East and Persian Gulf conflicts and a series of papers on lessons learned and unlearned as a result of these small wars of the early 1980s For those interested in military history global strategy and regional rivalries this collection of finely written sophisticated papers will prove to be of intense concern

Politics of Change in Middle East and North Africa since Arab Spring Md. Muddassir Quamar, 2022-12-29 A decade since the eruption of Arab Spring protests in the Middle East and North Africa the region continues to confront the primary causes of the popular disenchantment including economic deprivation bad governance corruption and limited avenues for political expression Democratisation the buzzword in 2011 has given way to debates around conflict management and resolution Simultaneously there are mounting economic challenges throughout the region that have been aggravated by the COVID 19 pandemic But there are some silver linings such as a focus on reforms greater scrutiny against corruption demand for better governance and awareness regarding women empowerment and rights of minorities The volume *Politics of Change in the Middle East and North Africa since Arab Spring A Lost Decade* commemorates the ten years of the eruption of Arab Spring protests It captures some of the prevailing political economic strategic and social issues in MENA through thematic or country specific essays that explore the ongoing transformations and underline how despite the hopelessness the MENA societies have made progress on various fronts Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan
