Gay Seattle Gary L. Atkins, 2011-10-17 Winner of a 2004 Washington State Book Award Winner of a 2004 Alpha Sigma Nu ASN Jesuit Book Award In 1893 the Washington State legislature quietly began passing a set of laws that essentially made homosexuality and eventually even the discussion of homosexuality a crime A century later Mike Lowry became the first governor of the state to address the annual lesbian and gay pride rally in Seattle Gay Seattle traces the evolution of Seattle s gay community in those 100 turbulent years telling through a century of stories how gays and lesbians have sought to achieve a sense of belonging in Seattle Gary Atkins recounts the demonization of gays by social crusaders around the turn of the century the earliest prosecutions for sodomy the official harassment and discrimination through most of the twentieth century and the medical discrimination and commitment to mental hospitals that continued into the 1970s as homosexuality was diagnosed as a disease that could be cured Places of refuge from this imposed social exile were created in underground theater and dance clubs the Gold Rush era burlesque shows modern drag theater and in mid century the emergence of openly gay bars from the Casino to Shelley s Leg Many of these were subjected to steady exploitation by corrupt police until bar owner MacIver Wells and two Seattle Times reporters exposed the racket The increasingly public presence of gays in Seattle was accompanied by the gradual coalescence of social services and self help organizations such as the Dorian Society gay businesses and advocacy groups including the Greater Seattle Business Association and the stormy relationship between the Vatican Seattle s Catholic hierarchy and gay worshippers Atkins narrative reveals the complex and often frustrating process of claiming a civic life showing how gays and lesbians have engaged in a multilayered struggle for social acceptance against the forces of state and city politics the police the media and public opinion The emergence of mainstream political activism in the 1970s and ultimately the election of Cal Anderson and other openly gay officials to the state legislature and city council were momentous events yet shadowed by the devastating rise of AIDS and its effect on the homosexual community as a whole These stories of exile and belonging draw on numerous original interviews as well as case studies of individuals and organizations that played important roles in the history of Seattle s gay and lesbian community Collectively they are a powerful testament to the endurance and fortitude of this minority community revealing the ways a previously hidden sexual minority comes out as a people and establishes a public presence in the face of challenges from within and without

Williams,2019-08-08 We tend to think cities look the way they do because of the conscious work of architects planners and builders But what if the look of cities had less to do with design and more to do with social cultural financial and political

processes and the way ordinary citizens interact with them What if the city is a process as much as a design Richard J Williams takes the moment construction is finished as a beginning tracing the myriad processes that produce the look of the contemporary global city This book is the story of dramatic but unforeseen urban sights how financial capital spawns empty towering skyscrapers and hollowed out ghettos how the zoning of once illicit sexual practices in marginal areas of the city results in the reinvention of culturally vibrant gay villages how abandoned factories have been repurposed as creative hubs in a precarious postindustrial economy It is also the story of how popular urban clichés and the fictional portrayal of cities powerfully shape the way we read and see the bricks concrete and glass that surround us Thought provoking and original Why Cities Look the Way They Do will appeal to anyone who wants to understand the contemporary city shedding new light on humanity's greatest collective invention

Madonna Mary Gabriel, 2023-10-10 New York Times Editors Choice One of NPR's Best Books of the Year In this infinitely readable biography award winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era Madonna People Magazine With her arrival on the music scene in the early 1980s Madonna generated nothing short of an explosion as great as that of Elvis or the Beatles taking the nation by storm with her liberated politics and breathtaking talent Within two years

of her 1983 debut album a flagship Macy's store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge and opened a department called Madonna Land. But Madonna was more than just a pop star. Everywhere fans gravitated to her as an emblem of a new age one in which feminism could shed the buttoned-down demeanor of the 1970s and feel relevant to a new generation. Amid the scourge of AIDS she brought queer identities into the mainstream, fiercely defending a person's right to love whomever and be whoever they wanted. Despite fierce criticism she never separated her music from her political activism. And as an artist she never stopped experimenting. Madonna existed to push past boundaries by creating provocative, visionary music, videos, films, and live performances that changed culture globally. Deftly tracing Madonna's story from her Michigan roots to her rise to super stardom, master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time.

Secrets Café, The Main Course Gina G., 2024-08-26

What's that old adage? You should be careful what you wish for. Here I was walking home from Secrets Café trying to figure out what conflict I could add to the story I was writing when bam! The Universe gave me Secret. She was huddled in my doorway claiming she was homeless and had nowhere else to go. What was I supposed to do? Kick her to the streets. It was the holidays. Okay, I said. You can stay one night. I did not trust her. She was a master manipulator, a liar, and a game player. I was not going to fall for her bullshit again.

She's the last woman he ever wanted to see again. After an official operation turned deadly, Jonas Crow began a new life in Grizzly Harbor with Alaska Force. But when fellow soldier Bethan Wilcox joins the group, she forces him to remember things he actively prefers to forget. That's unforgivable enough. But now the two of them are forced together on a mission to uncover deadly secrets tied to their complicated past, and with the heat between them at a boil, forgiveness is the least of his worries. And the only woman he needs is Bethan Wilcox, one of the first women to make it through Army Ranger school. Didn't join Alaska Force to deal with Jonas's foul temper. Or her own errant attraction to him. Thrown together in a race against the clock, they have to pretend to be a couple and play nice to throw the enemy off their scent. She knows better than to let their pretend love feel real, especially while time is running out. Jonas has always been good at saving the world. But it's Bethan he needs to save this time around. If she doesn't save him first.

Staged Seduction Akiko Takeyama, 2016-03-09

In the host clubs of Tokyo's Kabukichō red light district, ambitious young men seek their fortunes by selling love, romance, companionship, and sometimes sex to female consumers for exorbitant sums of money. *Staged Seduction* reveals a world where all intimacies and feigned feelings are fair game for the hosts who employ feathered bangs, polished nails, fine European suits, and the sensitivity of the finest salesmen to create a fantasy for wealthy women seeking an escape from the everyday. Akiko Takeyama's investigation of this beguiling underground love business provides an intimate window into Japanese host clubs and the lives of hosts, clients, club owners, and managers. The club is a place where

fantasies are pursued and the art of seduction isn't merely about romance a complex set of transactions emerges Like a casino of love the host club is a site of desperation aspiration and hope in which both hosts and clients are eager to roll the dice Takeyama reveals the aspirational mode not only of the host club but also of a Japanese society built on the commercialization of aspiration seducing its citizens out of the present and into a future where hopes and dreams are imaginable and billions of dollars can be made
