book has America questioning its heroes Darkly funny *The Innocence of Seduction* is a riveting exploration of an era marked by censorship prejudice and the enduring resilience of artistic expression A rather deep show that keeps our interest with its focus on dark humor A commentary on the comics of the day and an advocacy piece against censorship Around The Town Chicago *The Pirate's Seduction* Bethany M. Sefchick,2019-06-12 After the passing of her beloved grandfather and infant son Lady Lucy Woodfield is being sent to Montserrat to become an elderly plantation owner's mistress mostly so she won't become an embarrassment for her remaining family Before she can reach her destination however her ship is attacked by pirates and she is taken captive Since her family refuses to pay the ransom Lucy is to be sold into slavery most likely becoming a prostitute in one of the area's many brothels Bloody Harry Blackburn is a pirate captain in desperate need of a woman a very specific type of woman Harry needs a lady of Quality who can give him a son so that he may claim a portion of an aristocratic English title for his own Fortunately for him Lucy just happens to be the sort of lady he's seeking Unfortunately there's a price on Harry's head and he's being hunted by one of the most fearsome pirates in the West Indies all over a simple misunderstanding about some gold Can Lucy be what Harry desires or will her past prevent her from understanding that Harry needs more than just a warm body in his bed Will Harry ever realize that Lucy is far more than just a delicate English lady And will they both manage to evade Boucher the Butcher and find a future together Is it hot Yes it is Please be advised that this 80 200 word novel is written in the true spirit of pirates including salty language and extremely sexual situations that would be historically appropriate for that era It is NOT a sweet and clean romance and is intended for those seeking a MUCH hotter and sexier read while still looking for a romantic happily ever after This novel is not appropriate for younger audiences **A Little Seduction** Penny Jordan,2013-02-05 Collects two of the author's previously published stories in which a little seduction goes a long way toward mending a broken heart *Don't Tempt Me* Loretta Chase,2009-06-30 Scandal Gossip When kidnapped English heiress Zoe Lexham daringly escapes from captivity her problems have only begun After 12 years in a harem she knows far more about erotic practices than how to conduct a proper conversation in civilized parlors Her reception from London society's ladies is arctic the proposals from their husbands and brothers exceedingly warm and her loving but overwhelmed aristocratic family fear she'll be an outcast forever unless someone can launch her to success and a good marriage Enter Lucien de Grey the Duke of Marchmont Lucien is no knight in shining armor He's cynical easily bored dangerous to women and utterly indifferent to popular opinion But good looks combined with money and title make him welcome everywhere The most popular bachelor in the Beau Monde can easily save Zoe's risqué reputation if he can prevent the chemistry between them from getting so out of hand so often and so deliciously

**Style and Seduction** Elana Shapira,2016-05-22 A recent surge of interest in Jewish patronage during the golden years of Vienna has led to the question Would modernism in Vienna have developed in the same fashion had Jewish patrons not been involved This book uniquely treats Jewish identification within Viennese modernism as a matter of Jews active fashioning of a new language to convey their aims of emancipation along with their claims of cultural authority In this provocative reexamination of the roots of Viennese modernism Elana Shapira analyzes the central role of Jewish businessmen professionals and writers in the evolution of the city s architecture and design from the 1860s to the 1910s According to Shapira these patrons negotiated their relationship with their non Jewish surroundings and clarified their position within Viennese society by inscribing Jewish elements into the buildings interiors furniture and design objects that they financed produced and co designed In the first book to investigate the cultural contributions of the banker Eduard Todesco the steel tycoon Karl Wittgenstein the textile industrialist Fritz Waerndorfer the author Peter Altenberg the tailor Leopold Goldman and many others Shapira reconsiders theories identifying the crisis of Jewish assimilation as a primary creative stimulus for the Jewish contribution to Viennese modernism Instead she argues that creative tensions between Jews and non Jews patrons and designers who cooperated and arranged well choreographed social encounters with one another offer more convincing explanations for the formation of a new semantics of modern Viennese architecture and design than do theories based on assimilation This thoroughly researched and richly illustrated book will interest scholars and students of Jewish studies Vienna and Viennese culture and modernism
