See You At The Wake Healing Relationships Before:

Jag Anthony Lopez, 2011-12-21 Love unconditionally Be happy often Never pass up a chance for a hug Be humble Dont dwell on yesterday and dont worry about tomorrow These are only a few of the insightful life lessons captured in this gem of a book Without ever speaking one word Jag has preached thought and modeled these and other Biblical principles for sound Christian living Imagine a world where we all lived up to these eternal principles Not only would we lead happier more fulfilled lives but we would positively impact our family friends and our world in an eternal way Rick Hawks Senior Pastor The Chapel Fort Wayne Indiana Judge Advocate General Thats his name Will he go to heaven when he dies If there are dogs in heaven and I sure hope there are then Jag will certainly be there From the moment he was born he has loved life and lived it to its fullest He knows how to play when to ask for help how to give love and when to be quiet Jag has showered each of us with unconditional love and he has made us laugh until we cried Jag trusts us He has never worried about yesterday or tomorrow and he has protected us whenever he thought we needed protecting Hes been a good and loyal friend and I have learned much from him He always gives us exactly what we need when we need it and Im reminded of that profound truth every time I look at that big furry blessing that is Jag my trusted confidant my wise old teacher my best buddy Anthony Lopez

The Leader's Lobotomy - a Fable Anthony López, 2008-12 This fictional short story is this author s attempt at using a bit of humor to address a subject of profound significance the leader s need to ensure that they practice the most fundamental and important elements of leadership Although fictional many will relate to this story which at times admittedly takes on an autobiographical feel This is the third book in the Legacy Leader series The first The Legacy Leader began with my thesis that of all the traits a leader can and must possess only two are non negotiable Those two non negotiable qualities of a leader are character and integrity It also addressed what can be labeled as the mechanics of leadership The second book in the The Legacy Leader Series is Breakthrough Thinking It addressed what the leader must do to drive teams to accomplish things they would have initially thought impossible In this third volume The Leader s Lobotomy we will prick the memories of leaders who having reached positions of significant responsibility in their organizations suddenly and without warning develop the horrible disease called PIA Promotion Induced Amnesia Fortunately there is an effective antidote to PIA For leaders who are self aware and who possess healthy levels of emotional intelligence PIA is rarely fatal However not all are so lucky and PIA has sadly become the leading cause of premature termination of many leaders In this story Ted Jim s Corporate Guardian Angel CGA tutors Jim a newly promoted executive on important leadership fundamentals to ensure that he does not become infected with PIA and suffer the same ill fate as other less fortunate leaders In his own unique and sometimes humorously sarcastic style Ted helps Jim to practice timeless leadership principles that have been the cornerstone of other successful leaders

The Leader in the Mirror Anthony Lopez, 2011-12-02 In the hectic pace of business today none of us have the time to read War and Peace These books will engage you make you laugh and more importantly they will make you

The Legacy Leader as Superhero Anthony López, 2018-01-25 The best leaders strive to accomplish what no superhero in a comic book ever has They seek to create an army of superheroes who when properly aligned directed and motivated can achieve feats not even Superman could fathom But just like the superheroes in comic books leaders in the real world have weaknesses In this fifth installment of the Legacy Leader series readers will explore the traits of some of the most popular superheroes including female and minority superheroes to discern the leadership qualities we want leaders to exhibit Key concepts include adhering to a strict moral compass and code of conduct remaining humble and having a servant heart leveraging talents to make a difference in the world and investing in the right tools to achieve goals We don't expect our leaders to be invincible or immortal and we certainly don't expect them to wear spandex uniforms or masks However we do want them to exhibit superhero like qualities and inspire us to achieve greatness Move beyond management theories and grasp the spirit of what it means to be a true leader and awaken the leader within with the insights and lessons in Legacy Woman

CQ: THE LEGACY LEADER'S SUPERPOWER Anthony Lopez, 2022-09-30 From the Foreword In this gem of a book Tony Lopez introduces us to cultural intelligence CQ and helps us understand how we go about developing leadership and organizational CQ Importantly Tony also explores the roles of the board and executive leadership teams in enabling and measuring CQ Consider this book a guide a road map if you will but don't think of it as a recipe Our personal CQ journeys are as individual as our fingerprints The good news is this CQ can be developed improved and used effectively it can be powerful I challenge all of us to embark on this journey and become high CQ leaders Our teams communities and our families deserve nothing less Yvonne Garcia Global Head of Internal Communications Chief of Staff to Chairman and CEO State Street Corporation Tony Lopez unlocks the vault on creating positive enduring and real change in how leaders and boards of directors must think about diversity and how they can become culturally intelligent to fully leverage DEI strategically and competitively up and down their organizations to drive impressive business results Esther Aguilera President and CEO Latino Corporate Directors Association LCDA I have known Tony for many years and when Tony speaks people need to listen This book is insightful and it is right on point especially in today's world Understanding cultural intelligence CQ is paramount to any business leader of an organization at all levels including the board of directors An organization that does not embrace Diversity Equity and Inclusion DEI will not survive DEI and CQ is no longer a nice to have but an imperative Jose R Rodriguez partner retired

The Legacy Leader Anthony Lopez, 2010-10 These fundamentals are character integrity and ethics When these are compromised the leader will never achieve all that they could have Learning the mechanics of leadership is important Leaders need to know how to develop strategies based on a well developed vision They must understand communication empowerment delegation and other fundamental principles of good leadership However what they must always keep in the forefront of their thinking is why they lead What is their purpose in leading Many of today s contemporary leadership books concern themselves with the mechanics of leadership Few have given consideration to the true purpose of leadership That is what this book is about It s about helping leaders create a legacy they can be proud of Tony gets to the heart and essence of leadership boils it down to its fundamental elements and creates an outline for daily application that simply makes sense His writing provides us with evidence that leadership need not be complicated Rather he reminds us that grounded on the fundamental non negotiable requirements of character integrity and credibility leadership is about creating something of lasting value and worth With that as the foundation Tony presents compelling arguments for what he calls the mechanics of leadership and outlines specific ways that leaders must behave in order to reach their full potential The principles outlined in this book serve as an enduring guide and a strong reminder of what we must all strive for as leaders From the Foreword by Charles P Garcia Author of Leadership Lessons of the White House Fellows Many of today s contemporary books on the subject of leadership concern themselves with the mechanics of leadership Encyclopedic volumes have been written about how to lead and about what to do and when to do it However few leadership books have given serious consideration to the true purpose of leadership That is what this book is all about the purpose of leadership It s about creating something of lasting value and worth Learning the mechanics of leadership is important Leaders must learn how to be effective They need to know how to develop strategies based on a well developed vision They must understand communication empowerment delegation and other fundamental principles of good leadership These are all important skills for a leader to have if they are to be successful However what they must always keep in the forefront of their thinking is why they lead What is their purpose in leading In this book Anthony Lopez strives to provide readers the tools and strategies necessary to succeed in all that they do and to truly become a Legacy Leader

Sarna, 2026-04-21 What a sad lonely little life I have lived he thought Another New Year s Eve was ticking down and he had been in bed for three hours Just he and the cat There was always a cat God I have become my crazy aunt Peg He didn t know Peg but he had heard the stories Peg had a hundred cats She never met one she didn t take home and keep It wasn t true of course but that didn t stop the relatives from

spreading gossip She hardly ever went to family functions She s a loner lives out there with her cats alone in that old home He thought that was probably a plus in the column of pluses and minuses for her He spent way too much time in the company of the people who gossiped He thought he would have liked crazy Aunt Peg He much preferred the company of his cat over them Still he knew something they didn t He had never been alone not since the summer of his eighth year Things changed that summer of 1966 He fell in love She was tiny and blonde with bright warm blue eyes He did not know how he knew this but he did He played alone to any who watched She never left his side in his mind She rambled and talked and he admired that about her It was not that he was shy He was contemplative His mind had this gift of instant analysis He could figure the angles and trajectories the weight and velocities of all that moved He counted the ticks between the seconds and listened to the innocence of her voice She had the cutest lilt as she told a story that excited her He didn t know how he knew this any more than he knew what she looked like But know he did She was kind sweet and gentle She had a smile in her eyes even through the tears She cried a lot he knew but most of it was from joy He admired that about her She was generous with her emotions He could not afford them He hardly ever cried He hardly ever smiled except with her That smile was for her She was the only one who ever saw it It hid in the corners of his mouth He felt it more than he saw it but it was there he knew Pensive That was the word his parents used Pensive little bastard Engaged in involving or reflecting deep or serious thought He had looked it up He looked up the word bastard too Born of parents not married to one another He did not put much thought into that He did not put much thought into them at all He could not see a connection to them at all if he was honest about it Perhaps they had stolen him he sometimes thought For what his parents lacked his grandparents made up for That and the little girl What if I was only meant to write for you That this is what it was always about What if my only purpose was to make you fall in love and find your heart again That the universe wanted the world to know your heart To be honest with you I m good with that I found everything I ever wanted in you **Hermead: Philosophers** Surazeus Astarius,2019-07-16
