Security Of The Caspian Sea Region:

The Security of the Caspian Sea Region Gennadii Illarionovich Chufrin, Stockholm International Peace Research Institute, 2001 Over the past decade the Caspian Sea region has risen from relative obscurity to considerable prominence in global affairs Located at the crossroads of traditional trade routes between Europe and Asia and possessing vast natural resources oil and natural gas among them it attracts widespread international interest The emergence of new sovereign states in the region has fundamentally transformed its political landscape The future of the Caspian region is far from certain however as it is challenged by a wide variety of political socio economic and military threats which include the declining living standards of vast segments of local populations inter ethnic and inter confessional tensions and conflicts militant separatism international terrorism and illegal trade in arms and drugs The security of the region is also affected by the intensifying strategic competition among major outside powers over establishing their political and economic influence in regional affairs The book offers a competent analysis of the major political economic and security developments in the region by a diverse group of highly qualified experts from the Caspian littoral states the USA and the European Union

Afghanistan and Central Asia: NATO's Role in Regional Security Since 9/11 O. Tanrisever, 2013-02-15 Instability in Afghanistan has had a considerable effect on regional security in Central Asia particularly in the aftermath of the events of 9 11 and this has meant that the importance of NATO and its contribution to security in this area has increased considerably A detailed analysis of this topic is precisely important because it could highlight the areas where the Central Asian countries could increase their security contributions to Afghanistan s security through enhancing their cooperation with NATO This book presents the fully revised and updated versions of papers presented at the NATO Advanced Research Workshop ARW NATO the Fight against International Terrorism in Afghanistan and Security Situation in Central Asia since 9 11 held in Ankara Turkey in April 2011 This ARW was supported by the NATO Science for Peace and Security Programme The book takes a comprehensive approach to the regional security complex in Central Asia by emphasizing the human security socio political and energy dimensions in addition to the traditional military dimension of the fight against international terrorism in and around Afghanistan The findings of the book enhance our understanding of the root causes of international terrorism and the effective ways of coping with the security challenges in this region The book is divided into five parts First NATO s Contribution to Lasting Security in Afghanistan Second Responses of the Central Asian States to Political Instability Organized Crime and International Terrorism in Afghanistan Third Energy Security in and around Central Asia Fourth International Competition and Co operation over Afghanistan and Central Asia and Last but not least Regional Security Organizations and the Fight against International Terrorism in Afghanistan

Security Dynamics in the Black Sea Region Kornely Kakachia, Stephan Malerius, Stefan Meister, 2024-07-15 This book examines the geopolitical shifts triggered by Russia s military aggression against Ukraine from February 2022 onwards This conflict has catalyzed unprecedented

transformations in the Black Sea region's security landscape reshaping the foundations of international relations Presenting various case studies on key players such as Russia Ukraine the USA Turkey the European Union and NATO the book presents a comprehensive analysis of the multifaceted impacts stemming from the conflict focusing on three critical dimensions military economic and human security The contributions examine whether and how the conflict has not only magnified security challenges but also spurred resistance by Ukrainian forces and society It also examines the impact of comprehensive economic sanctions and Western military and financial assistance to Ukraine on Russia's military capabilities and regional balance of power The book sheds new light on the intricate interplay between state actors multilateral institutions and emerging regional orders By dissecting the impact on governance models rule of law and human security the book illuminates the far reaching consequences of the conflict beyond military dynamics With a keen focus on the emergent European security order the book underscores the need for novel strategies to address the evolving security complexities in the Black Sea region This book is a must read for those seeking insights into the changing face of European security and the emergence of a new geopolitical order

Environmental Security in Harbors and Coastal Areas Igor Linkov, Gregory A. Kiker, Richard J. Wenning, 2007-05-24 History has shown how powerful societies decline when natural resources are unable to be replenished This book explores the challenges facing coastal areas during in the near future It emphasizes beliefs that the convergence of seemingly disparate viewpoints and uncertain and limited information is possible only by using available risk assessment methodologies and decision making tools such as multi criteria decision analysis MCDA

The Caspian Sea William Ascher, Natalia Mirovitskaya, 2000-04-30 This volume is based on the presentations and deliberations of an Advanced Research Workshop ARW Caspian Sea A Quest for Environmental Security that was held on March 15 19 1999 in Venice Italy The Workshop was sponsored by the NATO's Division for Scientific and Environmental Affairs with additional support provided by the Trust for Mutual Understanding USA It was organized by Duke University's Center for International Development Research with the guidance of the International Committee of scientists from Russia United States Georgia and Italy and organizational assistance rendered by Venice International University The Caspian Sea region is of profound importance from the perspective of global and regional environmental security New geopolitical and economic circumstances have created a mixture of competition reluctant collaboration and legal political economic and ideological wrangling There is an intense debate over how the Caspian and its resources should be divided among littoral states and how these resources are to be developed While most littoral states and the international companies strive to develop the area's immense hydrocarbon potential it is clear that the Caspian's unique and fragile ecosystem is at risk

The Search for Security in the South Caucasus , Policy Briefs on the Transnational Aspects of Security and Stability Nayef R. F. Al-Rodhan, 2007 This book looks specifically at a number of topics that deal with the changing nature of the state in the era of globalization and the impact of this transformation on global security and stability Each topic is also represented by a diagram assessing and

illustrating the linkages between the challenges currently facing states and recommendations for ways in which the state can move forward This book may serve as a reference guide for practitioners students and academic institutions that work to provide solutions to contemporary conflicts and security threats Topics addressed include the proliferation of weapons of mass destruction arms control energy security natural disasters the changing role of the North Atlantic Treaty Organisation NATO health paradigms and US environmental policy The collection of policy briefs provides a valuable insight into a number of major issues that affect the future of the international system The briefs are authored by acknowledged experts and brought together in a format that provides for a succinct overview of the challenges faced as a result of rapidly increasing globalization

Establishing Security and Stability in the Wider Black Sea Area P.M.E. Volten,B. Tashev,2007-08-10

In this publication possible ways to promote security cooperation in the Wider Black Sea Area are being addressed The area holds major importance for Euro Atlantic security Strategically located at the crossroads of Europe the Middle East and Central Asia the region after the dual NATO EU enlargement in 2004 2007 became part of the periphery of the common Euro Atlantic security system with critical value for European energy security and the war on terrorism The region faces a variety of security challenges including regional conflicts ethnic strife terrorism and powerful organized crime while many of the countries have weak institutions turbulent political systems unstable economies and lack of democracy In addition the traffic of drugs to the West the steady stream of militancy from the Middle East and the energy lines from the oil and gas rich regions of the East to an energy hungry Europe gradually define the Wider Black Sea Area as a region urgently requiring political attention and investment in its security This publication is intended to provide fresh ideas on the possible areas of security cooperation even as the authors agreed that comprehensive far reaching policies are hard to attain in the near future

The Black Sea Region and EU Policy Carol Weaver,2016-03-23 The Black Sea region rarely hit the media headlines until the outbreak of war in Georgia in 2008 yet its importance as a focus of European Union EU external policy making had already been growing for several years The area is fascinating and diverse comprising both large and small states with a mixture of democracies and more authoritarian regimes Traditionally a central foreign policy concern for Russia and Turkey since the end of the Cold War the EU and the US have become increasingly involved in the many dimensions of Black Sea politics This book brings together a broad range of specialists on the region to analyze the challenge of divergent agendas both within and outside the EU More specifically it looks at how the EU s enlargement to include states on the Black Sea shore has brought about new external policies including the European Neighbourhood Policy Black Sea Synergy and the Eastern Partnership all representing subtly different aims and interests The various sections in the book also examine regionalization conflict resolution security relationships between the Black Sea s states and last but not least the vital issue of energy which has begun to dominate the discussion of the region Designed to further the debate on the future of EU policies for the Black Sea region this book is an essential resource for researchers students and others in search of a

coherent picture of the inter relationship of EU initiatives and policies in the region Achieving Energy Security In Asia: Diversification, Integration And Policy Implications Farhad Taghizadeh-hesary, Naoyuki Yoshino, Youngho Chang, Aladdin Rillo, 2019-09-24 This book presents a critical review of the status of energy security in Asia and suggests how a country or a region collectively can achieve energy security in two broad aspects First it analyzes how regional cooperation and energy trade can enhance energy security in the region Second it reviews how energy security can be ensured in national and regional general contexts From the reviews and analyses this book asserts that diversification and integration are key to ensuring energy security It presents policy implications for enhancing energy security especially in resource rich as well as resource poor developing countries in Asia *European Energy Security* M. Biresselioglu, 2011-06-13 An exploration of Turkey's future role and impact on European energy security looking at the connection between geopolitics energy security and the EU's need for energy The book focuses on Turkey's foreign and energy policies and importance as a natural funnel through which the EU can access hydrocarbons and renewables Assessing energy and security issues in Central Asia United States. Congress. House. Committee on International Relations. Subcommittee on the Middle East and Central Asia, 2006 **Security Integration in the Post-Soviet Space and Collective Security Treaty Organization** Ramakrushna Pradhan, Sukanya Kakoty, 2024-08-28 This book explores the role of the Central Security Council CSTO in ensuring regional security analyzing the evolution of cooperation between post Soviet states since the Soviet Union's demise It focuses on the establishment of the CSTO as a regional organization since 2002 with six out of 11 CIS members The book fills a gap in existing research on the security paradigm in post Soviet space and the collective security mechanism of CSTO Many western scholars have not understood the importance of multilateralism and Russia's foreign policy in maintaining security measures in the post Soviet space The book is an informative handbook on regional integration Eurasianism and CSTO for students scholars readers academicians and researchers working on this area *Central Asia and Regional Security* Mr P L Dash, Ms Anita Sengupta, Mr Murat M Bakhadirov, 2014-02-15 While security concerns have assumed salience across the globe Afghanistan's proximity to Central Asia has meant that security or perceptions of insecurity dominate the strategic discourse in the region Issues that stand out include the challenges that the Central Asian states will face in terms of stability ethnic tensions radicalization of youth destabilization of commodity flows and energy security and the impact that these could have on Central Asian society However security cannot just be defined in terms of security at the borders It needs to be defined in cosmopolitan terms through an array of issues like movements across borders radicalism within states the sharing of water and various multilateral attempts at combating insecurity This volume is an attempt to focus on some of these issues that reflect on perceptions of security principally from Indian and Uzbek positions It examines shifts over the last two decades from debates on the geopolitical importance of the region from a great game perspective to the salience of new engagements within the international arena The DISAM Journal of International Security Assistance

Management ,2002 *Challenges to Global Security* Hussein Solomon,2007-10-24 Ours is an age of great upheaval where change sometimes appears to be the only constant Three of the most important forces driving such change are globalization regionalization and democratization This substantial work makes a concerted attempt to understand these forces and to show how they impact on the vitally important question of global security The volume brings together a wide range of scholars who hold diverse views and who collectively make a very significant contribution to current discourses within international relations and contemporary geopolitics Such is the book s breadth that it covers every region of the world addressing in turn security problems in the USA Latin America South Asia South East Asia Europe Russia and environs the Middle East and Africa Each discourse receives substantial coverage from economics and politics to religion religious fundamentalism and human rights *Challenges to Global Security* offers one of the richest comparative volumes yet to be published on the subject and will have strong appeal to students scholars and policymakers in the fields of international relations ethics and politics

Addressing Emerging Security Risks for Energy Networks in South Caucasus J. Novogrockiene,E. Siaulyte,2017-07-20 A stable and reliable energy supply is of critical importance and enhances resilience against political and economic pressures As was noted during the NATO Warsaw Summit in 2016 energy developments could have significant political and security implications for the alliance and its allies as demonstrated by the crises to NATO s east and south This book presents papers from the NATO Advanced Research Workshop Addressing Emerging Security Risks for Energy Flows over South Caucasus which took place in Tbilisi Georgia in December 2016 The workshop brought together academics specializing in energy security practitioners dealing with energy infrastructure safety and critical energy projects NATO and EU experts and representatives from industry civil society and governmental agencies The workshop consisted of six major panels which addressed numerous issues and emphasised the importance of the energy transit function of Georgia and the South Caucasus It reviewed existing and future energy transit projects and potential flows of oil and power and debated areas of common interest and forms of cooperation between consumers producers and transit states New security challenges raised by the increased threat of terrorist activities and potential military actions were also analyzed Potential forms of cooperation to provide adequate strategic and tactical safeguards against emerging threats were identified by the participants and the book will be of interest to all those concerned with the security of our energy supplies Research Handbook on EU Energy Law and Policy Rafael Leal-Arcas,2024-09-06 This thoroughly revised second edition presents a comprehensive overview of the most important contemporary research in EU energy law and policy The Research Handbook brings together a diverse array of experts highlighting the multifaceted nature of this continually developing field **Routledge Handbook of the Caucasus** Galina M. Yemelianova,Laurence Broers,2020-03-13 The Routledge Handbook of the Caucasus offers an integrated multidisciplinary overview of the historical ethno linguistic cultural socio economic and political complexities of the Caucasus Covering both the North and South Caucasus the book gathers together leading Western Caucasian and

Russian scholars of the region from different disciplines in the humanities and social sciences Following a thorough introduction by the editors the handbook is divided into six parts which combine thematic and chronological principles Place peoples and culture Political history The contemporary Caucasus politics economics and societies Conflict and political violence The Caucasus in the wider world Societal and cultural dynamics This handbook will be an essential reference work for scholars interested in Russian and Eastern European studies Eurasian history and politics and religious and Islamic studies
